Could Not Live Long So Thought the Neighbors

But Hood's Sarsaparilla Perfectly Cured Muscular Rheumatism.

"I had muscular rheumatism for twelve years. I took many remedies that were suggested, and was treated for three months at the hospital at Bethlehem, but did not realize any relief. Finally decided to try Hood's Sarsaparilla. After taking one bottle I was surprised at the success. I followed the directions and it helped right along. I had the worst kind of rheumatism, the pain being most severe in the joints of my hands and feet. I had to get up at night and even to eat a slice of bread. The neighbors thought I could not live long.

I looked so thin, and I wished myself many times that I was in heaven. I was so tired of life. No tongue can tell the pains I suffered. But since taking Hood's Sarsaparilla all is changed.
