SOUTH SIDE.
Patrick Joyce, of Minooka, upon whom the charge rested of tampering with paper money, and whose case was heretofore referred to in this column, was acquitted by the grand jury in the United States court at Pittsburgh this week. The result of the case gives satisfaction to all who are acquainted with Joyce. He was always regarded as an upright, law-abiding young man, and the trouble he got into did not detract from his respect. It was assumed that he was more sinned against than sinning.
Annual Meeting of Y. W. C. A.
The annual meeting of the Young Women's Christian association of the South Side will take place this evening. The work of this organization since its inception has been highly satisfactory, and a promising report from its secretary, Miss Florence Tompkinson, is expected. Mrs. E. H. Ripple will preside this evening and men and women are cordially invited to attend.
To Abandon the Turnpike.
That part of the Pittston turnpike road on the Meadow Brook hill between the narrow gauge track running to the National colliery and Sander street, although it virtually has been abandoned for three years or more, will be closed and condemned. Since the new road on which the street car tracks are laid was opened, there has not been any traffic whatever on the part to be done away with. The ordinance relating to closing this road passed final consideration in the select council last Thursday night and will come before the lower branch at its next meeting. It is only because there was no other thoroughfare connecting Scranton and Minooka that the road was used at all besides now it will give the property owners a part of their land of which they have been deprived since the new road was built.

IN MILITARY CIRCLES
Orders Relative to Rifle Practice Season.
ALL MEMBERS MUST QUALIFY
Governor Pattison an Admirer of the Thirtieth Regiment, which in Recent Years Has Qualified Every Member—This Year's Encampment Will be at Gettysburg—Several Small Items.

General orders No. 5 and 6, issued by Governor Pattison, commander in chief, and regimental order No. 10 issued by Colonel Ripple which appear in this column, are of particular interest to every member of the regiment. They pertain to the rifle season just opened and to the coming division encampment:
HEADQUARTERS N. G. P., ASSISTANT GENERAL'S OFFICE, HARRISBURG, Pa., May 10, 1894.
General Order, No. 5.
The current season for rifle practice opened May 1 and closes October 31. Practice will be required of every officer and enlisted man, and no commutation for rifle range will be allowed any company that does not qualify its entire membership.
All officers are requested to impress upon their men the importance of rifle practice and to urge them to strive for excellence in marksmanship.
Every soldier of Pennsylvania must become a marksman, for no soldier is effective unless he is able to qualify. If any company in the infantry or cavalry arms of the service fail to qualify as marksmen in their entire membership, unless satisfactory reasons are shown for such failure, it shall be considered as lacking in discipline as to warrant its disbandment.
Requisition for gold medals will therefore only be made where the ten qualifications were made in two successive years, and it is to be noted that persons will be required to qualify subsequent to the ninth.
During the year 1893 will be allowed, as heretofore, to each company for rifle range, provided there are qualified the number herein required.
By order of ROBERT E. PATTISON, GOVERNOR and Commander in Chief, W. W. GREENLAND, Adjutant General.

HEADQUARTERS N. G. P., ASSISTANT GENERAL'S OFFICE, HARRISBURG, Pa., May 10, 1894.
General Order, No. 6.
Under the provisions of the act of assembly approved April 13, 1887, there will be held a division encampment of the National Guard of Pennsylvania at Gettysburg from August 11 to the 15th inclusive. The inspection required will be made by the adjutant general, the dates and organizations to be designated by the division commander. The quartermaster and commissary departments will furnish necessary transportation, quartermaster stores, camp and garrison equipage and subsistence.
Orders for transportation will be furnished by the brigade commanders, having due regard to economy, and to that the company commanders will reduce their company baggage to only what is necessary. Requisitions, to be forwarded through the regular military channels, will be made on the adjutant general by the quartermasters of brigades, regiments and the commanders of unattached companies for camp equipage. Requisition for medical blanks and supplies will be made to the surgeon general by the surgeons of regiments and the assistant surgeons of cavalry and artillery companies.
III. Inspection rolls, pay rolls, abstracts of daily roll-call, property returns, reports of annual allowance and armory rent, with vouchers and books, will be required to be presented as heretofore. The inspection rolls will show the enlistments and discharges since the date of the last inspection, under proper headings. Companies and bands will make financial reports of all moneys on hand at last encampment and accounts since then received and expended.
IV. No enlistments, excepting re-enlistments, will be made for thirty days previous to the close of the encampment, and all enlistment papers of men who have been enlisted since the last encampment will be forwarded to this office on or before the time above mentioned.
By order of ROBERT E. PATTISON, GOVERNOR and Commander in Chief, W. W. GREENLAND, Adjutant General.

HEADQUARTERS 12TH REGIMENT, THIRD BRIGADE, N. G. P., SCRANTON, Pa., May 14, 1894.
Regimental order No. 21, dated Scranton, Pa., April 29, 1893, will be in force during the coming season for rifle practice, except so far as the same is inconsistent herewith.
The several ranges will be opened for practice from May 17, 1894, to Nov. 1, 1894. Squad lists, as required in said order No. 21, must be forwarded to these headquarters not later than May 25, 1894.
The following days will be set apart in which the several companies will have special instruction: Monday, B and H; Wednesday, A and D; Friday, C and F.
MATCHES.
The Thompson match, the All Corners match, the John J. Chapman Shot match will be discontinued.
The John Jermyn match for second prize will be shot on the following days: Tuesday, May 30; Thursday, June 1; Saturday, June 2; Sunday, June 3; Tuesday, June 5; Thursday, June 7; Saturday, June 9; Sunday, June 10; Tuesday, June 12; Thursday, June 14; Saturday, June 16; Sunday, June 17; Tuesday, June 19; Thursday, June 21; Saturday, June 23; Sunday, June 24; Tuesday, June 26; Thursday, June 28; Saturday, June 30; Sunday, July 1.
An all corners semi-weekly match will be shot each Tuesday and Saturday during the season under the same rules and regulations as the all corners' weekly match contained in said order No. 21. The prize fund and the prizes therein mentioned will be abandoned. Should the receipts from this match warrant, two suitable prizes will be awarded to the winners.
By order of COLONEL ERAH H. RIPPLE, W. S. MILLER, Adjutant.

The Thirtieth regiment was the first regiment to qualify its entire membership, and has continued to do so for many years. It set the example for the other regiments, several of which have in recent years qualified every man. Governor Pattison, inspired by the skill and enterprise of the Thirtieth, makes it obligatory in his general order No. 5, for every member of every regiment to qualify as marksmen this year. A failure to do so upon the part of any company, will be considered cause for disbandment. It is Governor Pattison's ambition to retire as commander-in-chief with every man in the division of N. G. P. qualified as a marksman. The Thirtieth will do its share.
The encampment this year upon the famous and historic battle field of Gettysburg will be of unusual interest to the National guard. Every member of the Thirtieth must be present at this encampment. No excuse for absence except sickness will be accepted. No employer should in any way hinder employees from going to camp. It is a demand of the state and should be cheerfully acquiesced in.
The rifle range is now open. Have you qualified? Why not qualify every member of the regiment before going to camp next August? It can be done. Let every officer and man make it his personal business to qualify at once.
Private Hagwood of Company H, was court-martialed last Monday evening for non-attendance at drill.
The regiment presented a fine appearance on parade at Honesdale last Wednesday. The several companies turned out with full ranks. The

mounts of Colonel Ripple and his staff, which were generously loaned by Major Whitney, did not at first appreciate the music of the drum corps and were hard to discipline, but they finally gave in and conducted themselves like old military horses. The regimental parade in the evening, "mounted," was very successful and was of great interest to the more than 1,000 spectators.
The kindness of Company E was likewise interesting to the members of the Thirtieth who visited the armory in the evening. The members of the Honorable date received the regiment with that courteous and generous hospitality for which they are noted. The supper furnished by the Methodist church was one of the best the regiment has ever partaken of. We congratulate Miss Stoward and Company E on the splendid financial and otherwise success of the kindness.
Colonel Botes and his estimable wife honored the regiment by accompanying it to Honesdale last Wednesday. The colonel is very dear to the hearts of his old command, and his genial presence among them is an inspiration.
Company commanders should give considerable attention from now to the close of encampment to guard duty and skirmish drill.
When the members of Company — are through admiring those photographs which were returned to them, they would be better for them than they had a "silver stone" tied around their necks and thrown to the bottom of the canal.
We missed Company G in our journey to Honesdale.
The Thirtieth have the finest armory in the state (to get).

A DAUGHTER OF DIXIE TONIGHT.
Dan L. Hart's New Play for the Press Club's Benefit.
Scrantonians will tonight have an opportunity of witnessing Dan L. Hart's new play, "A Daughter of Dixie," which will be presented at the Frothingham theater under the auspices of the Scranton Press club. Mr. Hart's play was presented for the first time at Wilkes Barre last Friday evening, and it made the biggest hit of the season. It is undoubtedly the greatest effort of Mr. Hart in the line of dramatic literature. An enjoyable treat is promised all who attend "A Daughter of Dixie" at the Frothingham this and tomorrow evenings.
The scenery used in "A Daughter of Dixie" is said to be the most complete of any production that has visited Scranton this season. The gold and white parlor scene in the second act is particularly beautiful. The company has been selected from Charles Frothingham's forces, and is first class.

At an early hour on Saturday morning, Mrs. Sadie Morgan, wife of Henry Morgan, died at her home, 307 Fairview avenue, after an illness of about two years. Mrs. Morgan was a victim of consumption, which malady had been gradually prostrating her for a number of years. She was born in Factoryville and had resided on this side for about ten years. She was 40 years of age, an earnest and devout Christian woman, a church worker from childhood, and at her death an esteemed member of Simpson Methodist Episcopal church. The funeral will take place today. Undertakers Neville & Tague will convey the remains to the Delaware, Lackawanna and Western railroad depot, where the 12:37 train will be taken for Factoryville. An Exciting Runaway.
A horse attached to a light buggy and owned by William Squires, of Tenth street, took flight on Saturday afternoon on North Main avenue and ran away. The buggy collided with a telegraph pole near the Methodist Episcopal church and was completely demolished. The horse was captured on South Main avenue and was uninjured. Fortunately no one was in the buggy at the time of the accident.

NORTH END.
The death of Henry Peel, which took place on Friday at the Moses Taylor hospital by reason of wounds received in the Cayuga mine of the Delaware, Lackawanna and Western company, has occasioned a thorough investigation. Mine Inspector Blewitt, in whose district the accident occurred, notified Coroner Kelly to come and view the body. The coroner came according to instructions and viewed Peel's remains yesterday. A jury will be empaneled today, who with Coroner Kelly and Mine Inspector Blewitt will go down into the mine and view the scene of the occurrence. There are different theories as to how deceased came by his death. It is stated that Peel mistook the noise of a cart wheel in the west chamber for that of his own and advanced to the face to proceed with loading the coal. When close to the face he discovered the fatal error he had made. Too late to retreat, he realized the terrible situation and turned to flee, and just at that moment he was shot, went off and he received the wounds that caused his death a few hours later. The suspicious circumstances attending his death are sufficient to necessitate the holding of an investigation. The funeral of deceased took place from here yesterday. Interment in Hyde Park Catholic cemetery.
The North End Republican club held its usual weekly meeting at Finner and Chappel's hall on Saturday evening. The attendance of members was extremely large, owing to the fact that a gentleman, whose eloquence and oratorical powers are of no mean order, was present. The gentleman referred to was A. J. Colburn, who was the speaker of the evening. Good fellowship and enthusiasm was manifest throughout the proceedings.
