PRIZE WINNERS NOT ANNOUNCED

The Third Day of the Great National Saengerfest in Madison Square Garden is Brought to a Close by a Grand Concert in Which the Soloists Were Mme. Blauvelt, Mme. Tavary, Emil Fischer and Arthur Friedham. Today Ends the Carnival.

THE THIRD DAY OF THE GREAT NATIONAL SAENGERFEST

THE third day of the Saengerfest was occupied by the out of town delegates by sight-seeing in the forenoon, competitive prize singing in the afternoon and concluded with a monster concert in the evening. This completed the musical programme. About 6,000 people in all listened to the singing of the competing choruses. The music lovers present were rewarded by the most artistically rendered singing of the entire festival. The town federations with their well trained voices in different sections gave a diversity to the programme which the Sunday afternoon concert lacked. The twenty individual societies which sang in competition in the second class, also aroused considerable enthusiasm.

TODAY'S COMPETITIONS

The selection today was "Scherzacht," by Max Von Weizsaecker. The competitors were Columbia, Philadelphia; Concordia, Bridgeport, Conn.; Deutscher Saengerbund, Buffalo, N. Y.; Germania, Newark; Saengerbund, Washington; Arbeiter Saengerbund, Philadelphia; Williamsburg Saengerbund, Harmonia, Philadelphia; Orpheus, Pittsburg, Harmonia, Newark; Liederkreis, Scranton; Bayerischer Saengerbund, Newark; Arion, Quakertown, Pa.; Brooklyn, The Germania, Scranton, Allegheny City; Concordia, Philadelphia; Arion, Jersey City; Genang-Verein Liberty, Newark; Eintracht, Allegheny; Brookliner Saengerbund, Arion, New Haven. The Germania, of Newark; the Arbeiter Saengerbund, of Philadelphia; and the Arion Quartette club of Brooklyn, received the greatest applause.

THE EVENING SESSION

There was another big crowd of listeners as well as singers at the concert this evening. The soloists were Miss Lillian Blauvelt, soprano; Mme. Tavary, soprano; Emil Fischer, bass, and Arthur Friedham, pianist. The orchestra was composed of 150 pieces led by Heinrich Zoellner, musical director of the Liederkreis society of this city. The chorus contained about 3,000 voices comprising the United Singers of New York and vicinity. After the concert the singers were convivially entertained at the Arion, Liederkreis, Germania and other club rooms. Tomorrow the saengerfest will be concluded with a picnic and summer night's festival at Ulmer park, Grand-avenue beach.

WARM TIME AT ALTOONA

Delegates Representing Central Pennsylvania Miners Cannot Agree.

ALTOONA, Pa., June 25.—The sixty odd delegates who are here representing the miners of the Central Pennsylvania district have been having a warm time.

NATIONAL PRESIDENT McBRIDE IS PRESIDENT

and both he and District President T. A. Bradley have been untiring in their advocacy of the acceptance by the miners of the district of the 40 cent net rate. The majority of the delegates here, however, have been sent instructed to vote for nothing but the 50 cent net rate demanded when the strike was inaugurated, and thus the hands of the convention were tied. Finally, as a way out, one of the delegates offered a resolution to allow all individual miners who so wished to go to work at the 40-cent net rate. This was vigorously fought by the Clearfield delegates, who claim that it will leave them out in the cold, and at 9:30 o'clock tonight the resolution is still being discussed with but little prospect of a settlement being reached tonight.

Popular Prima Donna Wedded to Dr. Francis Wellman.

STAMFORD, Conn., June 25.—At 5 o'clock this afternoon Miss Emma Juch, the famous operatic artist, was married to Assistant District Attorney Francis L. Wellman, of New York city. The floral decorations were surpassingly beautiful.

The bride was met at the church door by a choir of forty-sung boys, who escorted the bridal procession to the altar front, singing as they marched the sweet bird song from "Lohengrin." At the altar she was met by the groom and his best man, ex-District Attorney Da Lancey Nicol.

MEDICINE FOR THE ANARCHIST

A Bill Introduced to Stamp Out the Viper in America.

CONGRESSMAN STONE'S REMEDY

He Prepares a Measure Calculated to Make the Existence of an Anarchist Unbearable in the United States.

WASHINGTON, June 25.—ONE result of the assassination of President Carnot was the introduction today by W. A. Stone, of Pennsylvania, of a bill defining the term "anarchist" and providing penalties for anyone who advocates, organizes, or employs in any foreign country which provides in writing or by verbal agreement, understanding or confidence, for the taking of human life unlawfully, or for the unlawful destruction of a building or buildings or other property where the loss of human life is the probable result of such destruction of property, shall be deemed an anarchist.

Any person being an anarchist as defined by the first section of this act, who shall attempt in the life of any person holding office, elective or appointive, or employed under the constitution and laws of the United States, or who shall attempt the destruction of any building or buildings or other property where the loss of the life of any such United States official or employee would be the probable result of such a destruction of buildings or other property, shall, upon trial and conviction of such offense in any circuit or district court of the United States, of the district where such offense was attempted, be sentenced to death by hanging, which sentence shall be executed by the marshal of the district in accordance with the sentence of the judge before upon the case was tried.

Speaking of the bill, Mr. Stone said: "This country is the natural hiding place and rendezvous of the anarchist. There are more of them in this country today, perhaps, than in any other. Unless we can restrict their coming and impose a severe penalty for their activities here, we may expect more frequent assassinations in the future."

"The bill introduced here today is hastily drawn. Its purpose is to call public attention to the absence in our laws of any penalty for any attempt to take the life of an official other than that imposed for aggravated assault with intent to kill."

"It will give congress an opportunity to perfect our laws in this regard. Of course congress can not legislate to restrict United States officials, but legislation for protection to others must be passed by the States. It may be thought hard by some that the death penalty should be visited upon an anarchist who attempts the life of an official of the United States. But I believe such persons are enemies to society and the country and should be exterminated, and the death penalty is not sufficient punishment for their crime."

SENATE TRIBUTE OF SYMPATHY. The senate met at 10 o'clock this morning and adjourned twenty minutes later as a tribute of sympathy and respect to the French republic in its national sorrow.

PARIS, June 25.—The Republican group in the chamber of deputies, 129 in number, have decided to vote for M. Casimir-Perier for president. The members of the extreme left held a meeting this afternoon. M. Gohbi presiding, and selected M. Brisson as their candidate. The socialist group have decided to back the vote of any capitalist or clerical candidate. The senate groups are undecided and are still holding meetings. M. Leonsay is mentioned as a candidate by some of his adherents.

President Carnot's body was taken to Paris on a special train this afternoon. The grand salon in the Elysee palace has been transformed into a funeral chamber. A military guard will be on duty in the chamber until the funeral, which probably will take place on Friday.

The rulers of all civilized countries have sent telegrams expressing to Madame Carnot their sympathy and sorrow. The concert has been closed and the races have been postponed. In all places frequented by politicians the accession to the presidency is discussed constantly.

Casimir Perier's chances seem to improve steadily. This evening he is a more conspicuous favorite than ever.

SINGLERLY SINGLED OUT. The Coming Democratic Candidate for Governor.

HARRISBURG, Pa., June 25.—It now appears to be practically agreed that William M. Singler, of Philadelphia, will be the nominee of the Democratic state convention on Wednesday, for governor. It is believed he will not decline the honor should it be tendered him. The opinion of all the leaders now here is that Mr. Singler will make a most acceptable candidate.

Various names are suggested for the other places on the ticket, with W. H. Rose, of Johnston, for lieutenant governor; David S. Magee, of Lancaster, for auditor general; and General W. W. Greary (Kentucky), chairman of the internal affairs, as probabilities. E. Wright, of Allentown, is mentioned as temporary chairman.

A Large Number of Delegates Assemble at Harrisburg.

HARRISBURG, Pa., June 25.—About 350 delegates are attending the Lutheran convention which began its sessions in the Bethlehem Tabernacle at Green and Cumberland streets this afternoon. They come from Philadelphia, Scranton, Reading, Lancaster, Lebanon and other cities. The convention is designed to arouse interest among the young people in Lutheranism and will probably be held annually. The afternoon programme was principally social in its nature

and only a temporary organization was effected with Rev. Dr. W. H. Singler as chairman and J. L. Sibbald, of Philadelphia, as secretary. Committees on permanent organization and other routine work, were appointed and the convention will get down to business tomorrow. Professor Mayer, the organist of the church, gave a recital at the close of the afternoon. Interesting addresses were made by S. C. Berger, of Gettysburg; Miss Gann Rogers, of Allegheny and others.

This evening Rev. Dr. Singler delivered the plenary address at the convention. He said that the Lutheran church is holding an indignation meeting in consequence tonight, claiming that the guard have no right to run the pumps, for while they are supplying water to the camp they are also pumping out water that accumulates in the camp.

There is said to be a spring in the camp and a well not far distant. In an effort to arrest a man this morning who had been endeavoring to converse with the new men at Anita, a scuffle ensued in which a man received a bayonet thrust in the neck. Warrants were sworn out today for Thomas E. Clark and four deputies and they will be arrested in the morning.

REPUBLICANS AT DENVER.

Honest Money Still Holds the Fort in the Very Citadel of the Free Silverites.

DENVER, June 25.—Twelve hundred Republicans are here to attend the meeting of the National Republican league. More are expected. The attendance bids fair to be much greater than anticipated. The large attendance from the silver producing section indicates that the friends of the white metal are ready for a vigorous campaign. The Missouri delegation has taken possession of the Windsor hotel, while the Ohio and Pennsylvania delegations, together with those from New York and other eastern points, are quartered at the Brown Palace.

President W. W. Tracy, president of the National league, the venerable ex-governor Richard Oglesby, treasurer, and Andrew B. Humphrey, the indefatigable general secretary, opened the National league headquarters this morning at the Brown Palace hotel, and were busily engaged in receiving and certifying to the credentials of the arriving delegates.

It is practically settled, however, that the platform will declare in favor of honest elections and a fair count, for protection to American industries toward reciprocity with friendly nations, for liberal pensions to soldiers of the war, for civil service reform and expurgation of the spoils from politics, and for America for the Americans. On the currency question the platform will declare for the use of both gold and silver as standard money, and for the equality of the purchasing and debt paying power of the dollar, whether of silver, gold or paper.

SYMPATHY OF ITALY. Telegrams of Condolence Sent to Premier Dupuy in Name of King Humbert.

PARIS, June 25.—The prominent members of the Italian colony in Paris are actively engaged in appending their own signatures and obtaining others to an address to the widow of the murdered president, expressing their horror at his assassination, and their sympathy and confidence with his family and country.

Several Italians were attacked by a mob on the Quai Montaballo today and the most strenuous efforts on the part of the police was required to save their lives. Subsequently anti-Italian demonstrations were made in front of the Italian embassy and consulate. Both were promptly suppressed by the police.

Premier Dupuy has received a telegram from Baron Blanc, Italian minister of foreign affairs, declaring in the name of King Humbert, the people of the kingdom of Italy, the two parliamentary chambers and the ministry, their detestation of the horrible crime and assuring him that all shared the grief into which France had been plunged by the hand of an anarchist—a man without a country.
