Were kept busy landing goods to the Economy last week. At least it would seem so if you had seen our receiving and stock clerks

Kept Hustling

To get their several departments into shape. Such jamming and slamming! Hammers and chisels were playing lively tunes on the back of Bedroom Suits and Sideboards and other articles.

NOW

We are ready for you. A better or larger stock never was presented for your inspection. Then there is our price--the Economy's price--that means a lower price than any other. Another consideration is 'Economy's Liberal Wait-a-While Paying System.'
