FOOT BALL SEASON OPENS.

School of Lackawanna and Carbonate High School to Contest. This afternoon an Alumni park the foot ball season for 1915 will open in Carbonada. There is great interest taken in the sport in this city and no doubt a large crowd will turn out to see the game.

The game will commence at 3.30 and the teams will line up as follows: Lackawanna—Phillips, center; Bell, right guard; Wells, left guard; Pond, right tackle; Ellis, left tackle; Rutherford, right end; Clark, left end; Cranor, quarter; Abbott, right half line; left half; Brown, full back. Carbonate—Kelly, center; Hockenberry, right guard; P. Eddy, left guard; Whitby, right tackle; Gillis, left tackle; Cranor, right end; S. Rettew, left end; Forbes, quarter; Rendleton, right half; F. Murrin, left half; J. Murrin, full back.

HOSPITAL FINANCES.

The Report of the Last Quarter Read at Meeting of the Board. At the regular meeting of the board of hospital trustees there were present Messrs. Walker, Norton, Jones, Moses, White, Shephard and Scott. A number of bills were presented and ordered paid. There was also some discussion as to the complete contents of the cellar, over which there has been considerable trouble.

The quarterly report of the treasurer ending Aug. 31 was read by Mr. Scott. The report was adopted and is as follows: From sundry contributions, \$37.72; payments for fire extinguishers, \$45; awning, \$28; painting fence, \$15; balance due on new addition, \$150; balance due on architect's fee, \$25; due for adjusted balance on new gas machine, \$57.

The maintenance account was as follows: Contributions, \$1,700; from pay and part pay patients, \$622; from state appropriation, \$786; paid out for groceries, \$215; for lighting, \$41; repairs, \$132; medical, \$164; surgical, \$60; salaries, \$325. The expenses were thus placed at \$2,383, with the receipts at \$2,318. Why the large account was actually received, it covered the collections for it nearly the entire year, as many of the accounts were just paid. The poor department has some patients there, and they are all paid at once, as are many others.

WON'T SIGN PAPERS.

The Mayor Refuses to Affix His Name to Three Measures. Mayor Hendrick has refused to put his name to three resolutions, which were given, each in a separate envelope, to him to sign. The reason for his refusal was because he was unable to decipher them, and could not make out their exact contents. He accordingly marked the three, "Returned without approval because they are unintelligible and indefinite. Please have the resolutions drawn in such a manner that there will be no question as to their meaning."

Injured His Foot. While working in the Hendrick Manufacturing company's shops, George Schormerhorn, a machinist employed at that place, met with a very painful accident, which will keep him from doing any work for some time. Mr. Schormerhorn was engaged in moving a large casting by the aid of a chain tackle and a bar of iron, which was fastened to casting, and he was caught and the piece of machinery fell on his foot, bruising it badly above the ankle and also near the ball of the foot.

Had to Reset the Wrist. Dr. Reed Burns, of Scranton, was in town yesterday attending James Nealon, the son of Mr. and Mrs. Nealon, of South church street. The lad some time since broke his wrist. The fracture was reduced, but on account of a jar received during the "knitting" period, the wrist was crooked. It was necessary to break it again and reset it. It is thought that the result will be favorable. Dr. Burns was assisted by Dr. Gillis, of this city.

The Injuries Not Serious. The many friends of Edward Dougherty, who was hurt at No. 1 colliery Thursday, will be glad to hear that the injuries received by him are not thought to be serious and he will eventually recover. Dr. Gillis, of the hospital staff, examined the unfortunate man and he says that unless some difficulty develops, which he cannot yet see, he will get well.

Joseph Bush Dead. Joseph, the 14-year-old child of Mr. and Mrs. Adam Bush, of Simpson, died this morning after a short illness of cholera infantum. The loss of the child is deeply felt by the parents, who have the sympathy of a large number of friends. The funeral will be held today at 3.30 o'clock. The interment will be made in Maplewood cemetery.

Mr. Bowers Not Dead. Thursday it was reported around the streets that Superintendent William Bowers, of the Delaware and Hudson mine department in this city, had dropped dead from heart trouble at Parkton. This report is false. Mr. Bowers has been in Saratoga for some time for his health, which now is much better, and he is expected home soon.

Death of Maggie Gerrity. Mr. and Mrs. James Gerrity, of Powder mill road, are called upon to mourn the death of their 6-month-old child after a brief illness of cholera infantum. The parents have the sympathy of the people living in that vicinity. The funeral was held yesterday afternoon at 3.30 o'clock. Interment was made in St. Rose cemetery.

Improvements at No. 1. The Delaware and Hudson company are about to make some much needed improvements at No. 1 mine on the gravity road. The electrical and masonry are almost complete for a new

WRECK ON THE VALLEY.

An Engine and Ten Cars Dropped into the Lehigh Valley. A very costly wreck—and yet very fortunate in that there was no loss of life—occurred on the Lehigh Valley railroad at noon today at a point near Stony Creek, a small station below White Haven. A loaded freight train was bound from Packerton to Coston. The engineer saw a large tree falling on the track about 200 feet ahead of him. He reversed the lever, shouted to the fireman, and then both jumped. Fortunately they escaped serious injury. The other trainmen saw the danger and also saved themselves by jumping. The train dished on and crashed into the obstruction with such force that the engine and ten cars heavily loaded with mephadine were thrown over the embankment into the Lehigh river.

The train, in falling, destroyed the telegraph line, and news of the wreck was therefore very scarce. The engine which pulled the wrecked train was 42. The tracks were blocked, and express train No. 1, due here at 1.18, was delayed for several hours.
