SUNDAY SCHOOL INSTITUTE.

The meeting held in the First Presbyterian Church.

A Sunday school institute for the district No. 5 was held on Tuesday evening in the Presbyterian church. Dr. Fletcher, the presiding officer, stated the purpose of the institute and appointed a nominating committee to present the names of six candidates representing different schools. The committee was as follows: William Male, Presbyterian; W. F. Nye, Baptist; Pierce Butler, Methodist; Miss Maud Harnden, Episcopal.

Devotional services were conducted by Rev. Charles Lee. The theme of the institute was stated by Dr. Fletcher. "The Sunday School Teacher and His Preparation." Mr. E. E. Harnden took as his subject "Teachers' Meetings," and gave a very practical talk upon the necessity of united effort. Miss Amanda Curtis urged the need of Bible study by every teacher and gave a very thoughtful address, using a chart of the book of the Acts of her own construction, thus illustrating her subject. Mr. L. F. Hoover of Scranton, then considered the subject, "What a Teacher Should Know." He gave a very practical address and spoke in an interesting way that pleased his hearers. The nominating committee presented the following as officers for the coming year, who were elected by acclamation: President, F. E. Kilpatrick; vice president, J. H. Hoyt; secretary, Charles Geary; treasurer, Maud Harnden; executive committee, W. G. Jones, W. W. Watkins. The music was directed by a quartette, consisting of Misses Rygnor and Unger, Professor A. P. Thomas and Max Lathrop. Miss Fannie Dole played the accompaniment. Before adjournment Rev. Chas. Lee moved a standing vote of thanks to those whose names were on the programme.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is proof positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, cures every case of that painful complaint, in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effect following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp Root is soon realized. There is no other remedy so successful in curing the most distressing cases. If you need a medicine you should have the best. Sold by druggists; price fifty cents a bottle. For a sample bottle and pamphlet, both sent free by mail, mention Tribune and send your full postoffice address to Dr. Kilmer & Co., Poughkeepsie, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

WHAT IS YOUR TRADE?

Each Trade or Occupation Has Its Special Disease.

It is well known among medical men that certain diseases are more readily developed in certain occupations than in others. That each occupation has its attendant physical weakness. Engineers, railroad men and similar occupations suffer mostly from kidney troubles and men who are often exposed to the weather suffer from rheumatism, while clerks and professional men, in fact the army of people whose business keeps them indoors, are often times great sufferers from piles and constipation. In this connection the following letter is of interest to people whose occupation will not allow sufficient outdoor exercise.

Mr. A. F. Calhoun, notary public and jeweler and watchmaker of Circleville, W. Va., writes as follows:

I had been a severe sufferer from piles for years, but had not many remedies with but little benefit, when about three years ago I saw the Pyramid Pile Cure advertised and sent for it.

I was badly afflicted when I got them, but after only two applications the piles disappeared and from that day to this I have never felt a symptom of the disease.

I feel that I cannot recommend them too highly to sufferers from piles.

The Pyramid Pile Cure, free from cocaine, opium or any mineral poison, absolutely safe, pleasant and painless; sold by druggists at 50 cents per package. If there is any constipation the Pyramid Pills should be used with the cure. The pills are 25 cents per package.

Any druggist will tell you that the Pyramid is the best known and most successful and popular pile cure ever placed on the market and its reputation as a safe and radical cure has only resulted from the personal recommendation of people who have been cured of this distressing ailment.

Sent to Pyramid Co., Albion, Mich. For a free little book on cause and cure of piles.
