YESTERDAY MORNING'S FIRE.

Stock of Furniture of Wall & Barrett Damaged to Extent of \$1,500.

The alarm of fire was sounded from box 35, corner of Main avenue and Jackson street, yesterday morning was occasioned by the discovery of flames in the collar of the store room at 121 South Main avenue. The place is occupied by Wall & Barrett as a furniture store. The fire raged for about half an hour and the stock of furniture was damaged to some extent by the flames and water. The Columbia and Franklin responded to the call, and discovered the flames eating their way through the front part of cellar, and it was necessary to cut an opening through the stoop to subdue them. The clouds of smoke hindered the firemen somewhat in fighting the flames. After the opening had been deluged with water, the fire was brought under control. The origin of the fire is not known. Mr. Wall was in the cellar a short time before the fire was discovered, showing goods to a customer, but did not notice any sign of fire at that time. After he had been in the main store room a short time, the place began to fill up with smoke and it was with difficulty he escaped through the rear of the store, jumping to the ground, a distance of about eight feet, and injuring his hand by striking against a board. Mrs. Barrett, mother-in-law of Wall, who is the other member of the firm, estimated the damage at about \$1,500, on which there was an insurance of \$1,000, carried in the agency of Phillips & Holmes. The damage to the building is slight. The store room is located in the "Banner Block" and the building is owned by the Phillips estate.

ter hearing the evidence the alderman committed Green to the county jail to await the action of the grand jury. Constable Lawrence Rooney took the prisoner to jail last evening.

Ranging in individual ages from two to 100 years, they represent the best specimens of the Asiatic, African, Ceylon, Java, and Borneo varieties. The one herd is the splendid and intelligent Adam Forepaugh collection, dating half a century back and which has been in on continuous exhibition and in training ever since. The other

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment settling indicates an unhealthy condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It is a mild and pleasant urtic and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention the Scranton Tribune and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
