YESTERDAY'S FUNERALS.

Mrs. Ann Evans and John Cadden Laid at Rest.

The funeral services of the late Mrs. Ann Evans were held at the residence on Sweetland street yesterday afternoon and were attended by a large number of the friends and relatives. The floral offerings were very beautiful and profuse.

Rev. D. P. Jones, pastor of the Tabernacle Congregational church, of which the deceased was a faithful member, preached an eloquent and touching sermon. The deceased lady had long been identified with the progress of the church and her demise will leave a gap hard to fill among the church workers.

The cortege which accompanied the remains to the cemetery was large. Interment was made at Washburn street cemetery. Following are the pall bearers: Rees Lloyd, John W. Evans, Richard Williams, Evan Evans, John B. Evans and Samuel Rogers.

The funeral services of John, the bright and interesting son of contractor and Mrs. M. A. Cadden, were held yesterday afternoon at the late residence of the bereaved parents on Luzerne street. There was a large attendance of friends of the afflicted parents and many beautiful floral offerings from the little friends of the deceased. Interment was made at the Hyde Park Catholic cemetery.

turned from a week's visit at New York city.

Mrs. Gerrity, of Tenth street, leaves today to spend the summer with friends in New York city.

Mrs. William Wrigley, of Twelfth street, is entertaining Miss Lou Miller, of Wilkes-Barre.

Misses Lizzie Heizer, of South Main avenue, and Edna Saxe, of North Main avenue, are visiting friends at Ashland.

Mrs. Philip Reitenauer, of Hampton street, has returned from a visit at Honesdale.

Mrs. D. L. Morgan, of North Hyde Park avenue, has returned home from a visit with friends at Hawley and Honesdale.

Mrs. George B. Reynolds, of North Main avenue, has gone to Reading to visit her parents.

R. W. Walker, sr., of Division street, is again able to be out. Mr. Walker was severely injured some time ago while engaged at his work as a bridge foreman for the Delaware, Lackawanna and Western company.

PROVIDENCE NEWS.

Number of Boys Arrested for Petty Thefts—Accidents in the Mines.

Minor Matters.

For months past people residing in the vicinity of West Market street and Brick avenue have been bothered considerably by a number of petty thefts committed by a gang of youths. The depredations of late have become such an annoyance that the residents decided to take action.

A close watch was kept on the movements of the youths and they were seen to enter the barn of Jerry Atherton on Market street and take therefrom a box of carpenter's tools. The boys were identified and warrants sworn out for their arrests.

They were arrested last evening by Patrolmen Johler and May. Their names were entered on the police docket as follows: John Loftus, Edward Cafferty, Michael Calvey, David Perry, James Cafferty, Patrick McAndrew, and Charles Barrett. At the hearing before Alderman Roberts last evening the boys confessed the thefts. The depredations of late have become such an annoyance that the residents decided to take action.

MINOR NEWS NOTES.

The public schools will close on Friday for the summer term vacation. Thus far but one of the West Side schools have signified any intention of having exercises. The one is No. 14, Professor James R. Hughes, principal. For the occasion this afternoon an elaborate programme has been prepared consisting of declamations, singing, recitations, etc. The parents and friends of the pupils will attend.

Dr. E. Y. Harrison, Dentist, Mears Hall, 113 S. Main avenue.

Next Sunday is children's day at the Simpson Methodist Episcopal church.

The funeral services of Willie, the son of Mr. and Mrs. William Morgans, will occur this afternoon at 2:30 from the late residence, near the Archbold mines. Interment at Washburn street cemetery.

The ladies of the Simpson church whose initials range from A to E will serve an initial supper in the church parlors this evening from 6 to 8 o'clock, after which a short entertainment will be held.

The latest and best styles, Roberts, 128 North Main.

A free entertainment will be given at the Sumner avenue Presbyterian church this evening, commencing at 7:45 o'clock. A programme of exercises has been prepared which includes some of the best local talent. Following the entertainment the Ladies' Aid of the church will serve ice cream and strawberries. A cordial invitation is extended to the public to be present.

About a month ago Mrs. Emma Swartz, of Meridia street, was before Alderman Miller, of the Eighth ward, charged with being a common scold. Mrs. Scott, of Meridia street, testified against her. Yesterday Mrs. Swartz had Mrs. Scott brought before Alderman Owen D. John, of the Fourth ward, on a charge of perjury. Mrs. Scott was held in \$500 bail for her appearance at court. The bail was furnished.

Mr. and Mrs. John Doyle, of North Bromley avenue, gave a progressive euchre party Monday night for their guest, Miss O'Connor, of New York city. The first prize for ladies was won

MINE WORKERS INJURED.

Paul Skarawski, a laborer in the Dickinson mine, met with a painful accident yesterday morning. It appears that his miner had prepared a blast and sent Skarawski to the adjoining chamber to give the signal. The man, however, lingered too long in the place. The shot went off and broke through the wall of coal that separated the chamber. Flying coal struck Skarawski in the face and upper portion of the body, inflicting him severely. He was taken to the Lackawanna hospital.

While employed at his duties as miner in the Cayuga mine yesterday George Pedley was seriously injured by a large slag falling on him. He was conveyed to the Moses Taylor hospital. James Padden, of the High Works, employed as a footman in the Cayuga mine, was struck yesterday on the arm by a piece of coal that fell down the shaft. His arm was badly fractured.

A WORTHY OBJECT.

Classes No. 16 and 21, of the Methodist Episcopal church, will conduct a concert this evening in the parlors of the church for the benefit of the Sunday school library, hoping thereby to secure enough money to replenish the library with books. The following is the programme.

Mrs. William Miller, of Brook street, has returned from Mauch Chunk, where, for the past few days, she has been the guest of friends.

The case of Michael Marlon, who charged Thomas Dougherty with breaking a window in his (Marlon's) house, was tried before Squire Cooney last night. As no evidence was produced the case was discharged.

Miss Mattie E. Spittigue, of North

SUES CHILDREN FOR SUPPORT.

Samuel Vail, of This City, Takes Advantage of a New Law.

Samuel Vail of this city is the first man in this county to take advantage of the law recently passed by which parents can compel their children to support them.

He avers in his affidavit that he is aged and infirm, and that although his seven children are fully able to provide for him they refuse to do so.

The proceedings are directed against De Witt Vail, of Carbondale; Henry Vail, of Carbondale; Andrew Vail, of Greenfield; John Vail, of Jersey, and Joseph Vail, of Forest City. His other two children, Frank Vail, of Hoytville, Mich., and Phoebe Holmes, of Albany, N. Y., escape the prosecution by reason of their being beyond the reach of the state law.

The plaintiff lives with his step-daughter and it is alleged the children agreed to reimburse her for his keeping. They failed to do so upon proper demand and hence the suit. Vosburg and Dawson are his attorneys.

REMARKABLE SUCCESS OF A NEW PILE CURE.

People who have suffered for years or months from the pain and inconvenience of that common disorder, piles, will look with skepticism upon the claims of the makers of the new discovery for cure of all forms of piles, known under the name of Pyramid Pile Cure; nevertheless the extraordinary cures performed by this remedy are such as to warrant the investigation of any sufferer. As a case in point the following letter speaks for itself:

Mr. Henry Thomas, of sub-station No. 3, Hosack ave., Columbus, Ohio, writes as follows:

Pyramid Drug Co.:
Gentlemen—I want you to use my name if it will be of any use to you. I was so bad with the piles that I lost work on that account. Nothing did me any good. I read in Cincinnati of the many cures made by the Pyramid Pile Cure and I went to a drug store and asked for it. The drug clerk told me he had something else that he thought was better, but I told him I wanted to try the Pyramid Pile Cure. This first box made me so much that I tried another and then to complete the cure used two more boxes making four in all. I am now completely cured. Have not a trace of piles and I had suffered for four years with the worst form of piles.

I suffered death from piles, but I have found the Pyramid Pile Cure to be just as represented. I have recommended it to several of my friends and I am thankful to be able to write you what good the remedy has done for me.

Physicians recommend the Pyramid Pile Cure because it contains no opium, cocaine, or mineral poison of any kind and because it is so safe and pleasant to use, being painless and applied at night. The patient is cured in a surprisingly short time with no inconvenience whatever.

The Pyramid Pile Cure is sold by druggists at 50 cents per package, and if there is any constipation it is well to use the Pyramid Pills at the same time with the Pile Cure, as constipation is very often the cause of piles and the pills effectually remove the constive condition. Price of pills is 25 cents per package.

Write to Pyramid Drug Co., Albion, Mich., for little book on cause and cure of piles; sent by mail free.

THE FIRE DEPARTMENT.

Not a little rivalry has been created among the permanent men of the fire department by the recent tour of inspection of the city officials. One of the features of the inspection was a test which showed the length of time required to take the apparatus out of each house. The time varied from 16 to 34 seconds according to the skillfulness of the permanent men and the character of the apparatus, surroundings, etc.

Edward Kneiser, the permanent man of the Century company, made the best time in the official test. He got the two horses and hose wagon of the company out of the house in 16 seconds and that, too, with the disadvantage of a very low ceiling and some other minor handicaps. The permanent men at the Phoenix house got the chemical engine out in 16 1/2 seconds and the record for getting a steamer out of the house. They did the trick in 13 seconds.

Louis Farber of the Relief Engine company got the two horses and hose wagon of that company out in 17 1/2 seconds and on a later unofficial test reduced the time to 12 seconds. Farber is accounted one of the best horsemen in the department. Good time was also made by the Excelsior company, of Providence.

Many of the permanent men have gone systematically to work to train the horses in their care to respond in a more intelligent manner with a view to cutting down the length of time it requires to get out of the houses to alarms of fire. Some of the horses demonstrated that they had been carefully trained in that respect, but the actions of others left much to be desired. The first few minutes after an alarm of fire is so critical, and the momentary one and whatever tends to cut down the length of time which must intervene between the alarm and the arrival of the firemen is to be encouraged. Constant practice by the permanent men and careful selection and training of horses for fire department work will do much to increase the appearance of firemen at the point where their services are needed.

It was shown by Monday's and Tuesday's tests that most of the automatic appliances used to open the doors of engine houses work altogether too slow and invariably break down. It is suggested that doors in nearly every instance open inwardly. As a remedy for this the building inspector Nathan suggested that all of the doors should open outwardly and be so arranged that when closed they would swing at an angle of about 45 degrees with the apex of the angle pointing toward the street. By that arrangement the doors could be opened in less than one-half the time they are at present, because they would have no resistance to travel and there would be a greater saving of time than this for the horses could start from the building the moment the doors began to open. In consequence of the doors swinging back into the building, the horses have to be held back until the doors are fully opened and back out of barn's way.

Nearly all of the buildings rented by the city for the department purposes are sadly unsuited to the needs of the company. The one notable exception is the building occupied by the William Connelly fire company, which suffers nothing by comparison with the buildings owned by the city. In all of the other rented buildings the ceiling of the first floor are so low that the drop harnesses cannot be properly swung and the driver is in great danger of injuring himself every time he gets on the box of the wagon. This is particularly true of the Century Hose house and the building occupied by Relief Engine company of Petersburg.

The building owned by the Cumberland company is nothing better than a barn and during the long winter months the wind whistles through the cracks and it is almost impossible to keep the place warm. The cheap wall paper that was stretched over the rough hemlock boards in the meeting and bunk rooms on the second floor is cracked in a hundred places and gives the apartments a very disagreeable appearance. Fortunately the Cumberland boys will suffer nothing by having quarters of their own.

No building owned by the city stands in greater need of immediate attention than the building on West Market street occupied by the Liberty and Niagara companies and also used as a police station. It is vile beyond description.

Picked 'Em Up Cheap

The weather is just beginning to make it possible for the ladies to generally adopt the jaunty, airy looking shirt waists that fashion has designed for the present season, but manufacturers have got through making up for this season fully a month ago.

WE MADE AN OFFER LAST WEEK

To clean up the stock of a well-known New York firm. They didn't seem to take kindly to it at first, but finally accepted it, and on Tuesday, the first delivery came to hand. We may say that we've handled the same makers goods for three seasons consecutively, and we guarantee the garments offered at this sale to be fully equal in materials, making, styles and finish, to anything we have ever sold at any price.

We Are Not the Losers Here

The season is still young and there is no good reason why we should be. The manufacturers did lose money, however, and their loss is your gain.

5 GREAT BARGAIN LOTS

- Lot 1, 69c.**
The best Shirt Waists that we have previously sold this year at \$1.00 and \$1.50 are fully equal in this lot. Patterns are exceptionally choice and the selection is practically unlimited.
- Lot 2, 89c.**
The average value of this lot is about \$1.25. A very few may be worth a shade less, but \$1.25 is a fair, all over value. Nothing later out in materials or cutting, and the sale price is only 89 cents.
- Lot 3, \$1.19.**
If dainty making and excellence of quality count for anything in your eyes these Shirt Waists will at once win your fancy. Identically the same goods have been sold by us this season at \$1.37 1/2 and \$1.50. The sale price is \$1.19.
- Lot 4, \$1.39.**
Few buyers want finer waists than are represented in this lot. None are worth less than \$1.75, and there are not a few that women of taste would willingly pay more for. They're a great high grade value at \$1.39.
- Lot 5, \$1.69.**
These are high class waists in the strictest sense of the word, and represent exclusive novelty styles. We sold the same qualities last week at \$2.00, \$2.25 and \$2.50, but of course cannot maintain the prices against the extraordinary values represented in this special purchase. The sale price is \$1.69.

SALE OPENS THURSDAY, JUNE 17.
