### COULDN'T HIT SAFE.

Miners Swatted Hard and Often, but the Ball Was Always Caught. Almost Blanked.

Providence, R. I., June 29.—The game between Providence and Scranton today was one-sided because the home team was hitting the ball free with men on bases. The Scranton's evaded the ball hard and steadily but Hodson kept them hitting in the air and with dashing fielding support was able to hold them down to five hits.

The Miners would have been shut out but for a line drive over left fence in seventh.

In the third Hodson was hit by a pitched ball and Weiland got called balls. They advanced on a clever sacrifice by Lyons and scored on Knight's triple. Knight scored on a hit by Dixon which Bonner tried for but it bounced away.

### BONNER'S FINE CATCH.

A fine one-hand catch of a line hit was worked by Bonner for a double play in the fifth and it shut out runs. In the sixth a hit by Drauby, a bunt by Cooney, which Gillon failed to pick up, with Bassett's sacrifice, a wild pitch and a hit by Murray produced two runs.

Dixon's single and doubles by Drauby and Cooney in the seventh made the score 7 to 0. The lead would have been bigger but for Massey's jump in the air and a capture of a drive from Knight that would have been good for three bases.

Then Eagan opened for Scranton with his homer. Weiland put his homer over the centre fence in the eighth inning. Three singles with a sacrifice produced the ninth run for Providence. Scranton had men on second and third in the eighth and ninth, but were shut out.

### DIAMOND DUST.

### Dan Shannon Will Manage the Wilkes-Barre Team--Montreal Is Still Anxious for the Wilkes-Barre Franchise.

Dan Shannon, released by Rochester, has been engaged to manage the Wilkes-Barre club, according to the Wilkes-Barre News-Dealer of yesterday, which contained the following: "Daniel Webster Shannon, Esq., Monday afternoon affixed his delicate Spencerian signature to a Wilkes-Barre Baseball contract. Dan says there is good material in the Coal Barons and he will make them play better ball than they are doing now. Two years ago when Dan and the Wilkes-Barre management had a disagreement Dan said: 'I wouldn't play under the present management for fifty cents a month.' The management has not changed and Dan is getting well, and quite \$9,000 a month. Shannon will join the team at Springfield on Wednesday." According to the contract Shannon is to play second base and manage the team. It is not likely he will play until it is certain that Shotta is too light to cover second base.

### Those Montreal enthusiasts haven't lost hope of securing the Wilkes-Barre franchise as indicated in the following Associated Press dispatch to The Tribune last night:

"Montreal, Que., June 29.—With a view to securing admission of Montreal into the circuit of the Eastern League of Base Ball clubs, the Montreal Base Ball association has been formed with a capital of \$10,000. The intention is to buy out the Wilkes-Barre franchise, which, it is understood, can be secured on reasonable terms."

### There may have been some new deal on the quiet with the Wilkes-Barre association, but the engaging of manager Dan Shannon doesn't indicate it.

### SPORTING EDITOR OF THE TRIBUNE.

Dear Sir: Please inform me through your valuable paper if the New York base ball club offered to purchase the release of Left Fielder Eagan, of the Scranton club for \$1,000, or if they ever negotiated for him.

### BASE HITS.

"Stump" Weidman, the ex-National league pitcher and Atlantic league umpire, has been engaged to manage the Rochester club.

### It is whispered that DeLahanty, released by Kansas City, will take the place of either Garry or Bannion in the Syracuse outfield.—Buffalo Express.

### Notoriety in the Corbett family has shifted from Pompadour Jim to Twirler Jon, and Jim is pleased to be known as the brother of the now famous Corbett.

### A Toronto dispatch says: "Manager Ruckenberg, of the Stars, while here, said that he would protest the eight game won by Toronto on the ground that some

of the Toronto players are farmed out by Washington. Those interested in the Toronto club claim that all formalities have been complied with, and that there is nothing to fear from Ruckenberg."

President Leimgruber wants it understood that in his opinion Umpire Gruber is utterly unfit to officiate in that position. He said to an Express reporter that out of thirteen games umpired by Gruber the Rochester had lost eleven. Previous to Gruber's appearance on the diamond they had won five or six straight. Gruber may occasionally give Rochester the worst of it, but he certainly did no such thing in Buffalo. As a matter of fact, it was just the other way. In Friday's game, for example, he had four close decisions to make, and three of those were given in Rochester's favor. And yet Leimgruber kicks. What Leimgruber et al. need is a lot of real ball players and less interference with the manager.—Buffalo Express.

### RACE MEET BEGINS TODAY.

All the Horses Entered Are at the Driving Park.

Today the three days race meet begins at the Scranton Driving Park under the direction of Wilbur A. Rice, the new manager of the park. The indications point to the most successful meeting ever held in Scranton.

Last night every horse entered for the races was at the driving park which is something most unusual in racing circles.

There will be three races each day besides running races today and Friday. Last night every horse entered for the races was at the driving park which is something most unusual in racing circles.
