Captain White announces that all civilized white and respectable colored people are at liberty to hunt on his lands. A HAPPY COUPLE. How many people are suffering with chronic catarrh, have been suffering with that loathsome disease for years, and can not find a cure. The doctor, in whom they have implicit faith, can do them no good; they are perfectly discouraged, and after squandering a large sum of money in vain attempts to find a cure, accept the inevitable for that which suppose to be the inevitable and settle down to a life of misery. The following is a letter written by C. R. Hardin, of Evansville, Wis., who had been a sufferer with catarrh for 15 years; his wife had been troubled with the same disease for 25 years. They heard of Pe-ru-na and were both cured. The letter reads: "In the first place, I cured my wife of chronic catarrh, with which she had been troubled for more than 25 years. Her breathing was so bad that she could not sleep on her back at all, but in a short time I was cured with perfect ease. I was also troubled with catarrh for 15 years, of which the Pe-ru-na has entirely cured me. I am no more troubled with the choking which the catarrh produced, and I am able to sleep well, which I could not do when I had the catarrh. A short time ago I was taken with a severe cold and my wife gave me the doctor's medicine for it, and I grew worse all the time. She then got a bottle of Pe-ru-na, and in a short time I was entirely well. Some time ago my youngest son had the grippe and the disease seemed to settle in his lungs, producing a cough which was very distressing. We procured the best medical aid for him that we could find, but it did not do him any good. I was then told of Pe-ru-na and his hemorrhages stopped, and he soon got up and went to work. He has had no more hemorrhages." This gives a faint idea of what Pe-ru-na is to a great many families. It takes the place of the family physician and is of wonderful benefit to the many lives that would otherwise need the care of a physician. Dr. Hartman has written a very interesting little pamphlet on catarrh, which will be sent free for a short time to any address. Send your letter to The Pe-ru-na Drug Manufacturing Company, Columbus, Ohio. Ask your druggist for a free Pe-ru-na Almanac for 1898.
