SELECT COUNCIL'S WORK.

Sweltered Over City Business at a Regular Session Last Night.

Select council had a full attendance last evening. Among other things a bill of \$25 from the Lackawanna Safe Deposit company was ordered paid. It seems that when the city hall was remodeled the city rented a vault of this company and failed to return the keys; hence the bill.

The flag and pole resolutions were referred to the building committee.

A committee of South Church street residents protested against the removal of the hydrant at Ninth avenue and Church street. The ordinance was amended to suit their wishes and passed as follows:

There shall be erected one new hydrant on Rock street near property of George Cox, one on Fall Brook street at the corner of Fairview street, one on the West Side at property of John Scott, one on Gordon avenue at property of Peter Lynch, one on Canaan street at property of John McCabe, one on Copeland avenue at corner of Birkett street, one on Fort-second street at Fairview street.

The hydrant at William Maxwell property on Belmont street shall be changed and placed at property of John Santanna on said street. The hydrant at corner of Thorne and Canaan streets shall be changed and placed at the corner of Mitchell and Canaan.

MASTER MECHANIC JOHNSON.

He Succeeds C. E. Rettew in the Service of the Delaware and Hudson.

The most talked of railroad change that has occurred in a year was the announcement yesterday of the appointment yesterday of W. R. Johnson, foreman of the locomotive shops in this city, to the position of master mechanic of the Delaware and Hudson's Pennsylvania division, to succeed C. E. Rettew who has held the position for the past twelve years.

Mr. Rettew did not succeed S. H. Dutterer, deceased. His immediate successor proved unsatisfactory and

What Headaches Mean.

The dreadful headaches which women suffer mean a diseased condition of the delicate organism of womanhood and are often added to this the digestive functions are out of order, these two conditions cause nearly all the headaches from which women suffer.

There are two great remedies specially adapted to these ailments invented by the chief consulting physician of the famous Invalida Hotel and Surgical Institute of Buffalo, N. Y., Dr. R. V. Pierce. His world-renowned "Favorite Prescription" is the most successful medicine ever known for the cure of distinctly feminine ailments and his "Golden Medical Discovery" is the most effective cure for digestive disorders.

Taken in conjunction they completely rejuvenate the nervous system of weak and debilitated women; giving health, strength and capacity to the nerve-centers, renewed power to the blood-making glands and energetic force to the entire body.

A lady living in Jackson Co., Ohio, Mrs. W. T. Stinson, writes: "I had female weakness very bad for nearly three years. Had dragging down pains and above my hips and such dreadful pains in the back and top of my head, just as though someone was lifting me by the hair. Had no ambition, weight to lose a few days then would have to be in bed for a long time. No tongue can express the suffering I endured. I had much pain at monthly periods. I doctored most of the time with no good a physician as there is in the state, but had no ease only when I was quiet and my feet and when I had more or less pain in my head. When I began taking Dr. Pierce's medicine I weighed 150 pounds, and was very pale and weak. Took twelve bottles of the 'Favorite Prescription' and seven of the 'Golden Medical Discovery.' Now I feel like a different person. Have no pain in my head, can do all my work for self, husband and one child; am gaining in flesh. I feel as though God's mercy and your wonderful medicines had saved my life."

Where constipated conditions exist Dr. Pierce's mild and agreeable "Pleasant Pellets" should be occasionally used in connection with the "Prescription."

was soon retired. The company then sent to the Baldwin works for a man and the choice fell upon Mr. Rettew. He has served one term as mayor of the city and been prominent in politics for several years. During his residence here he has accumulated considerable property.

The appointment of Mr. Johnson is considered the just reward of merit. He served his apprenticeship with the Delaware and Hudson, and by years of application to theory and wide experience in practice he has made himself one of the best mechanical engineers in this section. He possesses many other qualities which fit him for his new duties among which is the hiring of the locomotive engineers and firemen.

OBITUARY.

Several Well Known Persons Pass Into the Great Beyond.

Mr. and Mrs. F. M. Tallman, of No. 137 South Church street, received a telegram yesterday morning from Camp Alger informing them of the death of their son, Charles W. He enlisted in Company H, of the Thirtieth Pennsylvania volunteers, on June 18. On July 4 he suffered a sunstroke. Since that time he has been confined to the division hospital at Camp Alger. The worry of being away from home at such a time seemed to bear heavily upon him and hindered his recovery to a great extent.

He was born in New Milford, February 6, 1872. He was consequently in his twenty-seventh year at the time of his death. He came to the city with his parents several years ago. During his residence here he made many friends. He was a popular young man with all who knew him.

Besides his father and mother the immediate relatives who survive him are four sisters and one brother. They are Carrie, Ellen, Ada, Celia and Budd. The remains will be brought here and taken to Jackson, Susquehanna county, for interment.

SAMUEL COLE.

Samuel Dulton Cole died yesterday morning at 9 o'clock at the home of his daughter, Mrs. Samuel Lingfelder, No. 26 Birkett street. Deceased had reached the extreme old age of eighty-eight years. He had been ailing for several months and his death was due to the infirmities incident to old age.

Previous to his recent illness he showed remarkable activity for one of his years, and had the use of his faculties to an unusual degree. He was originally from Otsego county, N. Y., but had been a resident of this section for a long time. For the past nine months he had made his home with Mrs. Lingfelder.

THOMAS HIGGINS.

Thomas Higgins, of Brooklyn street, died Sunday night. He was a native of Donegal, Ireland, where he was born seventy-one years ago. He was a blacksmith by trade. He is survived by his wife, two sons, Joseph and Thomas, and one daughter, Mary, who lives in New York.

The funeral will be held Wednesday afternoon at 2:15 o'clock. Interment will be made in St. Rose's cemetery.

MRS. THOMAS SHULTZ.

Mrs. Thomas Shultz passed away Sunday morning at her home on Park street. Her death was due to valvular disease of the heart. Deceased was formerly Miss Emma Heine, of Archibald. She was married to Thomas Shultz about six years ago, and since that time has resided in this city. She was born in Archibald on August 18, 1871. Her husband but no children survive her.

The funeral will be held today. Short services will be conducted at the house and the remains taken on the 12:30 train to Archibald, where interment will be made after services in the German Lutheran church.

FELL DOESN'T OWE SCRANTON.

The following communication addressed to the Leader explains itself: I notice in last Friday's Leader a statement made by the Carbondale poor board that Fell township owed Scranton \$172.28, which is not so. Fell township does not owe them one cent and our lawyer will say the same. Another item in Saturday's issue headed "A Disputed Residence," in which the Scranton poor board states that one Henry Mallin, which should be Henry

Martin, does not belong to them, but we claim he does. He has lived in this district for sixteen months and paid rent for nine months and the law says if a person pays ten dollars in rent or taxes he gains a legal residence. Now, Henry Martin's bill is not much. We save \$11 in provision orders to John D. Kennedy, in Vandling, cost of relief order one dollar; two trips to Scranton, four dollars, including train fare and time, which I think very reasonable. Henry Loftus, Overseer of Poor of Fell Township.

SCRANTON CONTRACTOR GOT IT.

William Collins, who had the contract for building the river wall north of the Sixth avenue bridge, has subject the job to Contractor Muldoon, of Scranton. As this was the first contract of the kind that Mr. Collins has undertaken he met with many difficulties that he had not foreseen. The work, as a consequence, has progressed slowly. Mr. Muldoon is one of the biggest contractors in this section. He has a large plant and a big force of men always ready. He sent one of his foremen, Mr. Carmen, to this city yesterday to take charge of the work. It is expected that a large force of masons will be at work tomorrow.

JERMYN AND MAYFIELD.

Some system should promptly be arranged, so that when there is an alarm of fire but one company will respond to certain boxes, unless a second alarm is sent in for help. It is a long, hard pull for the East Side company to run over to the West Side if it is not necessary, and the same for the West Side company to run to the East Side; and if teams respond to the alarm it
