**WAY MEMORIAL DAY WILL BE OBSERVED**

**DECORATING THE GRAVES IS THE MAIN FEATURE.**

In the Afternoon There Will Be a Parade Followed by Memorial Exercises of Griffin Post in the Post Rooms—Entertainment in the Lyceum—Colonel Monies Post Will Have Exercises in Guernsey Hall in the Evening—Services the Ladies Will Conduct.

Once more in the onward movement of yearly events the day sacred to the memory of valiant heroes fallen in battle or since dying and laid to rest, has come and today is ushered in with the feeling of reverence and desire to offer some token of grateful remembrance.

Memorial day this year has an added significance. To the long list of the men who were active in the stirring days of the Civil war and are now but memories, are added those who fell while in line for or actually doing the duty of saving the country during the late war. The feeling toward the former is not lessened by the increased duty owed their memories, but rather is deepened and strengthened in the new phase it presents.

Today at 9 o'clock in the several cemeteries in and near the city will be heard the assembly. A detail of the comrades who remain will perform the beloved duty of decorating the graves of the departed comrades. In connection therewith appropriate exercises, consisting of addresses, songs, recitations and the regular Grand Army exercises. Nine such will be conducted during the morning and at some of the pupils of the public schools will take part.

**SERVICES BY THE LADIES.**  
Also in the morning, the ladies of the Colonel William N. Monies post, Ladies of the G. A. R. circle, No. 19, will hold services in memory of their deceased members at 10 o'clock in A. O. U. W. hall, 421 Lackawanna avenue. At the conclusion of the services, dinner will be served, to which all ex-soldiers, volunteers or comrades are invited.

In the afternoon the parade will be held, starting promptly at 2 o'clock from Wyoming avenue, to Lackawanna, to Adams, to Spruce, to Jefferson, to Gibson, countermarch to Vine, to Washington, to Spruce and dismiss. Mayor Moir and other city officials will review the line from in front of the city hall and the grand marshal at the corner of Lion street and Washington avenue. The parade formation has already been published in The Tribune.

In the line will be found the G. A. R. posts, Camp 8, Sons of Veterans; Eleventh and Thirteenth regiments, civic societies, Spanish war veterans, Company A, American Guards, and invited guests in carriages, and horsemen. Lawrence's band and several drum corps will furnish music for the marching.

The members of the three companies of the Eleventh regiment are ordered to report at the armory at 1.15 p. m. The members of the several companies of the Thirteenth regiment who intend to parade will meet at corner of Wyoming avenue and Mulberry street at 1.15 p. m.

Various details from the Thirteenth regiment companies will look after the decorating of the graves of their comrades wherever they are, either in the city or out-of-town cemeteries. The graves of the boys who died while in service out of the United States will be cared for by the ex-members of the Volunteer Engineer corps and of the several regular infantry regiments.

**AFTERNOON SERVICES.**  
At 3.30 o'clock, or immediately after the parade, the members of Lieutenant Ezra Griffin post, No. 319, G. A. R., will entertain at the post rooms on Lackawanna avenue. Services in memory of the dead comrades will be conducted. Addresses will be delivered, orders read and the post quartette will sing several selections. Following is a list of those who have died, and date of death, since last Memorial day: Eber Dimmick, August 5, 1898; Dennis O'Lehnan, August 14, 1898; Dennis Hawk, August 15, 1898; W. B. Welles, September 3, 1898; Norman H. Wheeler and Daniel R. Stiles May 25, 1899; and Joshua R. Thomas, May 29, 1899. In the evening the Foster Star Lyceum company will give an entertainment at the Lyceum in honor of the above post.

Colonel William N. Monies post, No. 319, G. A. R., will conduct Memorial services and entertain at Guernsey's hall, North Washington avenue, in the evening. The exercises will comprise vocal and instrumental selections by local talent. The ladies of Lady Oakerford union, No. 59, United Veterans' Relief corps, will assist and serve refreshments at the conclusion of the entertainment.

At Dunmore, exercises of a similar nature will be held throughout the day, just as elaborate, perhaps, though on a necessarily smaller scale.

**Urged to Join.**  
All veterans of the Spanish-American war, whether serving in the Thirteenth Pennsylvania Volunteer Infantry, the Engineers or any other organization, are cordially invited and urged to do honor to our brave and patriotic dead by joining in the Memorial day parade. Assemble on Wyoming avenue, between Mulberry and Vine streets, in full uniform at 1 o'clock p. m. Officers will wear caps and side arms.

Colonel Henry A. Coursen, Marshal of Division.

**NOTES OF THE DAY.**  
The ladies of Circle No. 19, Ladies of the Grand Army, will give a dinner to the comrades and Sons of Veterans at their hall, No. 421 Lackawanna avenue, on Memorial day from 12 to 2 p. m. The former members of Company H, Thirteenth regiment, P. V. I., are requested to meet at Company H armory today at 1 o'clock p. m. for the purpose of taking part in this afternoon's parade.

The corner stone of the Church of Immaculate Conception at Taylor, of which Rev. J. A. Moffitt is rector, will be laid Sunday, June 11.

**MEETING OF WORKERS' BAND.**

**Held in the Y. M. C. A. Rooms Last Night.**

The Workers' band of the Young Men's Christian association, met in the Y. M. C. A. rooms last night. Thirty-five young men were present. All the energy and enthusiasm which was shown in the Sunday afternoon meetings is centered in these Monday night services.

The thoughts for last night's meeting, as given by A. F. Hoffmeyer, in a very interesting and helpful way, were found in the first few verses of the fifth chapter of Ephesians. The speaker then took as foundation for his remarks Psalms 139-9: "Where wilt thou shroud a young man cleanse his way?"

He spoke of the necessity of keeping one's self clean and separated from the sin and defilement of the world if one would be a successful worker for God. The remainder of the verse explains how a young man may cleanse his way "by taking heed thereto according to thy word," and the speaker urged those present to spend much time in reading and in the study of the Bible, which is the source of all Christian help.

The songs were sung with a great deal of enthusiasm and the service throughout was appreciated by all. After the speaker had closed his remarks those present were given a chance to speak. This part of the service was very helpful, as everyone took up the thought of the speaker in regard to keeping one's self free from impure thoughts and stories.

**PARISH WILL PICNIC.**

**Congregation of Holy Cross Church Preparing for the Fourth.**

Members of the parish of the Holy Cross church met Sunday afternoon to discuss the advisability of holding a picnic at Laurel Hill park, July 4. M. E. Clark presided and W. A. Grady was secretary. An executive committee comprising the following: Anthony Flannery, J. W. Millett, Peter O'Donnell, M. F. Gerrity, John J. O'Hara, James Brogan, John J. Donahue and Patrick Ahearn, was appointed to complete arrangements.

From among the ladies an associate executive committee, comprising Mrs. Conway, Mrs. Hart, Mrs. M. W. Ruddy, Misses B. Walsh, Elizabeth Mahon and Anna Lynott, was selected. Other committees were formed as follows: Games, Peter Mullaney; purchasing, T. H. Walsh, M. W. Ruddy, M. J. Walsh, J. J. O'Malley and John Keegan; printing, Miss Mary O'Donnell, M. O'Toole, J. W. Kirby and John McDonogh; music, Peter Mullaney, William Lynett and James Pitchford; park, James C. Clark and John Dorsey.

It was also agreed that the executive committee in conjunction with the pastor, Rev. W. P. O'Donnell, select all subordinate committees. The meeting was adjourned to meet at the call of the executive committee.

**ASPHALT CONTRACT UP TO THE MAYOR**

**COMMONERS PASS APPROPRIATION ORDINANCE FINALLY.**

They Also Kill the Scranton Telephone Company's Ordinance by a Vote of 16 to 2—The Lackawanna Telephone Ordinance Which Was Defeated Two Weeks Ago Is Reintroduced and Referred for Printing—Reasons Are Given for Opposing the Telephone Ordinance.

The asphalt repair contract is now up to the mayor. The ordinance appropriating the \$17,520 to meet the contract was passed finally in common council last night. It received thirteen of the seventeen votes and at least two of the four absent members would have voted for it had they been present, if their positions on the question have not undergone a radical change within a very recent period.

Mr. Morris, of the Eighteenth, was the only member to discuss the much-discussed measure. He made a jab at the "giant octopus" by suggesting that the ordinance be held over until the city had had sufficient time to properly consider the other propositions for repairing the streets, especially the municipal plant idea. The "black monster," however, survived the jab. The vote was:

Ayes—Messrs. Reese, Grier, Griffiths, Calpin, Ruane, Ziehlmann, Tewkesbury, Monaghan, Harvey, Wenzel, Smith, Cusick, Koller—13.

Nays—Messrs. M. V. Morris, Walker, T. F. Morris, Norton—4.

The Scranton Telephone company's ordinance was called up on third reading by Mr. Calpin, after the asphalt measure had been disposed of, and it was the only ordinance to be read. The ordinance was read and the city fathers voted that it was not sufficient to be read, and a motion was made by its opponents to reconsider it and the motion was defeated, so that it can never be called up again.

When Mr. Tewkesbury moved to pass the ordinance on third reading, Mayor Keller put the motion before the house and leaned back in his chair to hear the discussion. There was no discussion forthcoming, albeit, and Mr. Keller was constrained to make a speech himself.

**MR. KELLER'S REASONS.**

He was not satisfied, he said, with the clause in the ordinance regulating the laying of wires underground within the limits. The "fire limits" was an indefinite word, he thought. It would be a grave mistake not to carefully and thoroughly safeguard the city's interests in this matter. He was not opposed to the ordinance, but could not bring himself to vote for it in its present indefinite shape.

Mr. Ziehlmann explained to the chairman what the "fire limits" are and Mr. Calpin said a good word for the ordinance and contended that there was nothing indefinite about it, but on the other hand, was a clear, concise measure offering most liberal terms to the city.

Mr. Tewkesbury called attention to the fact that the ordinance provided that as fast as the fire limits were extended the wires within the limits should be put underground.

Mr. Koller questioned the correctness of this, citing the clause, "if such action be necessary or convenient for the public." The clause ought to be made mandatory, Mr. Keller said. He also said the ordinance should be given more consideration. He himself had not had opportunity to even read it over before last night.

Mr. Calpin thought this was an unfair statement, inasmuch as the ordinance, although only reported from committee last Thursday, had practically been in the hands of the council for three weeks.

Mr. Koller reiterated his assertion that he had not had opportunity to read the ordinance previous to last night.

**SOME OTHER OPINIONS.**

Mr. Ziehlmann was heartily in favor of the ordinance, but was opposed to railroading any measure through councils. Mr. Wenzel said little. Mr. Keller would have it understood that he was not opposed to the measure. No other member, however, realized the necessity of a better telephone service. He could not, however, vote for the measure in its present shape.

Nine members voted for the measure, but seven of them, Messrs. Grier, Walker, Calpin, Ruane, Monaghan, T. F. Morris, changed their votes after it was seen that it was defeated. The vote as finally recorded was as follows:

Ayes—Messrs. Tewkesbury and Norton—2.

Nays—Messrs. Reese, M. V. Morris, Griffiths, Ziehlmann, Harvey, Monaghan, Wenzel, Coleman, Smith, Cusick, Calpin, Walker, T. F. Morris, Grier, Keller, Ruane—16.

Absent—Messrs. Nagell, Phillips, Watkins—3.

**IS STILL WITH US.**

Under the head of new business Mr. M. V. Morris re-introduced the Lackawanna telephone ordinance, which two weeks ago was treated as was the Scranton ordinance last night. In order to evade the law forbidding the re-introduction of an ordinance that has been defeated the measure was changed about slightly. It was referred for printing.

Under the head of new business ordinances were introduced appropriating \$400 to settle D. A. O'Connor's damage claim; providing for electric light in the Second ward; providing for the laying of flag stone sidewalks on Wayne avenue, between Market and Parker street, and on William street, between Brick and Myerlet avenues, and a resolution to repair the Crystal steamer.

**CAVE AT SCHOOLEY COLLIERY.**

**Trouble Caused by the Flooding Is Further Complicated.**

The situation at Schooley colliery, Pittston, where a serious flood has been causing trouble for the past two weeks, was further complicated yesterday morning at 7 o'clock by an inrush, affecting about twenty acres on the west side of the Delaware, Lackawanna and Western tracks. The men engaged in operating the pumps were ordered out and at 1 o'clock the fires under the boilers were drawn and the work of clearing the mine from water temporarily abandoned.

It was feared that the boiler house might be affected by the cave, and until all doubt on the subject is removed, an Erie and Wyoming locomotive will furnish steam for the operation of the fan.

**PAVE CONTRACT IS SIGNED.**

**Girard Construction Company Notified to Proceed with the Work.**

Mayor Moir signed the Providence paving contract yesterday afternoon at 3 o'clock and immediately afterwards Controller Howell certified upon it that the appropriation had been duly made and was at hand.

The execution of the contract was certified to City Engineer Phillips and he forthwith sent notice to that effect to the contractors, Girard Construction company at Philadelphia. Accompanying the notification were instructions to proceed with the work at once.

Common Councilman Morris V. Morris secured the pen, with which the mayor signed the contract, and will exhibit it to his hotel on North Main avenue for the delectation of the people of Providence, who are expected to reverence it as the instrument which executed their deliverance from the thrall of mud.
