DR. HERRING'S SECOND TRIAL.

AGAIN ARRAIGNED BEFORE JUDGE GEORGE PURDY.

Commonwealth Had More Corroboration of Herring Than at the Last Trial.

Jacob Ellman was again put on trial yesterday before Judge George Purdy, of Honesdale, specially presiding, on a charge of subornation of perjury. He was tried last week before the same judge and convicted, but a new trial was granted on the ground that the Commonwealth had not presented sufficient proof of the subornation on the part of Ellman. It will be remembered that Ellman is charged with having suggested to a youth named Max Herring that he could make money by swearing out warrants against persons on fictitious charges. Herring says he went to Ellman's home, at Pricburg, at his request, and was there instructed in the details of the scheme. As a result he went before Justice of the Peace Mason, of Blakely, and swore out a warrant for the arrest of Daisy Miller, of this city, on a charge of keeping a bawdy house and selling liquor without a license, and before Alderman John T. Howe and Alderman J. W. Millett, of this city, where he had warrants issued charging Nellie Elye, also of this city, with robbery, keeping a bawdy house and selling liquor without a license. Herring did not know the women and had no actual knowledge of any guilt upon their part.

On the last trial, the case depended almost entirely on Herring's testimony, and yesterday the Commonwealth called John Shuminsky, who was Herring's climber in the county jail. He testified to certain conversations between Ellman and Herring, which he overheard and which tended to corroborate Herring's story. Mr. and Mrs. Smithberger, of Pricburg, were also called. They live at Pricburg and testified to seeing Herring at Ellman's place last September. Ellman made a general denial of the charges and called several relatives to prove that Herring was not at his home last September. He was represented by Attorneys W. W. Maynor and John J. Murphy. After the evidence was in, Mr. Baylor asked the court to direct the jury to acquit the accused, on the ground that the Commonwealth had failed to produce adequate corroboration of Herring's story. The request was refused.

Mr. Murphy closed the case to the jury for the defendant and Assistant District Attorney Cramer for the Commonwealth. The case was given to the jury for consideration at 4:45 p. m.

Ellman was taken in charge by a deputy sheriff at the close of court yesterday and committed to the county jail to await the jury's verdict.

END OF THE LIBEL CASE

CASE NOT PROSECUTED BY CONSENT OF PROSECUTOR.

Little and O'Toole Will Pay the Costs—John Moffat Brought in on a Capias and a Physician Declared That He Is Well Enough to Be Tried—Phelan McDonald Pleaded Guilty to Selling Liquor Without a License and Went Up for Three Months—Other Court Matters.

At the solicitation of the defendants, Richard Little and M. J. O'Toole, and by consent of the prosecutor, Colonel E. H. Ripple, a nolle prosequi was entered yesterday in the case charging Little and O'Toole with having libeled Colonel Ripple in a Sunday paper of which they have charge. It was a companion indictment to the one on which they were tried a year ago and on which Little was convicted and sentenced to six months' imprisonment in the county jail. The defendants are to pay all the costs in connection with the case not proscribed yesterday. The amount will be large as there were many witnesses and the case hung on the list at every term for more than a year.

Attorney Joseph O'Brien, who was private counsel for Colonel Ripple, said yesterday about the case: "Colonel Ripple was grossly libeled by Little and O'Toole and he demonstrated that by the conviction in the other case. He has no desire to follow up the present case for the purpose of being revenged and consented to the earnest solicitation of the defendants to allow a nolle prosequi to be entered."

These libel cases cost the defendants several thousand dollars, it is said, besides the six months Editor Little spent in jail.

THE MOFFAT CASE.

John Moffat, charged with selling liquor without a license by the Municipal league, who had a capias issued for him on Monday was brought into court yesterday for trial. Joseph O'Brien, gave it as his belief that his client is not well enough to stand trial; that it is almost impossible for him to talk. The attorneys for the league said they did not want to force a sick man to trial but they had an idea that Moffat was not well. This request was granted by Judge Archibald and Dr. L. M. Gates made an examination of the accused. He said Moffat is not a well man by any means but that his condition is not such as to make a trial dangerous to him. Moffat was then remanded to the custody of the sheriff for trial. The case was called up late in the afternoon before Judge Edwards but Mr. O'Brien objected to the jury on the ground that it was made up largely of laymen not drawn by the sheriff. A jury of the regular panel being impossible to obtain at that time Judge Edwards postponed the selection of a jury until this morning.

Phelan McDonald, who was indicted at the instance of the Municipal league on a charge of selling liquor without a license on Larch street, this city, pleaded guilty and was sentenced to pay a fine of \$500 and spend three months in the county jail. Mary Costello, of Green Ridge, charged with the same offense, was not present when her case was called for trial and a capias was issued for her.

COMPTON CONVICTED.

Before Judge Edwards in court room No. 2, the case against Frank Compton, of Nay Aug, was concluded yesterday morning. In his charge the court stated that the evidence of the prosecution, if believed, should be followed by a verdict of guilty, and although the defendant may not have been as responsible for the imposition upon the prosecutrix as the man who advised these young people to live together as man and wife, without a formal marriage ceremony, still this should not affect the verdict, as it was more particularly a matter for the court to consider in passing sentence. The defendant's position, as taken by counsel, as to common law marriage between the parties, was particularly adverted to, but the legal requirements of such a marriage did not seem to have been fulfilled. The jury returned a verdict of guilty.

In the other case against Compton, charged with the forgery of a marriage certificate, a rule was granted to show cause why the indictment should not be quashed, on the ground that the statute under which the indictment was framed did not seem to cover the case of a paper of this character.

Harry G. Bossard was found guilty of the charge preferred against him by Grace Hinton. Prior to the summer of 1899 the parties lived in Monroe county, where the alleged offense was committed. No evidence was offered on the part of the accused.

USED BOTTLES ILLEGALLY.

Nicholas Cappiello, who conducts a bottling establishment in Dunmore, was tried on a charge of dealing in and re-filling registered bottles belonging to A. W. Schroeder, Henry Ulrich, manager for Mrs. Schroeder, appeared as prosecutor, and his brother Joseph and others, testified to having found

THE MIRACLES OF CHRIST.

A Masterly Sermon Delivered by Dr. A. T. Pierson Last Night.

Rev. Dr. Arthur T. Pierson, of New York, conducted the third of his series of evening meetings last night in the Penn Avenue Baptist church. He told of the lessons to be drawn from the miracles of Christ as recorded in the New Testament.

He dwelt especially upon the curing of the man sick of the palsy; upon the curing of the woman sick with fever; of the casting out of devils; and upon the curing of the blind man.

Palsy, he said, represented impotence and inability. The sinner who is impotent and who has the inability to free himself from his sins should go to Christ, as did the palsied man, and receive strength and power to work for and with God.

Fever represents the lusts of the body and a vindictive temper, the doctor said. "Even as Christ took hold of the hand of the woman and cooled her body," said he, "so when He touches the burning fever of the sinner, will he become cool, quiet and peaceful."

The blind man, whom Christ healed, represents the blind of soul who have a dullness of spiritual vision which prevents them from seeing the real nature of their sins, or the grace and the beauty and the love of God. This that Moffat said, touched the hearts of all who were present.

"All the miracles recorded in the New Testament," said he, "besides revealing Christ's power, reveal His benevolence, compassion and sympathy. They seek to prove not that He was a great being, capable of overcoming all obstacles in His way, but that He had a love for all humanity."

Dr. Pierson will speak this afternoon at 2:45 o'clock in the Young Women's Christian association rooms, and tonight in the Second Presbyterian church.

A STRONG CANDIDATE.

Joseph Kline, the Republican nominee for Alderman Fuller's Place. When Alderman Frederick Fuller of the Sixteenth ward, recently announced that he would not again be a candidate for the office which he has so splendidly filled during the last thirty years, the ward Republicans looked around for a man who would make a worthy successor to such a worthy predecessor, and their choice fell upon Joseph Kline.

In many ways Mr. Kline is peculiarly well fitted for the position of alderman. A business man of many years' standing, he possesses a shrewd analytical head, good, unbiased judgment, and many other of the ideal qualifications for a central city magistrate.

For twenty-six years he has lived in the ward and has an intimate acquaintance with practically every man in it. During this time he has been an active Republican worker and his fact was abundantly recognized at the recent primaries, when he was chosen as the party nominee by a generous majority. Everything indicates that he will be the next alderman from the Sixteenth ward.

VETERAN'S SONS HONOR LINCOLN

MARTYR PRESIDENT'S BIRTHDAY CELEBRATED.

An Enjoyable Entertainment Was Given in Guernsey Hall Under the Auspices of Ezra Griffin Camp, No. 8, Sons of Veterans—Speeches Were Made by President A. B. Stevens, of Ezra Griffin Post, G. A. R., and W. G. Moser, of the Sons of Veterans.

The ninety-fourth anniversary of the birth of Abraham Lincoln, the great martyr president, was celebrated last night in Guernsey hall by Ezra Griffin camp, No. 8, Sons of Veterans, under whose auspices a splendid programme was rendered, in the presence of a very large and enthusiastic audience.

A number of well rendered selections were given by home talent, and several stirring addresses were heard. Judge Alfred Darts, of the Luzerne County Orphans' court, was expected to make the speech of the evening, but a telegram was received from him yesterday afternoon announcing that a pressing business engagement prevented his attendance.

A. B. Stevens, commander of Ezra Griffin post, Grand Army of the Republic, was one of last evening's speakers. He spoke feelingly of the wholesome lessons of patriotism which the proper celebration of the anniversary of great Lincoln's death should arouse in the younger and decayed Ezra Griffin veterans of the Civil war, and urged eager to do all in their power to further inculcate that lesson.

"Regarding Abraham Lincoln," he said, "I can say that I knew him when he was the worst abused man in the country, when countless tongues ceaselessly reviled him, but yet today tell me a name more admired in our great country. No eulogy can be too great, no praise too extravagant in speaking of him. This simple motto, however, tells words about the character of the man: 'Malice towards none; charity for all.'" He declared that he also to the Grand Army of the Republic and Sons of Veterans.

Wallace G. Moser was the representative of the Sons of Veterans on the rostrum. He gave a vigorous, stirring address. In which he drew a wholesome lesson to the youth of America from the life of Lincoln. He declared that the figure of "Old Abe" towers first among the great men of this country, as a representative of American courage and genius.

The balance of the programme consisted of a piano solo by Charles Doerham, vocal selections by the Electric City quartette, songs by John McWilliams, recitations and a very graceful exhibition of Delsartean poses by Miss Susan Grass, a recitation by Olney Pratt, vocal and instrumental duet by Dan Green and Will Harvard, recitations by Miss Nellie Durkin, and popular songs by Master John Morgan.

Souvenirs in the form of tiny American flags were distributed among the audience by the committee, which consisted of Dr. E. Russell, chairman; H. E. Jeffers, John Snook, W. H. Brandamoro and M. C. Bullock.

WEDDING AT GREEN RIDGE.

Stephen O'Horo and Miss Mary O'Horo United.

Stephen O'Horo, proprietor of the Mott Haven Hotel, Peckville, and Miss Mary O'Horo, of Green Ridge, were united in marriage at noon yesterday at St. Paul's Catholic church, in the presence of many friends and relatives. The ceremony was performed by Rev. J. J. McManus, pastor of the church.

Patrick O'Horo, brother of the groom, and Miss Mame Crogan, of Honesdale, attended the couple during the ceremony. After a reception and dinner at the home of the bride's parents, Mr. and Mrs. O'Horo left on the 2:33 Lackawanna train for New York and other points of interest. They will be away two weeks and upon their return will reside in Peckville.

ABOUT SEVEN HUNDRED FILED.

Large Number of Applications for Liquor Licenses.

In the neighborhood of 700 applications for liquor licenses have been filed with the clerk of the courts, as against about 650 filed last year.

It was thought that the inability of dealers to pay the \$1,100 license required in cities of the second class would result in great falling off of the number of applications from this city, and this result was freely predicted. The opposite of expectations has occurred.

COURT HOUSE WAS COLD.

Jurors Had to Wear Their Ulsters While in the Box.

Judges, jurors, attorneys and every one else in the court room of the court house were thoroughly uncomfortable yesterday owing to the semi-heated condition of the place.

The volume of steam turned into the court house pipes by the local heating company was apparently entirely inadequate for the purpose and as a result jurors heard cases tried while enveloped in ulsters.
