LACKAWANNA AND MONTROSE COMPANY MEETS.

Dividend of Three Per Cent. Is Declared—John R. Wilson and C. E. Tobey Elected Directors—Electing Delegates to the State Federation of Labor Convention at Wilkes-Barre—Driver Boys Cause a Strike at Coleraine—The D. L. & W. Board for Today.

At a meeting of the board of directors of the Lackawanna and Montrose Railroad company, held in President Loomis' office yesterday, a dividend of three per cent. was declared on the capital stock of the company, payable on February 1.

John R. Wilson was elected director in place of O. A. Gilbert, deceased, and C. E. Tobey was elected director in place of W. H. Jessup, deceased.

This is the second year the company has paid a dividend. The local investors who supplied the capital for the construction of the road are now encouraged to believe that eventually they will at least make even.

State Federation.

Notices have been sent out by President Gompers to the various locals in Pennsylvania advising them of the State Federation of Labor convention to be held in Wilkes-Barre on March 10.

Many delegates have already been elected. Each local is entitled to one representative.

Strike at Coleraine.

The employees of the Coleraine colliery of the A. S. Van Winkle estate went on strike to-day because three drivers employed at the colliery refused to join the union.

It appears that those men who didn't believe in organization, were approached on different occasions by the employees for the purpose of getting them to join the union and falling in this a meeting was called last night to take action.

It was decided that no person should report for work until the drivers become affiliated with the union.

It is expected that these men will join the organization within the next few days.

Quoting a high official of the Lackawanna, Philadelphia Stockholder says: "The anthracite coal situation is in splendid shape. I do not believe that there will be any labor trouble in the anthracite region this spring. The men are receiving better wages than ever before and they have all the work they can do."

BEAVER TAIL SOUP.

Michigan Lumber Camp Delicacy That Amazed a Marylander.

From the New York Sun.

"Although I am a Marylander, and an eastern shore one at that," said Chauncey F. Raynor, "and consequently know what goods things to eat are, I want to tell you that I'll have to take off my hat to the lumber camp cook of the upper Michigan peninsula as the discoverer, fabricator and dispenser of a dish that knocks the eastern shore cuisine silly. And that rare lumber camp dish is beaver tail soup.

"I was with Colonel Park of Columbus, Ohio, deer hunting in the Rainy Lake region of Michigan one fall. We lived at a lumber camp boarding shanty.

"When there were signs of beaver at the upper end of the lake, and a trapper succeeded in trapping one of the wily dam builders.

"When the beaver was brought into camp the camp cook went nearly wild. And so did the lumbermen when they heard the news. All because they had been trying to trap a beaver for weeks; not for its fur but for its tail, as they were pining, they said, for beaver tail soup.

FOR THE CHILDREN

To Keep Their Digestion Perfect Nothing Is So Safe and Pleasant as Stuart's Dyspepsia Tablets

Thousands of men and women have found Stuart's Dyspepsia Tablets the safest and most reliable preparation for any form of indigestion or stomach trouble.

Thousands of people who are not sick, but are well and wish to keep

well take Stuart's Tablets after every meal to insure perfect digestion and avoid trouble.

But it is not generally known that the Tablets are just as good and wholesome for little folks as for their elders.

Little children who are pale, thin and have no appetite, or do not grow or thrive, should use the tablets after eating and will derive great benefit from them.

Mrs. C. H. Croasley, 538 Washington street, Hoboken, New Jersey, writes: "Stuart's Dyspepsia Tablets just fill the bill for children as for older folks. I've had the best of luck with them. My three-year-old girl takes them as readily as candy. I have only to say 'tablets' and she drops everything else and runs for them."

A Buffalo mother, a short time ago, who despaired of the life of her babe, was so delighted with the results from giving the child these tablets that she went before the notary public of Erie county, N. Y., and made the following affidavit:

"Gentlemen—Stuart's Dyspepsia Tablets were recommended to me for my two-months-old baby, which was sick and puny and the doctors said was suffering from indigestion. I took the child to the hospital, but there found no relief. A friend mentioned the Stuart Tablets and I procured a box from my druggist and used only the large sweet lozenges in the box and was delighted to find they were just the thing for my baby. I feel justified in saying that Stuart's Dyspepsia Tablets saved my child's life."

"Witness my hand and seal, this 12th day of April, 1897.

"Henry Karis, Notary Public in and for Erie Co., N. Y."

For babies, no matter how young or delicate, the tablets will accomplish wonders in increasing flesh, appetite and growth. Use only the large sweet tablets in every box. Full sized boxes are sold by all druggists for 50 cents, and no parent should neglect the use of this safe remedy for all stomach and bowel troubles of the child in any way regarding its food or assimilation.
