Disorderly Houses Raided by the Police. Number of Persons Arrested—Mrs. Sarah Smith Beat Her Husband.

Lieutenant John Davis and a squad composed of Patrolmen Morgan, Davin, Lowry and Evans, last night raided a disorderly house in Kelly's patch, near Luzerne street. The place is run by Mrs. Van Dyke, and on account of the disturbance that was taking place, the neighbors sent word to the police.

Five men and two women were arrested, but owing to the sickness of Mrs. Van Dyke, she was allowed to remain at home. Her husband, however, was arrested with the other inmates.

At 10.30, the same squad descended on Cooper's block, on Scranton street, and arrested seven women and six men in the houses of Mrs. Jones, Myrtle Smith and Daisy Miller. Both places have very bad names, and the police have been gathering evidence, which culminated in the three raids which caught a total of eighteen disorderly persons.

A hearing will be held in the case this morning. Owing to the lack of room in the police station, one-half the crowd were handcuffed and two by two loaded into a patrol wagon and sent to the city hall for the night.

Owens, Mrs. Otis Christmas, Mrs. George Jacoby, Mrs. William Quick and Mrs. Cressie, were entertained at the "Plainers," as the guests of Mrs. Ridgeway's father, Mr. Esheleman.

Thursday evening, Mrs. William Wagstaff entertained a large number of young people in honor of her daughter, Miss Atlantic Wagstaff. At a seasonable hour the charming hostess served a bountiful collation.

A large number of West Side young people enjoyed a trolley ride over the various lines of the Scranton Railway company recently. After the ride they were entertained at the home of Miss Margaret Fleming.

Before the Aldermen.
Mrs. Kate Sturett, of 731 Brook street, South Scranton, appeared before Alderman Noone and swore out a warrant for the arrest of her husband, John Sturett, on the charge of disorderly conduct. John has not been apprehended as yet.

John Beckwith, of Hennessy court, swore out a warrant for the arrest of David Evans, on the charge of larceny of a crowbar. At the hearing before Alderman John, it developed that the prosecutor and defendant had formerly worked together, and that Beckwith had left the crowbar with Evans' tools. The defendant was discharged.

Tramps in Trouble.
The residents of Tripp's park have been much annoyed by tramps who hang about the place and make social calls on their neighbors at night.

The knights of the road are known to have their boarding house in a shanty in Keyser Valley, so the West Side police did a little detective work and roped in David Roberts. In police court he was committed to the county jail by Magistrate Davies.

Successful Fishing.
George Payne and Clarence Everest, of Oxford street, have returned from a fishing trip to Loomis' lake, near Foster. They succeeded in hooking seventy-five black bass and a large number of pickers.

The fishing they say is unusually fine, and a large number of West Siders are enjoying it. With live bait, consisting of dobsons, little catfish and crabs, secured from the small streams near Foster they say the bass bite almost as fast as the line can be put in the water.

SOUTH SCRANTON NOTES.

Meeting of the Bound X Club—Number of Matters Considered—Other News Notes.

The Round X club, a society organized recently for social purposes, met in Saff's hotel parlors last evening. Routine business was transacted, after which it was agreed to conduct a clam bake outing, for members only, at Robinson's grove, on Sunday, August 31. A ball will also be arranged for by the entertainment committee and it will take place October 27.

At the close of the regular meeting, a social session was held, and refreshments were abundantly supplied by Caterer Saff. Rudolph Kunz presided, and various members were called on for addresses. The big German carp near the Lackawanna brewery was discussed, and it was agreed, on a motion made by Messrs. Wirth and Conrad, that the club should make an effort to secure the fish, and they will prepare their fishing tackle today, for an early trip tomorrow morning.

Hurt While Picking Coal.
Joseph Altman, a resident of Meadway avenue, fell from a trestle on the old gravelly road yesterday, a distance of about thirty feet, and sustained serious injuries.

The young man was engaged in picking coal when the accident occurred. He was about to cross a trestle above No. 5, when he slipped and fell headlong. Assistance was quickly rendered and the sufferer was taken home, where his injuries were given attention by Dr. Walsh. An examination showed, besides severe cuts on the head and face, a broken collarbone, and other internal injuries. Although severely hurt, Altman's wounds are not necessarily fatal, but he will be laid up a long time.

Laid at Rest.
The funeral of Patrick Glennon took place yesterday in Minooka from the home of a relative. Services were held in St. Joseph's church, Rev. Father Canavan officiating. Interment was made in the Minooka Catholic cemetery.

The pall-bearers were James Sullivan, James Graham, Stephen Tennent, Michael Walsh, Richard Joyce and James Tannery.

More Strike Trouble.
John Zarosa, of Kellerman court, had Joseph Saley arrested on a charge of perjury, and the defendant was given a hearing last evening before Alderman Lentz. According to the evidence, Saley had Zarosa arrested some time ago for calling him a scab and using abusive language. Zarosa was tried before a city magistrate, and although he denied the charge, had to pay a fine.

Saley, he claims, was sworn out by Jury, hence the case last evening. The parties to the case are both foreigners, and each side produced a crowd of friends and witnesses.

It was a severe task to sift the wheat from the chaff, but Alderman Lentz came to the conclusion that the defendant perjured himself in the first court, and held him for court in \$500. A revolver was taken from Saley in the court room, and he will be re-arrested today on the charge of carrying concealed weapons.

STILL FURTHER PROOF

Where Doctor's Fail to Cure Woman's Ills, Lydia E. Pinkham's Vegetable Compound Succeeds.

Mrs. Pauline Judson, Secretary Schermerhorn Golf Club, Brooklyn, N. Y., Writes On This Subject.

A woman best understands a woman's ills. How true this is, and how well proven in Mrs. Judson's letter which follows.

How many thousands of letters Mrs. Pinkham is constantly receiving from women recounting their months, and sometimes years of treatment by physicians for some derangement of the female organs without obtaining a cure, or even relief from their suffering, and how eventually they have been cured by her advice or medicine, or both, is almost beyond belief.

Just think how Mrs. Judson was treated for months without success, and how quickly she was cured by Lydia E. Pinkham's Vegetable Compound and Sanative Wash.

Is there a sick woman on earth who will doubt the power of Lydia E. Pinkham's Vegetable Compound over women's diseases in the face of such proof? Surely not.

Any woman who is troubled with any form of female ills, painful menstruation, backache, dizziness, bearing down feelings, ovarian inflammation or any womb trouble should hasten to procure Lydia E. Pinkham's Vegetable Compound, for no other medicine is so universally recommended by prominent women of all classes.

Pleasant Gathering.
A very pleasant gathering was given in honor of Miss Mary Davis, of Tioga county, by Mr. and Mrs. William Morris, at their home on William street, last evening. The time was taken up with the usual party diversions, which were indulged in until a seasonable hour, when refreshments were served.

Among those present were: The Misses Margaret Thomas, Martha Thomas, Olive Thomas, May Davis, Carrie Slatton, Jennie Leonard, Mary Richards, Blodwyn Thomas, Lizzie Howell, Lizzie Thomas, Sallie Owens, Mary Davis, Gertrude Willis, and Messrs. Interesting Quoit Match.

Some time ago, John D. Richards, of the firm of Richards & Wirth, issued a challenge to Abel Davies, of North Garfield avenue, to play a game of quoit, the loser to pay for a dinner. The game was played Thursday and the match was exceedingly interesting. Both Mr. Davies and Mr. Richards, as well as their partners, are expert quoit players, and, after a hard battle, the game was decided in favor of Messrs. Davies & Hughes, with a score of 61-40.
