

WEST SCRANTON

Louis Brooks Arrested for Violating the Blue Laws by Selling Meat on Sunday. Arrested for Hair Pulling.

The old and almost forgotten blue laws were revived last evening, when Louis Brooks, a meat dealer of Robinson street, was taken before Alderman Noone and tried on the charge of selling meat on Sunday.

The case was prosecuted by Andrew Smith, of 713 West Lackawanna avenue at the instance of the Meat Dealers' association. Smith claimed that several times he bought meat at the defendant's market and offered a piece in evidence which he claimed to have purchased there recently.

The alderman dusted off some old law books and found that under the blue laws of 1794, he could fine Brooks \$1, which he did. Brooks paid the \$1 imposed.

The Shooter Fined.

The conduct of Joseph Rose, in police court yesterday morning was quite in contrast to his conduct after being locked up Monday afternoon. Rose was arrested at Swatara street and Elmora avenue for reckless shooting at human targets.

He was given a hearing before Police Magistrate B. Davis, when a large number of witnesses testified to his "wild west" conduct. One of the shots which he fired entered a board which Richard Davis was carrying on his back. Another shot was aimed at Arthur Davis, who was compelled to jump a fence and run for his life. Other shots broke window lights in the home of Thomas Davis, and punctured shutters in the home of Arthur Davis.

The climax was reached, however, when in true desperado style he yelled "stand back" at a little girl, and enforced this command with several bullets aimed in her direction. To all of these charges the prisoner made no defense, simply saying, "I don't remember."

The alderman imposed a fine of \$25, and placed him under \$200 bail on the charge of disorderly conduct, carrying concealed weapons and discharging firearms. The \$25 fine was paid by his parents, and the \$200 bail was furnished by O'Connor & Walsh.

Hair Pulling Affair.

Julia Kopak, of Main street, Taylor, appeared before Alderman Noone yesterday afternoon and swore out a warrant for the arrest of Andrew Houchon, of 957 Tanant street, on the charge of assault and battery. She claimed that while with the defendant in a house on South Washington ave-

nue, enjoying some drinks, he set upon her, beat her and pulled her hair.

The hearing was held last evening and Alderman Noone placed Houchon under \$200 bail, which was furnished by Samuel Miller of South Seventh street.

Sanders-Richards.

A very pretty home wedding was solemnized at high noon yesterday, at the home of Mr. and Mrs. John H. Richards, of 1412 Jackson street, when their daughter, Miss Ethel, was united in marriage to William C. Saunders, of 1505 Church avenue, by Rev. Hugh C. McDermott, pastor of the Simpson Methodist Episcopal church.

The bridal party formed in an upper room, and to the strains of "Hearts and Flowers," they marched into the parlor, where under a canopy of palms, ferns and roses, they were met by Rev. McDermott, who read the solemn marriage service. They were unattended. The bride was attired in a beautiful gown of ecru crepe de chene over silk, trimmed with lace de Madeline and hand-painted buttons. A reception was held after the ceremony, and a bounteous wedding breakfast served to a large number of invited guests.

Mr. and Mrs. Sanders left at 3.35 p. m. via the Lackawanna for New York, Saratoga, and other points of interest. Mrs. Sanders is a well known and popular young lady and is much admired in the social circle in which she moves. Mr. Saunders is the junior member of the Sanders Printing company. They were the recipients of many handsome presents.

Richard's Club Victorious.

The Richards and Cambria Quilt clubs held another interesting match on Monday evening on the Cambria club grounds on Price street. This was the second game for the supremacy and James Lewis and Ira Newton pitched for the Richards club, while William S. Davis and W. Watkins, pitched for the Cambria club. The game was bright and interesting from start to finish and after a hard struggle the Richards club won by a score of 31-18. Both teams will meet to play the third and last game on the Cambria grounds, Thursday evening, and this will decide the contest.

Police and Alderman.

Charged with being drunk and abusing his father and mother-in-law, John O'Hara, of Lafayette street, was given a hearing in police court last evening. He was fined \$15 or thirty days in the county jail.

A little fellow, who gave his name as Thomas Green and residence as Peacock Hill, was picked up late yesterday afternoon and taken to the police station. He was a very bright and interesting little fellow and seemed quite contented to be with the blue coats. William Taylor, of 335 North Keyser

avenue, appeared before Alderman B. Davies, yesterday afternoon, and swore out a warrant for the arrest of Adam Rosecrance, of 222 North Keyser avenue, on the charge of assault and battery and threats to kill. At the hearing last evening Taylor, who lives on one of the company farms in Keyser Valley, claimed that while on his own property the defendant hit him on the chest and cheek with some hard substance, and also choked him. Alderman Davies placed the defendant under \$200 bail on the assault charge, and \$500 on the threats charge. P. J. Glenn, of 2211 Jackson street, qualified as bondsman.

Kidney Disease Kills.

Its Victims Numbered by the Hundreds of Thousands.

Kidney diseases should be attended to at once, for almost 90 per cent. of our unexpected deaths of to-day are from that cause. Dr. David Kennedy's Favorite Remedy is the only sure cure known for diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation. It is marvelous how it stops that pain in the back, relieves the necessity of urinating so often at night, drives away that scalding pain in passing water, corrects the bad effects of whiskey and beer and shows its beneficial effects on the system in an incredibly short time.

George L. Smith, foreman of the Holley Manufacturing Company's Works, Lockport, N. Y., says in a recent letter: "I have used Dr. David Kennedy's Favorite Remedy with the most beneficial results. I was troubled with gravel and kidney complaint very severely, it bothered me a great deal, and have found great relief from its use, and cheerfully recommend it." "Favorite Remedy" is the most successful medicine ever discovered for kidney, bladder, liver and blood diseases. Its record of cures has made it famous in medical circles everywhere. It is recognized as a specific. It purifies the blood, and dissolves the excess of uric acid in it, clears up the urine, restores the kidneys and bladder to their normal condition, and gently moves the bowels.
