

**Daring and Skillful Burglary.**

One of the most daring and skillful burglaries we have ever had to record was perpetrated at the dwelling house of Mr. John Boyd, in the village of Palo Alto, on the South side of the river Schuylkill a short distance above Pottsville, during Wednesday night of last week.

It is evident that the villains entered the house through a second story window, from which a cage containing a Parrot was removed and deposited on the floor about the middle of the parlor. They then passed up into the third story where Mr. and Mrs. Boyd were sleeping, thoroughly ransacked all the drawers of a bureau, directly at the foot of their bed, without taking anything from it—took a small trunk from under the bed which they unlocked, rifled of \$70 dollars in money, and strewed the papers about the floor.—They took a watch hanging directly over the head of the bed, which was subsequently found in the breast pocket of Mr. Boyd's coat left by them on the banister at the foot of the stairs: and an axe with which they had prepared themselves, was left in the bedroom. Mrs. B. usually sleeps very lightly, and why neither of them were disturbed can only be accounted for on the supposition that they were pried with chloroform by the robbers. The robbers have not been discovered, nor does any suspicion attach to any particular individual.—Pottsville Emporium.

**Death preferred to Slavery.**

The Feliciana Whig, a Louisiana paper gives an account of the attempt of two citizens of East Baton Rouge to capture a supposed runaway negro, was at work in a flat-boat.

Having seized and put him into the skiff, they started back, but had not proceeded far when the negro who was at the oars, seized a hatchet, and assaulted one of them, wounding him very seriously. A scuffle ensued, in which both parties fell overboard. They were both rescued by the citizen pulling to them with a skiff. Finding him so unmanageable, the negro was put ashore, and the parties returned to Fort Hudson for arms and a pack of negro dogs, and started again with the intention to capture him. They soon got on his trail, and when found again he was standing at bay upon the outer edge of a large raft or drift wood, armed with a club and pistol.

In this position he bade defiance to men and dogs—knocking the latter into the water with his club, and resolutely threatening death to any man who approached him. Finding him obstinately determined not to surrender, one of his pursuers shot him. He fell at the third fire, and so determined was he not to be captured, that when an effort was made to rescue him from drowning, he made battle with his club, and sunk waving his weapon in angry defiance at his pursuers.

A man recently purchased a link of sausage, 'long drawn out,' and was nearly choked to death by a piece of brass collar, marked 'Fido.' How the collar got into the sausage, is a question.

The President has appointed Geo. H. Goudie, Esq., of Bethlehem, Pa. Consul to Zurich.

**POISONING.**

Thousands of Parents who use Vermifuge composed of Castor Oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundation for a series of diseases, such as irritation, loss of sight, weakness, of limbs, &c. In another column will be found the advertisement of Hobensack's Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine medicine, Hobensack's Liver Pills.

"Be not deceived," but ask for Hobensack's Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. HOBENSACK, as none else are genuine.

**DR. J. LANZ, DENTIST.**

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewellery store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted. April 28, 1853.

**5000 CHALLENGE.**

Whatever concerns the happiness and health of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that worms, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually chargeable from one kind of food to another, Bad Breath, Pain in the Stomach, Pickling at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy.

**Hobensack's worm Syrup.** An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where Bowel Complaints and Diarrhea have made them weak and debilitated, the Tonic properties of my Worm Syrup are such, that it stands with, out an equal in the catalogue of medicines, in giving tone and strength to the Stomach which makes it an infallible remedy for those afflicted with Despepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

**The Tape Worm!** This is the most difficult Worm to destroy of all that infest the human system.—It grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach affecting the health so sadly as to cause St. Vitus Dance, Fits, &c. that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm which must be taken in doses of 2 Table spoon's full 3 times a day, these directions followed, have never been known to fail in curing the most obstinate case of Tape Worm.

**Hobensack's Liver Pills.** No part of man is more liable to disease than the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c.—We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots and Plants furnished by nature to heal the sick; namely 1st, An Expectorant, which augments the secretion from the lungs, and discharges of secreted matter. 2d, An Alterative, which charges in some explicable and insensible manner, the certain morbid action of the system. 3d, A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A Cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

**To Females.** You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their fractional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as head ache, giddiness, dizziness of sight, pain in the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being base imitations. Agents wishing new supplies, and Store Keepers wishing to become Agents must address the Proprietor J. N. Hobensack, No 129 N. Second st., Phila., Pa.

**Grand Literary and Artistic Combination.**

Arrangements have been made to furnish the KNICKERBOCKER MAGAZINE, the HOME JOURNAL, and the NEW YORK MUSICAL WORLD AND TIMES, to new subscribers, for five dollars a year. This is cheap literature, with a vengeance. The Knickerbocker, for \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$3; making \$8 a year at the usual rates. That three such works can be obtained for five dollars a year, is a fact truly worthy the Calorie age, which is just now ushered in. Of the Knickerbocker Magazine, edited by Lewis Gaylord Clark, it is unnecessary to speak. For twenty years it has been the most general, humorous, and spicy "monthly" in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris, and N. P. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Stors Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Win. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to nearly everything worth knowing—Art, Science, Literature, Music, Painting, Sculpture; Inventions, Discoveries; Wit, Humor, Fancy, Sentiment; the Newest Fashions and other attractions for Ladies; Choice New Music for the Sabbath, the Church, and the Fireside; Reviews and Criticisms of Musical Works, Performed and Performances; in short; the very pick and cream of Novelty, Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it Better, Wiser, and happier, may be now obtained for five dollars. Address DYER & WILLIS, 257 Broadway.

Editors publishing the above three titles, and sending the papers containing it to Dyer & Willis, will receive the three works named, for one year.
