

**Remarkable Forgery--Real Estate not always Real Security.**

A few days since a homespun, farmer looking man, who gave his name as James Hudson appeared in Parma, in this County. He represented himself as from Dutchess County, New York, where he had recently sold his farm, and claimed to be in search of a new location in this section of the country. Hudson made the acquaintance of Mr. Lewis Warner, examined his farm, which contained 125 acres, and agreed to purchase it for \$5,000. He procured from Mr. Warner a written agreement to this effect, signed by him; and also the deed which gave him (Warner) title, as he said, for the purpose of taking it to Cleveland and examining the title. Hudson then went to Mr. Cogswell, Justice of the Peace in Parma, and under pretence of wishing to write him on business, obtained his address, in his own handwriting.

Thus having in his possession Warner's deed, and the signatures of Warner and Cogswell, Hudson came to Cleveland, and drew up a deed conveying the land to himself, to which he forged the signature of Warner as donor, and of Cogswell as certifying justice, adding, for form's sake, those of two witnesses.

The date of the deed was May 9, and the same day it was filed in the Recorder's office for record.

With this apparently indisputable evidence of title to the land, Hudson applied to Thomas Bolton, Esq., of this city, for a loan of \$1,500, offering mortgage security upon the farm. Mr. Bolton consented to loan him the amount for four years, at 10 per cent. annual interest, and a mortgage was drawn up, which Hudson signed and took with him to Parma to procure the signature of his wife. On Tuesday he presented the mortgage, properly signed and acknowledged--the signatures of his wife, the justice and one witness, forgeries, of course--and received the \$1,500 from Mr. Bolton.

Yesterday, 17th, Mr. Warner came to the city, and inquired for Hudson, saying he had agreed to sell him his farm, and he thought it time the papers were executed. Meeting with Mr. Bolton, the facts stated above were ascertained, and Mr. Warner pronounced the deed a forgery.

So shrewd and perfectly executed a piece of rascality has not recently occurred in this vicinity; and the forger having a week the start of law, officers and lightning, it is but barely possible that he will be overtaken by either of them.--*Cleveland Herald, May 18.*

**Hogs and Whiskey.**

The Cincinnati Atlas has the following paragraphs:

"The largest distillery in the United States is at New Richmond, Ohio, on the river about twenty miles above Cincinnati. There are two distilleries in the town.--At the larger there are now made 125 barrels of whiskey per day; at the other 80--that is, New Richmond furnishes the world 205 barrels of whiskey every day, or about 70,000 barrels per annum. In the large distillery there are now 9,000 hogs; in the other 7,000. These hogs are changed three times a year, which makes 27,000 from one, and 21,000 from the other, or 48,000 hogs from New Richmond annually. At certain seasons of the year, from the character of their food, or from other causes, epidemics prevail among the hogs. Last winter over 3000 died at the two distilleries. These hogs are not a dead loss; their carcasses are rendered into lard oil. The business of the manufactory, at which this 'saving process' goes on, amounted the last six months to over \$5000. Last year 450 barrels of lard were made of hogs that died in the pens.

In the larger distillery there are now in store about 100,000 bushels of grain. It is a spot as inviting to great rats as ever was California or Australia to gold-loving men. The trade between Cincinnati and New Richmond supports a steamer, which makes daily trips down and back. The freight is mainly hogs and whiskey. But a considerable business is done, also, in flour, of which at the two distilleries there are ground every day about 100 barrels.

There is a child in Fairhaven Mass., 15 months old, which is said to have eight fingers upon one hand.

Green corn and cucumbers, from Charleston, are selling in New York at six dollars per dozen.

**DR. J. LANTZ, DENTIST.**

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewelry store, where he is fully prepared to treat the natural teeth, and also to insert incurable artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.--Hence the necessity of obtaining the services of a dentist near home. All work warranted.

**HOBENSACK'S WORM SYRUP AND LIVER PILLS.**

VIEW OF HOBENSACK'S WORM SYRUP AND LIVER PILLS.

**\$500 CHALLENGE.**

Whatever concerns the happiness and health of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that worms, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually chargeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular--remember that all these denote worms, and you should at once apply the remedy:--

**Hobensack's worm Syrup.**

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, & can be given to the most tender Infant with decided beneficial effect, where Bowel Complaints and Diarrhea have made them weak and debilitated, the Tonic properties of my Worm Syrup are such, that it stands with, or equal in the catalogue of medicines, in giving tone and strength to the Stomach which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

**The Tape Worm!**

This is the most difficult Worm to destroy of all that infest the human system.--It grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach affecting the health so sadly as to cause St. Vitus Dance, Fits, &c. that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills as to remove all obstructions, that the Worm Syrup may act direct upon the Worm which must be taken in doses of 2 Table spoon's full 3 times a day, these directions followed, have never been known to fail in curing the most obstinate case of Tape Worm.

**Hobensack's Liver Pills.**

No part of man is more liable to disease than the Liver, it serving as a filter to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c.--We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots and Plants furnished by nature to heal the sick: Namely Lint, An Expectorative, which augments the secretion from the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2d, An Alterative, which charges in some explicable and insensible manner, the certain morbid action of the system. 3d, A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A Cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

**To Females.**

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their fractional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as head ache, giddiness, dimness of sight, pain in the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being base imitations. Agents wishing new supplies, and Store Keepers wishing to become Agents must address the Proprietor J. N. Hobensack No. 120 N. Second st., Phila., Pa.

**What can be got for Five Dollars!!**

**Grand Literary and Artistic Combination.**

Arrangements have been made to furnish the KNICKERBOCKER MAGAZINE, the HOME JOURNAL, and the NEW YORK MUSICAL WORLD AND TIMES, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The Knickerbocker is \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$3; making \$8 a year at the usual rates. That three such works can be obtained for five dollars a year, is a fact truly worthy the Caloric age, which is just now being ushered in. Of the Knickerbocker Magazine, edited by Lewis Gaylord Clark, it is unnecessary to speak.

For twenty years it has been the most general, humorous, and spicy "monthly" in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris, and N. P. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Storrs Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to nearly everything worth knowing;--Art, Science, Literature, Music, Painting, Sculpture; Inventions, Discoveries; Wit, Humor, Fancy, Sentiment; the Newest Fashions and other attractions for Ladies; Choice New Music for the Sabbath, the Church, and the Fireside; Reviews and Criticisms of Musical Works, Perfected and Performances; in short; the very pick and cream of Novelty, Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it Better, Wiser, and happier, may be now obtained for five dollars. Address DYER & WILLIS, 257 Broadway.

Editors publishing the above three times, and sending the papers containing it to Dyer & Willis, will receive the three works made, for one year.
