NEGLECTED COLDS GROW WORSE

Corns Peel Right Off With "Gets-It"

2 Drops, and the Corn is a "Goner!"

When you've got to walk on the sides of your shoe to get away from those awful corn-pains, there's only one common-sense thing to do.

Use "Gets-It" Your Corns Won't Swell in Water. Besides, They'll Shrive! Loosen and Peel Off!

Put 2 or 3 drops of "Gets-It" on the corn right away. Pain and inflammation will disappear, the corn will begin to shrivel from that instant then it loosens and falls right off.

There's no other corn-remover in the world that acts like "Gets-It." No new discovery has been made in corn-removers since "Gets-It" was born. Don't forget that fact. "Gets-It" does away forever with the use of salves that irritate, bandages that make a bundle of your toe, plasters that half do the work, knives and scissors that draw blood. Use "Gets-It"—no more digging or cutting. "Gets-It" is sold everywhere. 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

IN SOCIAL CIRCLES

Reception in Honor of Mrs. J. J. Goodwin

Reported for The Robesonian.

The reception given last Friday afternoon by Mrs. James D. Proctor and Mrs. Charles V. Brown at Mrs. Proctor's home on North Elm street, in honor of Mrs. Junius J. Goodwin, was an event of great social interest, and was largely attended. The house was elaborately and artistically decorated throughout with quantities of yellow holly, ferns and single margolds. Soft yellow lights in the shape of flowers with green calyxes carried out in detail the color scheme of green and yellow.

Receiving at the door was Mrs. E. K. Proctor, cards being taken by Elizabeth Proctor and Margaret French. From the hall Mrs. H. M. McAllister led the way into the music room and presented the callers to the receiving line, composed of the hostesses and honoree. Mrs. B. W. Page conducted the guests to the dining-room, where Mrs. R. R. Carlyle presided, assisted by Misses Cammie McNeill, Irene McLeod, Agnes McLean, Elizabeth Dexter and Annie Neal Fuller. From the dining room Mrs. H. H. Anderson invited the guests to the library, where delicious yellow fruit punch was served by Mrs. N. A. McLean and Mrs. E. L. Holloway. Here Mrs. Geo. B. McLeod received and entertained the departing callers.

During the hours of receiving about one hundred and twenty ladies called to enjoy the gracious hospitality of Mesdames Proctor and Brown, and to meet the attractive honoree.

Lumbree Research Club

Reported for The Robesonian.

The January meeting of the Lumbree Research club was held Thursday afternoon at the home of Mrs. C. B. Skipper. William Makepeace Thackeray, the subject for the afternoon, was a most delightful study for the club members present. Mrs. C. B. Skipper discussed the novelistic and "Man and Writer" in a very interesting and sympathetic manner. "English Society as Thackeray Saw It", by Miss Mary McNeill, showed the result of much reading on Miss McNeill's part and was a very instructive paper. "The Career of Becky Sharp", doubtless the most famous character from Thackeray's

The man who refuses to acknowledge the fact THAT SOME DAY HE WILL BE IN NEED, is almost sure to find himself in financial distress when he least expects it.

The great trouble with many men and women is that they live from day to day with no thought of tomorrow. Much of the world's poverty is due to the neglect of cultivating the saving habit.

EVERY MAN WHO EARNS SHOULD SAVE. This is the road to financial PREPAREDNESS.

We rarely stop to think how helpful the bank is until we need assistance. But it is much better for you to have money in the bank when you need it, than it is to have to borrow the money from the bank.

Ugh! Calomel Makes You Sick Clean Liver and bowels My Way

Just Once! Try "Dodson's Liver Tone" When Bilious, Constipated, Headachy—Don't Lose a Day's Work.

Live up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into sour bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping.

Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver Tone tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money back guar-

antee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is about stopped entirely here.
