Time of Trains

AT TIONESTA STATION, on and after
July 2, 1876.

Table with columns for Train No., Direction (South/North), and Time (e.g., 9:55 a. m., 5:00 p. m.).

Trains 22, south, and 21, north, are 1st
class; the others are accommodation
trains. These trains only are allowed to
carry passengers.

On the River Division i. e. from Oil City
to Irvineton, up the river is North; down
the river, south.

LOCAL AND MISCELLANEOUS.

—We are prepared to do any amount of
first class job work, just
now, at low prices.

—Azro Copeland, of Harmony twp.,
desires us to say that he has some de-
sirable oil lands to lease. Those wish-
ing to invest can ascertain terms by
calling on him.

—The meeting at Fagundas, on
Friday evening last, which was ad-
dressed by Gen. White, is said to have
been well attended, and was a com-
plete success throughout.

—During the past week Mrs.
Spence, Mrs. Tietzworth, Jimmy Has-
let and a son of J. B. Agnew's have
all been prostrated with diphtheria.
All, we believe, are improving.

—Ex-Sheriff Van Gieson and family
arrived at home from Elk City on
Friday last. M. V. went back the
first of the week to finish up a contract.
He will be at home to vote for Hayes
and Wheeler.

—The 10th day of next month the
Centennial Exhibition closes. Those
who wish to take it in, and at the
same time save their country by vot-
ing on the 7th, have not much time
to lose.

—We received a very interesting
letter from Nebraska this morning,
but on account of the lateness of its
reception, we are unable to publish it.
We will give our readers part of it
next week.

—Our Indian Summer receives
many and severe checks, but still the
weather prophets predict more of it.
They have done better prophesying
this year than ever we have noticed
them doing before.

—Wm. Reck has made up his mind
to develop some of the oil territory in
this section. Some parties who own
lands on which he wishes to drill offer
him fair terms, and are ready to give
him a lease. As soon as the papers
are made out and signed the work will
commence. We hope he will be suc-
cessful in his ventures.

—Wm. Felton's team ran away on
Wednesday afternoon last, starting
from Boyard's store, and bringing up
in front of the Central House, where
they ran straddle of a hitching post.
Mr. Felton was dragged quite a dis-
tance, and somewhat bruised. One of
the horses received a severe flesh
wound in the breast, and the tongue
and whiffle-trees were broken. No
permanent injury was done.

—The meeting held at Lacytown
last evening, was well attended, con-
sidering the weather. Quite a number
of parties from Tionesta attended the
meeting, carrying with them some of
the torches of the marching club, which
the darkness of the night made useful.
The meeting was addressed by E. L.
Davis and S. D. Irwin, Esqs. Mr.
Davis' speech was short, sound, and
convincing. Mr. Irwin delivered one
of his characteristic spicy speeches,
which occasioned much laughter. We
have no report of the meeting at Ciac-
logton, which also took place last even-
ing.

THE MASS MEETING.

On Saturday evening, according to
announcement, Gen. Harry White ad-
dressed a meeting at the Court House
in this place.

About 7 o'clock the marching club,
with torches, appeared on the street,
headed by the Martial Band, and
marched down Elm St., making a very
pretty appearance. On their return
they were followed to the Court House
by a large crowd, which filled the
Court room very comfortably. It
speaks well for the popularity of Gen.
White, that at a time when there was
nothing, aside from this meeting to
attract a crowd, the audience was al-
most, if not fully as large as those at
the meetings held on Court week,
when the town was crowded with peo-
ple.

On motion E. L. Davis, Esq., was
called to the chair.

Hon. J. A. Proper, Capt. Clark,
Messrs. Jno. Thompson, Wm. Heath
and Sam'l Roup, were elected Vice
Presidents.

W. R. Dunn was elected Secretary.

The President introduced Gen.
White, who came forward, and made
the very best effort of the campaign in
this section. He was listened to with
interest for about an hour and a half
by men of both parties. His points
were well taken, and presented with a
clearness that carried conviction with
them. His comparison of the present
"hard times" with the "hard times" of
the past, under Democratic rule, was
forcible, and its truth was attested by
all our older citizens who lived and
did business during those times. He
showed by numerous instances in the
past the fallacy of expecting "reform"
from Tilden and his followers. He
contrasted their promises with their
performances, and showed that when-
ever and wherever they had gained
possession of the government, the ex-
penses had been increased. And did
our space permit, we would like to
present his speech in full, as it was one
of the soundest we have ever heard.

The meeting closed with three rous-
ing cheers for the Republican ticket.

Gen. White can rest assured of a
good majority in Forest; he can rest
assured of his election; and the people
of this district can rest assured that
they will be represented in the next
Congress by a man who has the good
of his country at heart, and who will
represent them with ability and ear-
nestness.

One thing we must not forget to
mention: Gen. White has been a public
man for some years, and has made for
himself a record in that capacity. He
invited an inspection of his record by
the people of this district. We have
examined his public record, and we
never find him mixed up in any "jobs."
We always find his voice and his vote
on the side of economy and the public
good.

—The meeting at East Hickory on
the 20th inst. was a success in point of
numbers and enthusiasm in the cause.
The meeting was organized by motion
of Jas. Green Esq., nominating a
President. The officers of the meeting
were as follows:

F. E. Allison, Pres't.
John H. Ahlstrand and Lewis Kies-
ter Vice Pres'ts,
E. T. Louder and N. P. Wheeler
Sec'y's.

Col. J. H. Dewees lead off with an
able and interesting address on the
issues of the campaign. His remarks
were pointed, and showed that he was
well booked on the politics of the day.

W. E. Lathy Esq., was the next
speaker who made an instructive ad-
dress, summing up in an able manner
the issues of the campaign. His ad-
dress was logical and forcible, and was
listened to with interest.

He was followed by S. D. Irwin,
Esq., who delivered a short address on
the political situation, and a few prac-
tical remarks, fortified by statistics.

—The Forest Press endorses Bob
Ingersoll's religious views, but laments
that he should use his glittering elo-
quence to help the election of a "sanc-
timonious christian"—that's Hayes.
Conver is the only Democratic editor
in the United States whose religious
feelings have not been shocked to
their centre, because a man of Inger-
soll's views of religion should be allowed
to speak in favor of Hayes and
Wheeler.

—Just before we go to press comes
a communication from Lacytown giv-
ing a full report of the meeting in
which the speakers are highly compli-
mented. Sorry it was too late.

Jenks Sound—on the Regular Army.

When Hon. G. A. Jenks made his
speech here on Court week, in defend-
ing his vote against special pensions
for the widows and orphans of the
victims of the Custer massacre, he
said, in substance, "that the regular
army was made up of the roughs,
the rag, tag and bob-tail of society,
and was composed, as a class, of the
very off-scourings of the country, and
he saw no reason why they should
have a larger pension than the patri-
otic soldiers of the late war." We
were a little skeptical about his knowl-
edge of the character of those who
compose the regular army, until we
read in the Crawford Democrat, pub-
lished in Meadville, an account of a
vote which was taken in Co. D, 11th
U. S. Infantry, which stood as follows:
Tilden, 40; Hayes, 4.

—Read a Republican paper, and it
will tell you that the sending of U. S.
troops into South Carolina was neces-
sary and unavoidable, in consequence
of the reign of terror inaugurated by
the Tilden reformers. That negroes
are allowed no rights, either personal
or political. That they are shot down
in cold blood by the "chivalry" of the
South, etc., etc. If you pick up a
Democratic paper you learn that "the
desperate men at Washington are pre-
paring to carry the elections of the
South by force of arms, and by the
flagrant use of the army of the United
States." That there is no terrorism,
no interference with the rights of citi-
zens in any Southern State whatever,
and that in all troubles in that sec-
tion the negroes are the aggressors,
etc., etc. Now who lies? If the Re-
publican side of the story is true, the
presence of the troops will prevent
unholy murderous and cut-throats
from making a negro slaughter-house
of every polling-place in South Caro-
lina. If the Democratic stories are
true, the presence of the troops will
prevent the timid white man from be-
ing "aggressed" by the belligerent
negro. Then why this howl? In
either case the troops are necessary,
and they have been sent in response
to a requisition of the Governor of the
State, who pleads his inability to pre-
serve order. Now who squeals? Not
the Republicans, because they are wil-
ling to see order preserved. The
Democrats howl. Why is it? Are they
willing to let their political brethren
of the South be murdered and driven
away from the polls by the negroes?
The judgment of any sensible man
will tell him that this howl is because
the Northern Democrats are willing
that every drop of negro blood in the
South shall be spilled if it shall in any
way help the election of Tilden.

—Scribner for November being the
thirteenth volume of that magazine
and opens with a fully illustrated ar-
ticle on Hartford, by Mr. Charles H.
Clark, of "The Charter Oak City."
In this number Charles Barnard's ar-
ticles on Co-operation in Great Britain
are begun—with a paper on "A Scottish
Loaf Factory." Mrs. Herrick's very
carefully illustrated microscopic pa-
pers are also here begun—the first be-
ing entitled "The Beginnings of Life."
Mr. Clarence Cook continues his talks
about furniture; Mr. C. F. Thwing
gives as the result of his investigations
in regard to the expenses of an educa-
tion at the principal colleges, includ-
ing cost of board, etc. Donald G.
Mitchell (Ik Marvel) writes about
some of the features of the great Ex-
hibition. There is an illustrated pa-
per on Rome; and a short story by
James T. McKay, a writer well known to
the readers of this magazine; a short story
by Mrs. Burnett, whose serial "That
Lass o' Lowrie's" is continued. Mr.
Hale's story draws toward its close.
There are poems by Thomas Bailey
Aldrich, George Parsons Lathrop, and
others. In the departments at the end
of the magazine, such various subjects
are discussed as—Country Homes,
American Art, Politics, the Jews, the
proper treatment of infants, "Daniel
Deronda," a new photographic process,
etc. "Bric-a-Brac" contains among
other things, the ballad of the Fair
Isolinda, by Hugh Howard; and The
Old Hostler's Experience, by Erwin
Russel.

There are martyrs to headache who
might be cured by using
Tarrant's Seltzer Aperient.
The stomach, overburdened until its re-
cuperative power is weakened, revenges
itself upon the poor head, which it makes
to ache and torture the offender. The use
of this aperient will carry off naturally,
and almost imperceptibly, the offending
cause. The disease is removed, and the
head grows to ache.

FOUND.

DURING our experience of the past six
months, in the GROCERY, DEPT. VIB-
ION, FLOUR & FEED Business in Tion-
esta, we have found the old maxim

"MONEY

saved is money earned," a true one, and
that we have saved the people of the bor-
ough and surrounding country a consid-
erable amount.

Having had a long experience in the
wholesale business, we have peculiar fa-
cilities for buying from first hands, which
enables us to offer extra inducements to
Cash Buyers, and having adopted the true
system of doing business for

CASH

only, we can sell goods for a much less
profit, in fact, competing with prices in
any of the cities in the State.

In thanking the citizens for liberal pat-
ronage in the past, we announce our re-
moval from the Fisher Store, to the pleas-
ant location known as the

ACOMB BUILDING,

(Immediately south of the Company Store)
where, in consideration of the continued
depression in the times, we have again low-
ered our prices, believing that goods should
not be sold at war prices, where the opportu-
nities to make money are so much less.
In future our store will be kept open
until 9 P. M., for the mutual benefit of the
general public and ourselves.
J. H. DERICKSON & CO.

Grateful Thousands proclaim VIX-
EGAR BITTERS the most wonderful re-
fuge that ever sustained the sinking
system.

No Person can take these Bitter
according to directions, and remain long
unwell, provided their bones are not de-
stroyed by mineral poison or other
means, and vital organs wasted beyond
repair.

Bilious, Remittent and Inter-
mittent Fevers, which are so prev-
alent in the valleys of our great river
throughout the United States, especially
those of the Mississippi, Ohio, Missouri,
Illinois, Tennessee, Cumberland, Arkan-
sas, Red, Colorado, Brazos, Rio Grande,
Pearl, Alabama, Mobile, Savannah, Ro-
anoke, James, and many others, wit-
their vast tributaries, throughout an
entire country during the Summer and
Autumn, and remarkably so during sea-
sons of unusual heat and dryness, are
invariably accompanied by extensive de-
rangements of the stomach and liver,
and other abdominal viscera. In their
treatment, a purgative, exerting a pow-
erful influence upon these various or-
gans, is essentially necessary. There
is no cathartic for the purpose equal to
DR. J. WALKER'S VINEGAR BITTERS
as they will speedily remove the dark
colored viscid matter with which the
bowels are loaded, at the same time
stimulating the secretions of the liver
and generally restoring the health,
functions of the digestive organs.

Fortify the body against disease
by purifying all its fluids with VIX-
EGAR BITTERS. No epidemic can take hold
of a system thus fortified.

Dyspepsia or Indigestion, Head-
ache, Pain in the Shoulders, Coughs,
Tightness of the Chest, Dizziness, Sou-
rings of the Stomach, Indigestion,
in the Mouth, Bilious Attacks, Palpita-
tion of the Heart, Inflammation of the
Lungs, Pain in the region of the Kid-
neys, and a hundred other painful sym-
ptoms, are the offspring of Dyspepsia.
One bottle will prove a better guarantee
of its merit than a lengthy advertise-
ment.

Scrofula, or King's Evil, White
Swellings, Ulcers, Erysipelas, Swelled Neck
Gout, Rheumatism, Inflammation, Indolent
Inflammations, Mercurial Affections, Ol-
ders, Eruptions of the Skin, Sore Eyes, etc.
In these, as in all other constitutional dis-
eases, WALKER'S VINEGAR BITTERS has
shown their great curative power in the
most obstinate and intractable cases.

For Inflammatory and Chronic
Rheumatism, Gout, Bilious, Remittent
and Intermittent Fevers, Diseases of
the Blood, Liver, Kidneys and Bladder,
these Bitters have no equal. Such Diseases
are caused by vitiated blood.

Mechanical Diseases.—Persons en-
gaged in Paints and Minerals, such as
Plumbers, Type-setters, Gold-beaters, and
Miners, as they advance in life, are liable
to paralysis of the bowels. To guard
against this, take a dose of WALKER'S
VIX EGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tet-
ter, Salt Rheum, Itch, Scalds, Ringworms,
Scald-head, Sore Eyes, Erysipelas, Itch,
and Diseases of the Skin, of whatever
nature, are literally dug up and carried
out of the system in a short time by the
use of these Bitters.

Pin, Tape, and other Worms,
lurking in the system of so many thousands,
are effectually destroyed and removed. No
system of medicine, no vermifuges, no an-
thelmintics will free the system from worms
like these Bitters.

For Female Complaints, in young
or old, married or single, at the dawn of
womanhood, or the turn of life, these Tonic
Bitters display so decided an influence that
improvement is soon perceptible.

Cleanse the Vitiated Blood when-
ever you find its impurities bursting through
the skin in Pimples, Eruptions, or Sores;
cleanse it when you find it obstructed and
sluggish in the veins; cleanse it when it is
foul; your feelings will tell you when. Keep
the blood pure, and the health of the system
will follow.
