

REPUBLICAN STATE TICKET.

FOR SUPREME JUDGE, HON. JAMES P. STERRETT, OF ALLEGHENY COUNTY.

FOR STATE TREASURER, CAPT. W. B. HART, OF MONTGOMERY COUNTY.

FOR AUDITOR GENERAL, HON. J. A. M. PASSMORE, OF SCHUYLKILL COUNTY.

REPUBLICAN COUNTY TICKET.

FOR TREASURER, WM. LAWRENCE, OF TIONESTA.

OUR NOMINEES.

That our readers may know something of our State nominees, we extract the following facts from their personal history:

Judge James P. Sterrett is about fifty-five years old, a resident of Pittsburgh, and a native of Western Pennsylvania. He has passed most of his professional life in Allegheny county, where he has twice been elected to the President Judgeship—the second time, in 1872, without any opposition from the Democracy.

William B. Hart, the nominee for State Treasurer, was also given that honor by acclamation, and may be said to have had no opposition whatever. Mr. Hart is a native of Montgomery county, and, until the age of twenty-one was employed as a farmer and brick-layer, receiving only a common school education.

John A. M. Passmore, of Schuylkill, candidate for Auditor General, is a native of Chester and of Quaker extraction. He has lived in Pottsville since 1860 and has been prominently identified with the educational and business interests of his locality and has taken an active part in politics since 1872 when he was Chairman of the Republican Committee of the county.

The crime of perjury which has been steadily growing since the enactment of the law allowing defendants to testify in their own behalf, called forth, none too soon, a stinging rebuke from Judge Pearson at Harrisburg. The learned Judge in passing sentence on three tramps convicted of larceny, two of whom had sworn positively they knew nothing of the transaction, seized the opportunity to speak of the bad effects of the law on the morals of the community, and then addressing the prisoners, said that their perjury

was evident in every one in the court room called for severe punishment and that hereafter all who came before the court and resorted to false swearing to clear themselves would be severely dealt with. The court then sentenced the two who had sworn to their innocence to one year in the Eastern penitentiary, while the third, who had declined to enter the witness box, escaped with six months in the county jail. This action on the part of Judge Pearson is commendable and should be imitated by every criminal judge in this Commonwealth.

A young fellow named Lenord was amusing himself at Shawsville, on Sunday last, by shooting mark—a very creditable Sunday pastime by-the-way—when Thomas McGlynn happened along the road and stopped where Lenord was shooting. McGlynn was hurt on a log job about a year ago, and it was necessary to have one of his legs amputated, since which time he has been kept at the expense of Goshen township. He had just gotten able to be about on a wooden leg and at the time he met Lenord he was returning from a log camp whither he had gone the day before and secured work for the winter. As they stood there together Lenord again loaded the pistol, and while working at it for some purpose he held the muzzle toward McGlynn when it was accidentally discharged, the ball taking effect in the latter's sound leg. The ball we believe, is still in the leg, and there is no telling what the result may be—possibly to place McGlynn a helpless cripple, upon the township for life. This certainly is a sad occurrence.—Clearfield Journal.

The political complexion of the next United States Senate, which meets in special session October 15th, is as follows, so far as the politics of the Senators, is at present defined: Republicans, thirty-nine; Democrats, thirty-three; Independent Republican, one. There are three vacancies—one from South Carolina, caused by the retirement of Senator Robertson, and two from Louisiana, one being the vacancy caused by the retirement of Senator West, and other being known as the Pinchback vacancy, which has existed for four or five years past. The applicants for the South Carolina vacancy are David T. Corbin, Republican, and M. C. Butler, Democrat. The applicants for the two Louisiana vacancies are William Pitt Kellogg, Republican, and J. B. Eustis and James Lewis, Democrats. Should these vacancies be filled by Democrats, the Democrats would have thirty-six members.

Don't go abroad for work, is the timely advice of the American Consul at Liverpool to the mechanics of this country. His observation is that those who have left the United States within a year, hoping to find employment in England, have been previously disappointed unless they went out under contracts guaranteeing them work. The applications at the Consulship for relief has incited the Consul to issue this notice. There is no more chance for an American mechanic or carpenter in England at this time—indeed not so much—than there is at home, where at least he will be among friends and not left destitute among strangers, as has been the case with so many workmen who have gone abroad in search of employment.

"Dear Old Homestead," is the title of a very fine new song, by Miss Anna C. Hill. This song has taken a strong hold on the popular fancy. Price 40 cents, with splendid lithograph of a country homestead. "Tis a place I shall ever remember, Should I live to be fifty years old; 'Twas the home of us all in our childhood, And we prize it, yes higher than gold. Address all orders to F. W.
