LOCAL AND MISCELLANEOUS.

—Rev. Elliot will preach in the Presbyterian Church, on Sunday next, morning and evening. Sabbath School at 3 o'clock p. m.

—Mr. Eli Holeman, of Tionesta Township, is to-day announced as a candidate for County Commissioner, subject to Republican usages.

—Mr. D. G. Hunter, of Tionesta Twp., is to-day announced as a candidate for County Commissioner, subject to Republican usages.

—Mr. Wm. Patterson, of Kingsley Township, is to-day announced as a candidate for Jury Commissioner, subject to Republican usages.

—Mr. Alex. Gordon, of Elkhart, Ind., and G. W. Dithridge, of Pittsburgh, are in town to-day, both looking hearty.

—Through trains from Buffalo to Pittsburgh will commence running over the P. T. & D. R. R. on the 15th inst.

—We noticed Dr. J. Gordon Carnahan, of the First Presbyterian Church of Meadville, in town yesterday, having a visit with Rev. Elliot.

—Davy Hilands came in from the forests yesterday with ninety dozen live pigeons, and starts out to-day for some more. The lot brought in can be seen at the Central House barn.

—Titusville and Franklin National Banks are now paying out gold for their notes. It occurs to us like this kind of work might knock the breath out of the Greenback party.

—Some of our young men were up at Hickory last Sunday, witnessing a general baptism of the converts of the Free Methodist Church of East Hickory. They were eleven in number, and were immersed in the Allegheny River, by the pastor.

—As last winter was one of the mildest on record, for many years, we have also the most forward spring within the memory of the oldest inhabitant. If we are not visited by severe frosts this spring, we may look for good crops of all kinds in the fall.

PIGEON SHOOT.

Mr. L. Agnew desires us to inform the public that he will have a grand pigeon shoot in Tionesta, on Thursday of next week, May 9th and 10th. He has three thousand lively pigeons on hand, and sportsmen can be assured of having all they want to shoot at. The shoot will be under the direction of some experienced person, and everything will be done according to the most approved rules.

—We have had lots of rain and an abundance of water in the creek and river since our last issue, and if all the lumber is not out it must be the fault of the lumbermen. At any rate, a large amount has come out, and the greater part, if not all of it, has gone down the river. Our town looks lonesome during these floods, because all of our able-bodied citizens, young and old, go down the river if they can possibly get away. We are not informed as to how lumber is selling below.

—An ordinance passed by the Boro Council on last Monday evening, prescribing the method of building new sidewalks, is published in to-day's paper. This ordinance was passed after getting the opinion of many of our best and most practical men on the subject, all of whom were agreed that the plan prescribed was the best that could be recommended for our town.

—The remarks of Gen. Harry White in Congress, on the River and Harbor Appropriation bill take up so much of our space to-day that we have not very much left for local affairs. However, we consider the remarks good reading matter, and a perusal of them will convince any of our readers that Gen. White is capable of taking care of the interests of his district.

—The Paris Exposition opens to-day. If we are missed from these busy haunts of our usefulness in the course of a few days, don't look for us on this side of the water,—that would be labor in vain; just go across the river and look up some of these little trout streams,—you'll find us engaged in an exposition of angle-worms to the gaze of the trout.

—The attention of our free and enlightened voters is called to the fact that not a candidate for County Auditor is announced in either party. This is really an important office, and three good business men and good accountants should be chosen. Don't be backward, gentlemen; there is still room.

—The Superior Mills, across the creek, are in full blast, under the watchful eye of Wm. Richards, who is bossing the job. The lumber is being sawed, we believe, for Messrs May & Kelly. During the high water of the past week a large number of logs have been floated into the boom.

—In the East matters look more like war than they have since the British lion began to roar. Bismark has ceased to mediate, and the business circles of England are clamoring for war. Money gained by pushing a war upon the people would look very much like "blood money."

H. S. BROCKWAY, Co. Superintendent of Forest County. Tionesta, March 27, 1878. 4t.

Bethesda Water! Bethesda Water!

The Most Wonderful Discovery of the World Has Ever Known—It is a Certain Cure for All Kidney Diseases.

For the benefit of those similarly afflicted, I hereby certify that, about the middle of October, I had a violent attack of an affection of the kidney, having all the symptoms of gravel. The pain at times was excruciating, so that life would have been a burden had I found no relief. I tried several remedies recommended by an old and skillful physician, without any benefit whatever. After suffering two weeks a friend brought me a gallon of Bethesda Water, sold by Mr. Joseph Fleming, Market street and the Diamond, Pittsburgh, and before I had used the second gallon I was entirely cured, and have not had a symptom of the disease since. I believe this water is a sovereign remedy for all diseases of the kidneys, including the litho-incurable disease, diabetes. By writing to Mr. Fleming he will send by mail, free, printed circulars.
