Church and Sabbath School. Presbyterian Sabbath School at 9:45 a. m.; M. E. Sabbath School at 10:00 a. m. Preaching in M. E. Church every Sabbath evening by Rev. Small.

LOCAL AND MISCELLANEOUS.

—Miss Louisa Killmer is quite ill with typhoid fever at her home.

—Three burials in one day is rather an unusual occurrence for Tionesta, yet that happened here last Sabbath.

—Last week was an exciting one for Tionesta, but everything has subsided into the usual quietude and sublimity.

—Sheriff Agnew, accompanied by J. F. Proper and J. C. Welch, departed for Allegheny on Monday having in charge the three prisoners, Wilson, Haggerty and Barber.

—Dolph Heibel stopped a few hours in town to-day. He is selling an A 1 cigar, which is put up at his factory in Warren. Dolph is a practical cigar maker himself, and it is always safe to invest in his goods.

—Those candidates who have not yet ordered their tickets for the ensuing primary elections should do so at once. The same rules will govern the matter of ticket printing as is applied to announcements—cash with the order, invariably.

—Rob. Hoskins, of the Bathgate (D. T.) Sentinel, gets off the following on himself, upon which we congratulate him: "A good sized boy was found at the residence of the editor on Saturday morning; for further particulars ask Dr. Sutton."

—We are pleased to state that the reported death of Mr. J. B. Pearsall on the prairie near South Pueblo, Colorado, is unfounded, and that he has turned up alive and quite well, as will be observed by a card of thanks from his wife published in this issue.

—It was just three weeks last night that the desperado made their daring attempt to rob the Wagner household, and to-day they languish in the solitude of Riverside Penitentiary, under a ten-year sentence. Forest county justice is both swift and terrible.

—Mrs. Pownell, wife of Mr. Thomas Pownell of Hickory township, died on Sunday morning last. We are without particulars as to the cause of death. She was aged in the neighborhood of sixty years. Her husband, a son and three daughters survive to mourn her death.

—A delightful, refreshing and much needed shower of rain visited this section Monday night, and continued at intervals through yesterday. It came none too soon, for the ground was almost parched, and forest fires were raging on all sides, destroying everything in their wake except, perhaps, rattlesnakes.

—By reference to the announcement column it will be observed that Mr. John Osgood has withdrawn his name as a Republican candidate for Sheriff. In doing so Mr. Osgood wishes to assure his friends that it is done for purely personal reasons, believing it would be of too much disadvantage to him in his business to make a canvass at this time.

—The recent legislature passed a law repealing the scalp law except as to wolves and wildcats. The Governor has signed the bill, and no more bounty certificates should be issued by justices, except on wildcats and wolves, because the treasurers will not be allowed to pay bounties on any but these. So far as our county is concerned we would like to have had the law remain as it was, but bordering counties raised such a howl about the expense to which they were subjected that its repeal was inevitable, and some very good legislators would have been paralyzed had they returned to their constituents without securing the repeal of this law. The bounty on foxes should be restored, and perhaps will be in two years.

Attention Farmers! Eli Rice will be at our store and pay cash for Wool on May 26th, June 2nd, and June 9th.

H. J. HOPKINS & CO.

—Mr. W. H. Frost of Howe township, recently purchased an additional 1000 acre tract of timber land near his present location, which he intends manufacturing into lumber forthwith. A score or two of men can find employment at his camp for the next two months, or during the bark peeling season.

—The relatives of Mrs. Mary J. Savage in this place received the intelligence of her death last week. We are without particulars. Mrs. Savage was well and favorably known to the older inhabitants of this vicinity, having been raised from childhood in Tionesta, where she lived until about twelve or fourteen years ago. She leaves two grown sons and a daughter, besides a large circle of friends and relatives to mourn her loss. She was with her daughter, in Idaho, at the time of her death.

—As the new congressional apportionment now stands, or as it went to the Governor, Forest county occupies a position among such counties as Elk, Clarion, Clearfield and Centre. The bill gives the Republicans 19 and the Democrats 7 districts, with 2 doubtful. It was gotten up to suit a few individuals without regard to what the people thought about it, and on final passage in the House had the bare constitutional majority of 101 votes. It is a matter of some conjecture whether or not Governor Beaver will attach his signature to the bill.

—An act was passed during the closing hours of the legislature, having for its purpose the encouragement of forest culture, and among its provisions is one relative to setting fire to wood lands. The penalties are very severe, and whether carelessly or purposely done makes no difference. Seeing so many fires raging in the surrounding woods reminded us of this recently enacted law, and we give this piece of news as a warning to those who, either through carelessness or vandalism, start them. The law should be applied with all possible vigor.

—Mr. S. R. Cogan, of St. George, W. Va., made friends in Tionesta, a flying visit Monday remaining until yesterday. Sim has charge of the stocking department of the immense lumbering interests of Hulings & Co., on the Cheat river, and has three large camps to oversee and manage. It was in connection with this business that he was called to Oil City, and while there concluded to take a run up and shake hands with old friends, of which he has many about here. They will all be pleased to learn that he is meeting with excellent success in that land of mountains and timber. He reports all the Forest county people now located in that country, as well and happy.

—The Pennsylvania legislature adjourned sine die, at 12 o'clock, noon, Thursday last. The closing hours were very busy ones indeed, both houses remaining in session all Wednesday night and passed finally an immense number of bills, which were all placed in the Governor's hands by eight o'clock in the morning. Although up all night the members were in a jolly mood, and when the hour of 12 arrived and the gavel of the two houses fell almost simultaneously, upward of three hundred voices broke out upon that grand old Scotch air, "Auld Lang Syne." Legislatures all break up with this tune. All told, the legislature just adjourned will compare very favorably with any previous body, in point of ability and decency.

—F. X. Krietler, of this place, started for Nebraska, Forest county, Monday last, where he will be associated with W. G. McCain in the management of the business and large lumber mill of Collins, McCain & Co., located at that place, and will also be a partner in the firm of McCain & Krietler, owning and conducting a general merchandise store at the same point. During his long residence in Brookville, Mr. Krietler has won the confidence and respect of all our people, who will wish him success in his new home. The company owning and operating the mill has 7,000 acres of timber land, about 4,000 of which has never been touched, and cutting at the present rate it will take about thirty years to exhaust the supply of timber.—Brookville Democrat.

GRUBBS.—Lillian Arilda, daughter of Henry and Cynthia Grubbs, at her home near Ross Run in Kingsley township, on Thursday evening, May 19th, 1887, at 9 o'clock, p. m., of disease of the heart, aged 14 years, 8 months, and 22 days.

Funeral services were held in the M. E. Church in this place on Sunday at 1 o'clock, p. m., by Rev. Small. The body was then laid away in the Riverside Cemetery there to await a second awakening to a life that is immortal.

OBITUARY.

HINTON—Charles, and Sarah, his wife, at their residence, corner of May and Vine Streets, Tionesta, Pa., on May 21st, 1887, the former at 10 o'clock, a. m., the latter at 2 o'clock, p. m.

Charles Hinton was born near Bath, England, and was 56 years of age at the time of his death. He came to America about 30 years ago, and resided for some time at Binghampton, N. Y. He was married while living at Binghampton. He came to Tionesta in the spring of 1861 to work for Messrs. Kelly, Holmes & Co., in their barrel factory, he being a cooper by trade, as well as a carpenter of considerable skill. He has since resided here. About 10 years ago his wife died. He was married a second time to Miss Sarah Host in the spring of 1882.

What Mr. Hinton did, he aimed to do well. This was characteristic of the man. He was a success as a gardener and arboriculturist, and was peculiarly skillful with vines and small fruits. He has acted as sexton of the cemetery for about 18 years, and on account of his careful management and good taste was appointed by the managers of Riverside Cemetery to attend to all burials in their grounds.

Within the limits by which his life, his energies, and his activities, were bounded he was, indeed, a useful man.

Mrs. Sarah Host Hinton was born in Farmington township, Clarion county, Pa., December 7th, 1841. She died aged 46 years, 4 months, and 13 days. She came to Tionesta 12 years ago, and for 7 years made her home with Mrs. D. S. Knox. She was an invalid for a number of years, and during the last year her case was considered hopeless. A mother, three sisters, and two brothers mourn her loss. She was highly respected, and all who knew her have kindly and pleasant memories only of the friend and acquaintance departed. Mr. Hinton was in his usual good health the Sunday before his death. On Monday he went to bed sick. His wife was lying unconscious at this time, her death hourly awaited. She was conscious, probably, once after this, but did not know of her husband's sickness.

It was a sad and an affecting sight, that of husband and wife lying silent in death in their own home at the same time,—a sight not often witnessed. In a double grave in Riverside Cemetery, on Sunday evening, between 5 and 6 o'clock, side by side, their bodies were laid to rest.

Rev. Hickling conducted the funeral services. A large concourse of people followed the remains to the grave attesting the respect in which they were held. "In their death they were not divided."

The undersigned sidewalk Committee of North Ward publish this that citizens may see what is needed to have good walks, and it is to be hoped that repairs may be made as indicated, so that the Council may not be required to notify owners to build new side-walks, as they have no power to order repairs merely.

S. D. IRWIN, of Side-walk Committee.

W. C. T. U. CONVENTION. The second annual convention of the Woman's Christian Temperance Union of Forest County, met in the Presbyterian Church, at Tionesta, May 17, 1887, and was called to order at 1:30 p. m., with Mrs. J. H. Derickson, President, in the chair.

hed, "Our County Union," when the meeting adjourned till 7:30 p. m.

The evening session was opened with devotional exercises led by Mrs. Mair, followed by Mrs. Allender reciting a poem. The lecturer, Mrs. Mair, of Pittsburgh, then delivered a very entertaining address. A collection was raised while the choir sang Rock of Ages, and the meeting closed with the benediction by Rev. Small.

On Wednesday morning the meeting was called to order at 9 o'clock. The ladies were somewhat startled to notice that the beautiful motto "Welcome," which greeted them the day before, had swung about, giving them the cold shoulder, as it were, but as it requires a great deal to "dampen" the ardor of temperance women, we compelled it to "right-about face" and the work went on. The devotional exercises were conducted by Mrs. Rev. Wood of Oil City, the 1st Psalm was read, and the choir sang "What hast Thou Done for Me," followed by other selections. Mrs. Wood then delivered a short but excellent address. Miss Nellie Cobb read an essay entitled "The Model Y," showing a wonderful progress of the "Y's" from the small number of seven organized in Mrs. Patton's parlor in Philadelphia, but a short time ago, to the present number of 168 Unions in the state, with over 5000 members. The superintendents of the various departments then made their reports, which were quite satisfactory. The question, "what shall be done with inefficient workers" was discussed, followed by an exceedingly interesting and soul-stirring account of prison and railroad work by Mrs. Mair. The following officers for the ensuing year were then elected:

President, Mrs. J. H. Derickson. Vice President, Mrs. W. R. Coon. Rec. Sec'y, Mrs. T. F. Ritchey. Cor. Sec'y, Mrs. T. W. Allender. Treasurer, Mrs. A. B. Kelly.

At the afternoon session the report of the committee on resolutions was read and adopted without discussion. The time and place of next meeting was agreed upon, viz: at Greenwood, in September 1888. Appropriate and interesting remarks were made by Rev. Small, Miss Watson, and Mrs. Mair, after which the benediction was pronounced by Rev. Small, and the convention adjourned sine die.

Mrs. T. F. RITCHEY, Sec'y.
