Girls whose conversation is mainly composed of slang might about as well smoke cigarettes. The two go very well together, and neither is respectable.

When "kids" hear nothing but slang at home how can they be expected to develop into anything but "billy" and "nannie" goats as they grow older?

Strength and vigor come of good food, fully digested. "Force," a ready-to-serve wheat and barley food, adds no burden, but sustains, nourishes, invigorates.

Edinboro Summer Normal prepares for teaching, college and for regular Normal work. Session begins July 6th. For further information address, John F. Bigler, Principal.

There's a potato famine in this town just at the present writing, and the new crop don't appear to have touched us very hard yet. Without potatoes we're gone, that's sure.

The Dancing Club gave another of their delightful parties in Bovard's Hall last evening, and in spite of the extremely warm weather, all seemed to enjoy themselves hugely.

The excursion from Bradford and Olean to Titusville and intermediate points last Sabbath contained 13 coaches, and every one was loaded to its fullest capacity with human freight.

Farmers report the hay crop looking up since the wet season set in, and the probability is that the yield will be pretty nearly up to the average by the time harvesting begins. So mote it be.

Following is the list of letters lying unclaimed for in the post office at Tionesta, Pa., for the week ending July 1st, 1933: R. W. Guethoff Esq., card. Mrs. C. J. Grove, card. D. S. Knox, P. M.

D. W. Hunter, for a number of years foreman of the Proper Reserve lease, in Howe township, but now holding a similar place in the Stewart Run oil field, was a visitor to town Saturday, and while here gave the REPUBLICAN a pleasant call.

Here's a tip for some of our poultry fanciers who are offered head to grumble at there ill luck in raising chicks. Mrs. F. R. Larson reports the setting of a hen over twenty-one eggs, every one of which hatched, and the big brood is doing finely.

There is one thing I can never understand," said a patient looking woman, "and that is why a man who has been sitting with a crowd all the afternoon at a base ball game will come home and say that the noise of the children makes him nervous."—Ex.

Justices of the Peace are hereby warned that the U. S. Pension Agency at Pittsburg, Pa., will reject all vouchers executed by them, unless they comply strictly with the Act of Assembly approved April 25, 1903, requiring them to use a seal as described in section 2, and that date of expiration of commission be given. Aldermen, being ex-officio justices of the peace, will be required to comply with said Act.

No Paper Next Week.

No paper will be issued from this office next week, which is equivalent to saying that the Fourth of July is coming, and we're afraid to take the chances on a recovery from that eagle screaming event in time to get out an edition of the REPUBLICAN. The office will be open for business all week, and all parties having claims against the institution will call and get their cash, while those knowing themselves indebted (doubtless there are a few of these) will probably pass by on the other side. May you all have a fine old Fourth, and come through it safe and sound.

J. M. McClure of Youngstown, Ohio, is here on his annual trout fishing excursion. He seems to encounter some sort of hoodoo when he strikes this latitude, for the down pours of rain make trout fishing out of the question. It happened so just a year ago when he arrived here.

Stephen Tuskas, 12 year-old son of Andrew Tuskas, of Latrobe, Pa., died Saturday morning from lockjaw, caused by the explosion of a toy pistol, the cartridge of which tore his mouth. Another warning against the use of the "toy," about No. 50, we should say, within the past two weeks.

Gus B. Evans relying entirely on the word of the REPUBLICAN, came down from Endeavor to see the ball game between Tionesta and Tidioute, but was disappointed. The fact is we didn't suppose a little flood in the river would cripple the home team to the extent of postponing a regularly scheduled game.

The jury in the trial of Harvey Zillafro, at Kittanning, last week, disposed of the case promptly by bringing in a verdict of murder in the first degree. Zillafro was tried for the murder of his young wife at Brady's Bend on the night of February 14th, through insane jealousy. It was a coldblooded and brutal affair.

County fairs will be held in this part of Pennsylvania on dates following: Kittanning, Aug. 18-21; Butler, Aug. 25-28; Cambridge Springs, Aug. 25-28; Clarion, Sept. 8-11; Stoneboro, Sept. 1-3; Mercer, Sept. 14-16. Little ten-year-old Willie Matthews, of Oil City, who is visiting at Mrs. Conger's here, had his right forearm broken by falling off the tree while picking Juneberries on the hill back of town last Friday. The little fellow is nursing his "pet" with a good deal of complacency, as though it were one of the necessary accompaniments to a genuine vacation away from home.

The Franklin News explodes a very pretty astrological theory in this off-hand fashion: A Titusville astrologer publishes a monthly forecast of the trend of the stock market. If his prophetic power is reliable, he ought not to be obliged to do anything so laborious as to cast horoscopes for the people. A few weeks on the stock market would give him a life of elegant ease as coupon-clipper.

B. J. Day, for many years a citizen, and the present postmaster of Kellektiville, has disposed of his interests in that place, including dwelling, store, etc., to Leon Watson, and expects soon to remove elsewhere, having resigned as postmaster. James West, who has conducted the Brooklyn House for several years, has also sold his property, Clyde Reed being the purchaser, and who will conduct that popular hotel.

Capt. Henry Boyer, one of Bradford's prominent business citizens, took advantage of the excursion Sunday to pay a visit to his old friend and comrade-in-arms, Capt. C. W. Clark of this place. The two captains did valiant service for Uncle Sam from '61 to '65, when there was stirring times in the southland, and they enjoy talking over the old times now and then, and their recitals are very entertaining to "us young fellows."

Harry Buxton, a former Tionesta boy, and Miss Etta Putnam, an estimable Grand Valley young lady were married at the M. E. church at Garland, on Wednesday last, Rev. S. T. Davidson officiating. Harry has many friends here who wish him a long life and a happy one for himself and bride. It will please his friends to learn that the groom has a nice situation with the D. A. V. & P. Railroad at the Valley.

Marriage is a solemn thing, and yet it has an occasional jolly flash to lighten the gloom! Last Saturday in the Presbyterian church at Waynesburg, Pa., William Stoy and Ella Core stepped from the choir and were married. The amusing feature was the fact that at the moment the couple came forward the choir was singing the hymn, "O happy day that fixed my choice." The couple did some blushing, but the ditty was all right.

The Superintendent of Schools of Forest county has called a meeting of the directors of the county, pursuant to an act of Assembly passed at the recent session of the legislature, for Friday, July 17, at the court house, Tionesta, at 10:00'clock p. m., for the purpose of forming a county association of school directors. The act seems to make it the duty of all directors in the county to attend this convention, and if we are correctly informed allows a compensation for expenses. The act further provides that annually hereafter the superintendent shall call such a meeting of the directors.

Death of George H. Dimond.

George H. Dimond, one of the pioneer contractors and builders of the city and a resident who has a wide circle of friends throughout the oil country, died suddenly about 7:30 o'clock on Thursday morning from neuralgia of the heart. About 7:15 o'clock on Thursday morning Dr. G. W. Magee received a telephone call at his home to come at once to the rooms of Mr. Dimond on Main street. He arrived and found the front door of the shop, the rear of which Mr. Dimond used as sleeping apartments, unlocked. When Dr. Magee entered the bedroom, he found the patient unconscious. Dr. Magee called James Kellogg, a neighbor, and the two worked for some time in an unsuccessful attempt to restore Mr. Dimond to consciousness. He had evidently called for medical assistance and, after unlocking the door, returned to bed.

The deceased was in his 69th year and was born in Pinegrove township. In the early 60s he came to Oil City and, with the exception of about two years spent in Kansas, this was his home from that time until his death. Mr. Dimond was a charter member of Trinity M. E. church and of Petrolia lodge, F. & A. M., this city. He is survived by three sons, William W. and Ernest of Oil City, and James H., of Pittsburg; also by one daughter, Mrs. W. H. Farren, and one stepdaughter, Miss Lilly Dimond, of Siverly. The arrangements for the funeral were not completed last evening, awaiting the arrival of friends from a distance.—Oil City Derrick.

Mr. Dimond was well and favorably known to many of our citizens, his father the late James Dimond being a resident for many years of Tionesta, where George was raised to young manhood. He was an uncle to our townsman James H. Fones.

The funeral was held in Siverly last Saturday afternoon at 2 o'clock, Petrolia Lodge, F. & A. M., of which deceased was a member, attending in a body.

Disastrous Fire at Wilkinsburg. A disastrous fire at Wilkinsburg, Pa., in which former Forest county people were the heaviest losers, occurred at an early hour Monday morning last. The large planing mill of W. F. Young & Co., was taken, together with a large stock of lumber. Other losses were sustained but those of the firm mentioned was by far the heaviest, being reported by yesterday's Pittsburg papers at fully \$40,000, with only \$9,500 insurance. The fire is supposed to have been caused by a spark from a passing locomotive, although the exact origin is not known.

Mr. Young and his partner's are former Forest county people, and their friends here will learn of this loss with much regret. It is the second time within a few years that this firm has been similarly unfortunate. The fire will throw a large force of men out of employment for a season.

Some protection. The Pure Food Law gives you some protection against impure food. Food of any kind, if it contains anything but the pure article, must be so labeled or marked "compound." Look on the back of the average Vanilla bottle and you will be apt to find it contains Tongva in addition to Vanilla; or it may be marked "compound." No Protection. The Pure Food Law is a good one, but like most laws is not obeyed at all. There are many unscrupulous manufacturers of Vanilla. These take chances of not being detected—they put up the worst kind of Extract and sell it for pure Vanilla. BOVARD'S EXTRACT OF VANILLA is Made From Vanilla Bean. BOVARD'S PHARMACY.

L. J. Hopkins. Is Performing Wonders. Thompson's Barosma, Kidney and Liver Cure. Is not only performing wonderful cures, as the following statements will prove, but all the cures have been permanent, there being no return of the disease or any of the symptoms after a lapse of many years. E. K. THOMPSON & SON, Titusville, Pa.—Dear Sirs—Several years ago I was taken with kidney and bladder disease, and suffered with terrible pain, besides losing control of the action of my kidneys and bladder. A number of doctors had my case at different times, but I received no benefit, and was given up as incurable and fully expected death would relieve my sufferings. A friend recommended BAROSMA and I began taking it. At first I could see little change, but after taking about six bottles, I began to get better. I continued to use it and today am entirely cured. I am an old resident of this county and an well known in this section, and consider myself a walking advertisement for your TRULY WONDERFUL medicine, BAROSMA. Yours respectfully, NATHAN BURDICK, West Hickory, Pa. The first bottle did me so much good that I bought the second and it cured me of female weakness, with which I had been troubled more than two years. I gained in strength and flesh and have been well ever since. This was six years ago. Mrs. M. GRUVE, Plum, Penn'a.
