THE COUNTY POOR HOUSE AND
INSANE ASYLUM.

A VISIT TO THESE COUNTY IN-
STITUTIONS.
DESCRIPTION OF THE BUILDINGS AND GROUNDS
Talk with the inmates.
Searched, Fig. 2c, 2c, 2c.

Comparatively few people in Edgecombe
have any idea of the character, manage-
ment or extent of the above public insti-
tutions, which should appeal as strongly to
the best instinct of every good citizen.

Accepting the public invitation of Dr. W.
A. Dargatz, Superintendent of the Poor,
on Friday last, in company with
number of county officials and other citi-
zens, paid a visit to these works and pur-
pose now to lay down a few of our obser-
vations.

At the first of the year the County
Commissioners determined to erect on the
lands of the county a suitable
ASYLUM
for the insane, who were unable to obtain
admission to the State Asylum on account
of the crowded condition.

Work was accordingly commenced on the
building on the
TWELFTH OF MAY
last, and has been progressing ever since,
with the exception of about six weeks in-
terrupted by a heavy rain, which has
prevented the workmen from being paid by
the day.

The main structure is 61x35 feet and
contains fourteen cells or rooms, 12x10
feet each. These rooms are
entirely new, having a window in each 2x4
feet, across which are iron bars one inch
in diameter.

Two passages 8x10 extend down the
building, each of which terminates in a
comfortable dining room, 15x18; one for
the use of the white and the other for the
colored inmates.

A SUBSTANTIAL WALL
separates the respective repairs, having
a single door for the use of the keeper.
The roof is of iron, and is probably
the only one in the building which is
entirely new.

Plastering would have been much bet-
ter and much more durable in character
and pleasing in appearance, but, of course,
this was not to be expected from the
building.

THE KEEPERS HOUSE
18x35 and containing two rooms, is situated
on a line with the front of the Asylum,
about from the same side thirty feet.

Work is now progressing upon a wall
ten feet in height, which will enclose an
area in front, having a door to divide it
into two parts, the front of which is
to be kept at the level of the ground, in which
the inmates can enjoy all suitable recreation.

SEVENTY FIVE THOUSAND DOLLARS
have already been expended on the main
structure, and the cost up to the
present time, according to the reports of the
County Treasurer, amount to a little
more.

EVERY DAY OF THE YEAR
is now being paid out of the
County Treasury, and the
County Commissioners are
to be congratulated on the
progress of the work.

It is estimated that this sum will be
increased several hundred dollars more,
in furnishing necessary articles, such as
stoves, beds, &c.

Dr. Dargatz informed us that he had
already received six hundred and fifty
dollars from the State and that an
additional sum of the same amount
(\$350) dollars was due from the same source
on the 15th day of November.

The all-women of \$100 per day is paid
by the State to the county for every
inmate person reported, who cannot obtain
admission in the State Asylum. There
are at present seven such persons in the
county, but we understand that only four
will be admitted into the Asylum. Upon the
whole we regard the work as an
important one.

are sheltered and the offenders are
sheltered.
Within the enclosure, and convenient to
the rooms is a
SPACIOUS WASH HOUSE
and privies, thoroughly and regularly
policed and disinfected are attached to
each cottage. The
COLORED QUARTERS,
consists of three separate houses and are
located several hundred yards from the
main enclosure. The character of the
cleanliness observed in the white quarters,
these rooms were generally well kept and
the inmates appeared tolerably well sat-
isfied, although they were much the worst
afflicted, and, consequently, less able to
take care of themselves.

The Poor House is
SUPERBLY SITUATED
and the Superintendent is gradually im-
proving its general appearance and it will,
in many years, under his management,
assume almost the outward style of a sum-
mer resort. From the general observa-
tions made, and a necessarily hurried ex-
amination, we are inclined to the opinion
that in the care and treatment of the poor,
EDGECOMBE COUNTY,
as in other matters, may well be consid-
ered the banner county of the State. And
there is no reason that this should not be
the case, as between three and four thou-
sand dollars are annually expended in the
support of the Poor House, including the
salary and subsistence of the Superintend-
ent and resident Physician.

An ample dinner, (so including the
paid special attention), which the
Superintendent, who has the
charge of the institution, has
every opportunity of a thorough inspection
of his style and system of management.
He placed us under special obligations, on
courtesy.

Memphis Relief Fund.
On Tuesday last the handsome sum of
\$152.35 was forwarded, per express, from
Tarboro to the aid of the plighted
stricken city of Memphis.

This amount was raised in a short time
through the active personal exertions of
Mr. C. M. Weston, and this liberality
speaks well for our community. Other
sums have been previously sent from here,
and the Old Fellows will soon send further
aid to the same noble cause.
