FIFTY DOLLARS REWARD.
ELOPED from the subscriber, on the 1st instant, a negro man, named BILL, 26 years of age, about 5 feet 4 or 6 inches high, dark complexion, has an impediment in his speech, and a downward look when spoken to.
The said negro had on, when he left, a homespun suit, (a round-about and pants,) and cap, but other clothes with him.
It is thought he will attempt to pass as a freeman, under an assumed name, as William Hays, or Simmons. He is known to visit his old haunts in the neighborhood of his wife, who is owned by Mr. Jos. Dunn, Duplin Co., and he no doubt ranges at times in the southern part of Wayne county, where he is, or has been, at work.
The above reward will be given for the apprehension and delivery of said negro to me, at Mr. G. W. Bannerman's residence, Bladen county, or lodged in jail so I may get him again.

PROSPECTUS

WILMINGTON JOURNAL.

DAVID FULTON, Editor. Our Country, Liberty, and God. ALFRED L. PRICE, Printer.
TERMS.—\$2 50 if paid in advance; \$3 00 at the end of three months; \$3 50 at the expiration of the year.—No paper discontinued until all arrearages are paid, except at the option of the publishers.

Having been induced, at the solicitation of some of the members of the Democratic party, to take charge of the Republican Press in this place, we will hereafter, on every Friday morning, issue a Democratic paper, under the above title, at the office of the late "Wilmington Messenger," in the Town of Wilmington.

As we have given a brief outline of the principles the "Journal" will advocate in our first number, we think it unnecessary again to reiterate the political doctrines it will be our constant and earnest endeavor to inculcate. On the present occasion, therefore, we will merely state, that the "Journal" will be the uncompromising opponent of each and every "link" in the whole of the "great chain" of Whig measures—a United States Bank—a Protective Tariff—the Bankrupt Act—Internal Improvements by the General Government, &c., &c.—While on the other hand it will, so far as our humble abilities will enable us, be the firm friend and supporter of the Constitution as it was left us by our fathers; and of a strict construction of that Constitution, thereby ensuring the rights of the several States which compose the Confederacy. But we set out with the idea of not going into details. It would be a needless tax upon the reader's time. Suffice it to say, that the "Journal" will be a DEMOCRATIC PAPER, and will always advocate Democratic men and Democratic measures.

Although the "Journal" will be a political paper, yet, in order that it may also be agreeable to the general reader, its columns will always be open to such items of intelligence as will be interesting to the Farmer, the Merchant, the Mechanic, &c. Agriculture, Trade, the state of the Markets, &c., together with a slight glance at polite literature occasionally, will receive our attention. We hope we will not be considered too "personal in our remarks" when we offer a few suggestions to our friends touching the necessity there exists for keeping on foot a Democratic Press in the Town of Wilmington.

In the first place, Wilmington is a place of the greatest commercial importance of any in the State: it is situated in a Democratic District: there is a great deal of intercourse carried on by the citizens of the lower portion of the State with this place, and consequently a Press here would be calculated to do as much good, in diffusing information, as perhaps at any other point in the State. Again, there are, we believe, three Federal to every one Democratic paper in the State, and this we feel confident, is the reason why North Carolina placed a Whig in her gubernatorial Chair at our recent election: for we feel assured that it only requires a fair comparison to be instituted between the policy of the Federal and Democratic parties to ensure for the latter the most triumphant success. Well now, it is impossible for a Press to be kept up unless our friends will patronize it by subscribing themselves and inducing others to "go and do likewise." For, gentle reader, we suppose you are aware, and if you are not, we will tell you, that Printers and Editors are so far like other mortals that it requires something more than air to feed and kind wish to clothe them. Therefore, we hope that every Democrat into whose hands this Prospectus may fall, will do all he can to insure the success of the "Journal" and the cause of Democracy.
DAVID FULTON.

Subscriber's names. Residence. No. copies.

NOTE.—It being out of our power to send a copy of our Prospectus to every person who might doubtless be disposed to exert himself to procure subscribers to the "JOURNAL," we have printed the Prospectus in our paper as it appears above, with the hope that our friends will cut it out and attach the same to a sheet of paper, and procure as many subscribers as they can conveniently, and send their names to us as early a day as possible.

We may remark, however, that to the industry, talent, and enterprise, which have for years kept this paper a bright exemplar for all its imitators, will continually be added the productions of every available writer, and continued judicious and liberal expenditures will be made, as well in the Literary as in the Typographical departments. Our means will always enable us to be in advance of all others, and we shall be so.
HISTORIES OF MODERN REPUBLICS.—A new and important announcement for the coming year, in addition to our already numerous popular features, will be a series of Condensed Histories of Modern Republics, by a fresh and vigorous writer, who will impart a world of important instruction to the rising generation, in this new and entertaining Romance of History.

PROSPECTUS OF THE "DISTRICT DEMOCRAT,"
(OXFORD, NORTH CAROLINA.)

THE undersigned propose to publish in the Town of Oxford, Granville County, North Carolina, a paper to be entitled the "DISTRICT DEMOCRAT," devoted to Politics, Agriculture, and General Intelligence, provided a sufficient number of subscribers can be obtained to justify them in the undertaking. They deem it unnecessary to enter into a minute detail of their political tenets, but think it will suffice to say, that they are opposed to the political measures of the miscalled Whig Party; believing them to be subversive of our Constitution, dangerous to our civil liberty, injurious to the welfare of our country, and our peace and prosperity as a nation. With such belief, we will oppose by every fair and honorable means, the election of Henry Clay of Kentucky, to the Presidential Chair, as he is the head and leader of the party, and has pledged himself to procure the Federal policy, and carry out to their full extent, the ruinous measures, and dangerous political experiments of the same. Moreover, having openly pledged himself to tamper with the Constitution, under which we have lived so long and so prosperously, and to destroy or mutilate that power (the Veto) which is now and was created for its safeguard, we cannot keep from viewing, as must every other true Democrat, his elevation to that seat, which he is now, and has been seeking for many years, by every means in his power, as an era in the political history of our government, that must be regarded by every true patriot with fair and appropriate concern, for the consequences that must ensue. Such being our opinions with regard to Mr. Clay's political character, we shall hoist at the head of our columns for President and Vice President of the United States, the nominees of the Democratic National Convention, James K. Polk of Tennessee, and George M. Dallas of Pennsylvania; and shall use every fair and honorable means to ensure their election. To do this, we earnestly solicit at the hands of the Democrats of the 7th Congressional District, a reasonable and competent support; being more numerous they are better able to support a press than the opposite party; and yet in the District where the Democrats have a majority, the Whigs support 2 newspapers, and they have not a single one with the exception of one small sheet.
Taking these things into consideration, we humbly submit, whether justice to themselves, the cause and principles they profess, and a regard for the credit of the District to which they belong, does not demand at their hands some local vehicle of information on political subjects.
