

### MALISTER'S

**ALLEGING**

THE preceding figure is given to represent the INSENSIBLE PERSEVERATION. It is the great Evacuation for the impurities of the body. It will be noticed that a thick cloudy mucus issues from the pupils of the surface, which indicates that this perspiration flows uninterruptedly when we are in health, but ceases when we are sick. Life cannot be sustained without it. It is thrown off from the blood and other juices of the body, and disposed by this means, of nearly all the impurities within us. The language of Scripture is, "in the BLOOD is life." If it ever becomes impure, it may be traced directly to the stoppage of the Insensible Perspiration. Thus we see, all that is necessary when the blood is stagnant, or infected, is to open the pores, and it relieves itself from all impurity instantly. It is the only remedy, however, direct, that restores to the Insensible Perspiration. The Thompsonian, for instance, uses the Hydropathist shrouds us in wet blankets, the Homoeopath deals out infinitesimal muls, the Phlogist uses bleedings and uses with mercury, and the blustering quack gives us pills, pills, pills.

By a sudden transition from heat to cold, the pores are stopped, the perspiration ceases, and disease begins at once to develop itself. Hence, a stoppage of this flow of the juices, originates as many eruptions. It is by stopping the pores, that the overacting mucus, with its congealed, cold, and consumption. Nine-tenths of the world die from diseases induced by a stoppage of the Insensible Perspiration.

Let me ask, now, every candid mind, what course seems the most reasonable to pursue, to unstop the pores, as they are closed? Would you give physic to unstop the pores? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any exter-  
nal application to effect it. Under these circumstances, I present to physicians, and all others, McAlister's ALL-HEALING OINTMENT, OR THE WORLD'S SALVE. It has the power to restore perspiration on the face, on the head, around old sores, upon the chest, in short upon any part of the body, whether diseased slightly or severely. It has the power to cause all external sores, scrofulous humors, skin diseases, poisonous wounds, to discharge their putrid matter, then heal them.

It is a remedy that sweeps off the whole catalogue of cutaneous disorders, and restores the entire cuticle to its healthy functions.

I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the uterus, and all other diseases, and I declare before Heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal disease.

I have had physicians, learned in the profession: I have had ministers of the Gospel, Judges on the bench, Admirals and Captains, gentlemen of the highest credit and MULTITUDES of the POOR, use it in every variety of way, and there has been but one voice—united, universal voice—saying "McAlister, your Ointment is GOOD."

**HEADACHE.**  
The Salve has cured persons of the Headache of 12 years standing, and who had it regularly every week, so that coming off took place.

Deafness and Ear Ache are helped with like success.

**OLD SORES.**  
That some Sores are an outlet to the impurities of the system, is, because they cannot pass off through the natural channels of the Insensible Perspiration. If such sores are healed up, the impurities must have some other outlet, or it will enlarge them. This Salve will always provide for such emergencies.

**RHEUMATISM.**  
It removes almost immediately the inflammation and swelling, when the pain of course ceases.

**FEVERS.**  
In all cases of fever, the difficulty lies in the pores being locked up, so that the heat and perspiration cannot pass off. If the least moisture could be started, the crisis is hastened and the danger over. The All-Healing Ointment will in all cases of fevers almost instantly unstop the skin and bring forth the perspiration.

**SCURF AND SPLEEN.** SALT RHEUM, LIVER COMPLAINT, SORE EYES, QUINCY, SORE THROAT, BRONCHITIS, BROKEN OR SORE BREAST, ALL CHIEF DISEASES, SUCH AS ASTHMA, OPRESSION, PAINS, SORE THROAT, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NEURALGIC DISEASES, and of the SPINE there is probably no medicine now so good—and as for BURNS it has not its equal in the world!

**PIMPLES ON THE FACE, MASCLINE SKIN, GROSS SUREFICE.**  
Its first action is to expel all humor. It will not cease drawing till the face is free from any matter that may be lodged under skin, and frequently breaking out to the surface. It then heals the skin, restores its natural softness, or dull repulsive surface, it begins to soften and soothe until the skin becomes as smooth and delicate as a child's.

**WORMS.**  
If parents knew how fatal most medicines were to children taken inwardly, they would be slow to resort to them. Especially "mercurial lozenges," called "medicated lozenges," "vermifuges," pills, &c. The truth is, no one can tell, invariably, when worms are present. But let me say to parents, that the Salve will always tell if a child has worms. It will DRIVE every vestige of them away.

There is probably no medicine on the face of the earth so sure and so safe in the expulsion of worms.

**AS A FAMILY MEDICINE.**  
No man can measure its value. So long as the stars roll over the Heavens, so long as man treats the earth, subject to all infirmities of the flesh—so long as disease and sickness is known—just so long will this good Ointment be used and esteemed. When man ceases from the earth, then the demand will cease, and not till then.

**CAUTION.**—No Ointment will be genuine unless the name of JAMES McALISTER, or JAMES McALISTER & Co., are written with a pen upon every label.

Now we hereby offer a reward of \$300 to be paid on condition in any of the consular courts of the United States, of any individual counterfeiting our name and Ointment.

April 30, 1846. —(30)

The above Ointment is for sale in Wilmington, at the CHRONICLE OFFICE.

Price 50 cents for the large, and 25 cents for the small bottles.

### DR. SWAYNE'S Compound Syrup of Wild Cherry.

DR. SWAYNE—Dr. Sir! I feel it a debt of gratitude due you—and a duty to the afflicted generally—to offer my humble testimony in favor of your Compound Syrup of Wild Cherry, or rather of its medicinal virtues. Some three years since I was violently attacked with cold and inflammation of the lungs, which was accompanied with a very distressing cough, pain in the breast and head, a very considerable discharge of offensive mucus from the lungs, frequent from them especially upon changes of weather however slight. At first, I felt no alarm about my condition, but was pretty soon convinced, that I was rapidly going into consumption; I grew daily weaker, and at length, was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse—Just here I was advised and persuaded by a dear friend in Wilmington to make trial of your Syrup of Wild Cherry; I must confess that previously I had been prejudiced against patent medicines, and am still against those coming out of the hands of empirics, but understanding your claims to the profession and practice of medicine, and having implicit faith in the say so of every friend, I forthwith purchased of Dr. Shaw, one of your Agents, a few bottles and commenced its use. My disease at this time, was 20 or 24 months standing, consequently was deeply seated. It therefore, required time and a number of bottles to effect a cure in my case; I found, however, considerable relief from the use of the first 4 or 5 bottles. But being a public speaker, I frequently attempted to preach with my increasing strength and health, and thereby ruptured those vessels that had already begun to heal; in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently I had to use 12 or 15 bottles before I was perfectly restored. I have no question a much smaller number of bottles would have made me sound but for the above indiscretion. The syrup allayed the feverish habit, done away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them, and therefore system, good health. Thanks be to God, who is the source of all health, and to Dr. Swayne for it, I would recommend this Syrup to all persons who may be afflicted with colds, cough or consumption, I verily believe, it will cure consumption in the first and second stages, and in the last, will give ease and prolong life. It is an excellent medicine in cases of whooping cough, and is so very pleasant to the taste, that children will cry for it. I have deferred offering this Certificate till now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well, I offer it with pleasure.

Duplin County N. C. J. P. JORDAN.  
Dec. 13th, 1845.

**CAUTION.**—The public should be on their guard against the many 'Balsams' and 'Mixtures' of Wild Cherry, which have sprung up in all parts of the country, purporting to be prepared by physicians, all of which will be found to be 'false,' by a little inquiry in the towns and cities where they originate. All certificates and statements in regard to Dr. Swayne's Compound Syrup of Wild Cherry are 'strictly true,' and the proprietor is daily receiving them from persons who have been cured by the celebrated remedy. The (original and only) genuine article is only prepared by Dr. SWAYNE, N. W. corner of EIGHTH and RACE Streets, Philadelphia.
