SANDS' SARSAPARILLA,
FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD, OR HABIT OF THE SYSTEM, viz:--

Scrofula, or King's Evil, Rheumatism, Obsolete Cutaneous Eruptions, Pimples, or Pustules on the Face, Blisters, Bites, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stomachic Disorders, Syphilitic Symptoms, Scarcity, or Lameness, and Diseases arising from an impure use of Mercury, Aconite, or Dropsy, Exposure or Impudence in Life--Also, Chronic Constitutional Disorders will be removed by this Preparation.

This valuable Medicine is now used and universally approved by the most distinguished of the Medical Profession throughout our country, and, by its intrinsic medicinal value, the public generally, that the afflicted parties have been made acquainted with its usefulness, in the removal and cure of diseases having their origin in an impure state of the blood. The Sarsaparilla is combined with other ingredients, all of which are held in the highest estimation by the most distinguished physicians.

As a mild aperient, antiseptic and tonic, it contains the three most useful properties of medicine. It purges, purifies and restores. Scrofula, Cancer, Leprosy, all Ulcers and Scrofulous Sores, all Diseases of the Skin, and all internal disorders, not organic, but springing from a diseased circulation, give way before its hygienic influence.

The following interesting case is presented, and the reader invited to its careful perusal. Comment on such evidence is unnecessary.

New York, April 22, 1846.

Messrs. A. B. & D. SANDS, Gentlemen: Feeling it my duty due to you and to the community at large, I send you this certificate of the all-healing virtues of your Sarsaparilla, that others who are now suffering may have their confidence established and use your medicine without delay.

I was troubled with a severe ulcer on my ankle, which had laid way up to the knee, discharging very offensive matter, itching, burning, and depriving me often of my rest at night, and very painful to bear.

I had recommended to use your Sarsaparilla by Mr. J. McCormel, who had been cured by it, and after using five bottles I was completely cured.

I have delayed so long in writing this certificate for one year since the cure was effected, in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have never seen nor felt the slightest recurrence of it, and that I am entirely well.

Yours very truly,
SARAH MINTYRE,
240 Delancy street, New York.
MOBILE, ALA. Nov. 28, 1845.

Messrs. SANDS:--I deem it an act of justice to myself and the community at large, to relate the following fact, which occurred in our neighborhood in the latter part of July last. Jane C., a young girl aged fourteen years was afflicted with an immense sore on the middle of her back, which defied all the treatment of medical skill. As she was a friend of our family I employed all the means in my power endeavoring to relieve her, but in vain. At length a person mentioned to me your Sarsaparilla, and I immediately procured two bottles of Messrs. Moseley & Tucker, your Agents, in this city, which I gave to her. I called to see her the next day and she told me she had taken two doses and felt very much relieved, and I immediately procured another bottle, which she took, and she was cured in two weeks from the time she commenced using it, there was neither sign nor appearance of where the sore had been.

Yours, respectfully,
J. G. HOUSMAN, 93 Dauphin-street.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets, which may be obtained of Agents gratis.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Wholesale, Druggists, 100 Fulton-st. N. Y.

Sold also by Wm. Shaw, Wilmington; E. J. Hale, Fayetteville; J. Dismay, Newberry; Williams, Haywood & Co., Raleigh, N. C.; E. R. Rothmaler, Georgetown, S. C.; J. Haviland, Hargett & Allen, Charleston, S. C.; and by Druggists generally throughout the United States. Price, 50¢ per bottle; six bottles for \$3.

It is respectfully requested to remember that it is SANDS' Sarsaparilla that has and is constantly achieving such remarkable cures of the most difficult class of diseases to which the human frame is subject; therefore ask for SANDS' Sarsaparilla, and take no other.

Plantation for Sale.

IN BRUNSWICK COUNTY, 12 miles from Wilmington, immediately on the North River, the well known place CLARKMOUNT, is offered for sale. It contains about 300 acres of upland, and 300 or 400 acres of Swamp Lands adjoining; 70 or 80 acres is under cultivation and well adapted to raising Corn, Ground Peas, &c. The place has a commodious dwelling with two brick chimneys, erected last year, with out-houses, &c. The Upland, not cleared, is well timbered with Pine and Hoopoles, and has 10,000 Turpentine boxes, cut last and the present season. It is a very eligible site for Manufacturing, being immediately on the river, between this and Fayetteville a factory would have the advantage of both markets, and be sufficiently removed from intemperance as to insure health to the operatives. The water power is ample, a bold stream passes through the place to the river, with a handsome bluff half a mile in length, just the height for a wharf.

The swamp lands afford good winter pasturage for stock, and an abundance of Ashe and Oak wood, very handy to the water.

Seven or eight Negroes with stock of Cattle and Hogs, &c., will be sold with the place, if desirable. Apply on the premises to H. J. WILLIAMS, or J. I. BRYAN, April 10, 1846. [30-4f] Wilmington.

THE PHILANTHROPIST,
is the title of a monthly sheet, proposed to be issued in Wilmington, N. C., at one dollar a year, payable on receipt of the first number.

Intemperance, the great enemy to prosperity and happiness, is exerting a wide influence throughout the country. It is a growing evil, and is daily destroying the lives, to say nothing of the comforts, of thousands of the human family, notwithstanding the efforts that have been made, and are still being made, towards its suppression. One principal reason why this great evil is still permitted to exist to an alarming extent, is that the exertions of the friends of the Temperance cause have been confined principally to cities and towns, while villages and the country at large, are almost entirely neglected. A cheap temperance newspaper could not, it is presumed, fail of success, in the way of patronage; and if extensively circulated, would doubtless prove a barrier, in no small degree, to the progress of intemperance--thus carrying out successfully, the praiseworthy intentions of the friends of Temperance, which could not be accomplished in any other way. This publication, besides proving

A Foe to the Grogger,
an I the disgraceful habits of drunkenness, will, in the same measure, afford a variety of other matter, of a distinct nature.

In North Carolina no paper of this description has ever made its appearance, (although proposals have recently been issued for the purpose,) owing, no doubt, to the fact that the influence necessary to promote the success of a work of this kind, has been omitted. An anxious appeal is made to the friends of the cause generally, to use their utmost endeavors to give encouragement to this publication. The first number of the Philanthropist will make its appearance as soon as 600 subscribers can be obtained, which can be done if every influential person would feel a sufficient interest in the cause of Temperance, to exert himself--The Philanthropist will be printed on a medium sheet, in newspaper form, so as to afford a privilege to advertisers.

Persons disposed to patronize this work, are requested to forward their names to Wilmington, by mail or otherwise, by the first of August next, addressed to the

EDITOR OF THE PHILANTHROPIST.
Editors of papers throughout the State will please give the above a few insertions, with some remarks of their own, by way of recommendation.

Cumberland Academy.

THE Proprietors and Trustees of the Cumberland Academy, for the first time, formally call the attention of the public to the merits of this Institution. Without giving the particulars respecting the origin of it, its constitution, the manner in which it has been built up and sustained, and the foundation upon which its future prospects are based, (so far as capital is concerned,) suffice it to say, that it is not an enterprise of yesterday. Arrangements have been making for its establishment for more than three years, and it has been in successful operation more than eighteen months, numbering from 30 to more than 60 Pupils, principally Boarders.

Several thousand dollars have already been expended in the erection of buildings for the accommodation of the School, and the proprietors have made and voted whatever additional amount may be necessary to carry out their original determination in establishing, upon a solid foundation, a Literary and Preparatory Institution, of the very first order--which amount is to be paid in annual instalments, and placed at the disposal of the Principal and Board of Directors. Ample accommodations will be in readiness by the opening of the ensuing Session, for a large additional number of Boarders, besides the accommodations afforded by a number of pleasant and respectable family boarding houses in the immediate vicinity. The Institution, from its origin, has been under the management of the Rev. Daniel Johnson, as Principal, who has taught successfully for a number of years in Princeton College, and other responsible stations. And every opportunity has been afforded to test his qualifications both as an Instructor and as a disciplinarian, and the most sanguine expectations of the friends of the School have been fully met, and the Proprietors consider themselves singularly fortunate in having obtained the permanent services of so able and acceptable an Instructor, who, amid the vicissitudes, fluctuations and trials which, unfortunately, are almost always experienced by new enterprises, has exhibited such dignity, firmness and decision of character, as to secure their hearty and unanimous support in every instance, and has succeeded, as they honestly believe, in placing the Institution, for the best Schools of the kind in the country. The Proprietors now feel fully authorized to subscribe to the opinions of the Faculty of Princeton College, who state that they "take pleasure in expressing their opinion of Rev. Daniel Johnson's superior qualifications as a teacher."

As holding the highest standing as a scholar, as having given proof of aptness both to the science and to the art, and as being cordially recommended him as worthy of public confidence in the vocation of an instructor of youth.

A sufficient number of Assistants will always be employed to afford the greatest facilities to Pupils. Mr. Wm. S. Mullins, a native of our own country, and a graduate of our own University, an excellent scholar, and a young gentleman of enviable literary attainments and sterling moral worth, is now engaged as Assistant teacher.

The government will be strictly parental. All the pupils who room in the Academy buildings will board with the Principal, and will at all times be under the immediate supervision of the Principal or Assistants.

The location is pleasant and healthy, and easy of access, two miles from Atkins's Ferry, on the Public Road from Fayetteville to Raleigh, about thirty miles from the latter place and twenty six from the former, and eight miles from the Stage line, immediately above McNeill's Bridge.

The expenses of the Institution are as follows:--
TUITION--\$4, \$6, or \$8 per quarter, according to the advancement of the Student.
BOARD--\$6 per month. Room
