M'ALISTER'S ALL-HEALING OINTMENT.
THE preceding notice is given to represent the exact nature of the disease. It is a great Exanthema for the impurities of the body. It will be noticed that a thick cloudy mist issues from all points of the surface, which indicates that this perspiration flows unintermittently when we are in health, but ceases when we are sick—Life cannot be sustained without it. It is thrown off from the blood and other juices of the body, and dissolved by this means, nearly all the impurities within us. The language of Scripture is, "in the BLOOD is the Life." If it ever becomes impure, it may be traced directly to the stoppage of the insensible Perspiration. Thus we see, all that is necessary when the blood is stagnant, or infected, is to open the pores, and it relieves itself from all impurity INSTANTLY. Brown heat and acidity are checked, without the use of medicine, except to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All pains, however, direct their efforts to restore a sensible Perspiration. The Thompsonian, for instance, steams, the Hydropathist surrounds us in wet blankets, the Homoeopathist deals out infinitesimals, the Phlogopathist bleeds and doses with mercury, and the blistering Quack gorges us with pills, pills, pills.
To give some idea of the amount of the insensible Perspiration, we will state that the learned Dr. Lewenhook ascertained that five-eighths of all we receive into the stomach, passed off by this means. In other words, if we eat and drink eight ounces per day, we vacuate five pounds of it by the insensible Perspiration.
This is none other than the used up particles of the blood, and other juices giving place to the new and fresh blood. To check this, therefore, is to retain in the system five-eighths of all the vitriol matter that nature demands should leave the body.
By a sudden transition from heat to cold, the pores are stopped, the perspiration ceases, and disease begins at once to develop itself. Hence, a stoppage of this flow of the juices, originates so many complaints. It is by stopping the pores, that over-heated mankind with coughs, colds, and consumption. Nineteenths of the world die from diseases induced by a stoppage of the insensible Perspiration.
Let me ask, now, every candid mind, what course seems the most reasonable to pursue, to untie the pores, and give issue to the impurities which are pent up upon the surface, where the glowing actually is? And yet I know of no physician who undertakes any other course, but to effect it. Under these circumstances, I present to physicians, and all others, McAlister's ALL-HEALING OINTMENT, or the WORLD'S SALVE. It has POWER to restore perspiration to the feet, on the head, around old sores, upon the chest, in short upon any part of the body, whether diseased slightly or severely. It has POWER to consume external sores, such as the scabs, skin diseases, poisonous wounds, to discharge their putrid matter, then heals them.
It is a Remedy that sweeps out the whole catalogue of contagious diseases, and restores the entire outlet to its healthy functions.
I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger and responsibility, and I declare before Heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal disease.
I have had physicians, learned in the profession; I have had ministers of the Gospel, Judges of the Court, Senators and Lawyers, gentlemen of the highest erudition and MULTITUDES of the POOR, use it in every variety of way, and there has been but one voice united, universal voice—saying "McAlister, your Ointment is GOOD."
HEADACHE.
The Salve has cured persons of the Headache of 12 years standing, and who had it regularly every week, so that vomiting often took place.
Deafness and Ear Ache are helped with like success.
OLD SORES.
That some Sores are an outlet to the impurities of the system, because they prevent perspiration through the natural channels of the insensible Perspiration. If such sores are healed up, the impurities must have some other outlet, or continue to collect in the system. This Salve will always provide for such emergencies.
RHEUMATISM.
It removes almost immediately the inflammation and swelling, when the pain of course ceases.
FEVERS.
In all cases of fever, the difficulty lies in the pores being blocked up, so that the heat and perspiration cannot pass off. If the least moisture could be admitted, the crisis has passed and the danger over. The All-Healing Ointment will in all cases, for the most part, instantly unblock the skin and bring forth the perspiration.
SCROFULA, ERYSIPELAS, SALT RHEUM, LIVER COMPLAINT, MORBID ERYTEM, SCORF, TUBERCLES, BRONCHITIS, BROKEN OR SORE BREAST, PILES, ALL CHEST DISEASES, such as ASTHMA, OP-PRESSION, PAINS, SICKLE, SORE THROAT, CHAFER, PILES, TUMORS, GUINEA, ERUPTIONS, NERVOUS DISEASES, and of the SPINE there is probably no medicine now in use, and as for BURRS it has the equal of the world.
PIMPLES on the FACE, MASCLINE SKIN, GROSS SURFACE.
Its first action is to expel all humor. It will not cease drawing out the face as free from any matter that may be lodged under skin, and frequently breaking out to the surface. It then boils. When there is nothing but gross matter, it will continue to draw it out, until the skin becomes so smooth and delicate as a child's.
WORMS.
If parents knew how fatal most medicines were to children taken inwardly, they would be slow to resort to them. Especially mercurial lozenges, called "cut-throat lozenges," vermifuges, pills, &c. The truth is, no one can tell, invariably, when worms are present. Now let me say to parents, that this Salve will always expel all such worms. It will DRIVE every vestige of them away.
There is probably no medicine on the face of the earth at once so sure and so safe in the eradication of worms, AS A FAMILY MEDICINE.
No man can measure its value. So long as the stars roll along over the Heavens, so long as man treads the earth, subject to all miseries of the flesh—so long as disease and sickness is known—just so long will this good Ointment be used and esteemed. When you can cure a child, subject to all miseries of the flesh—so long as disease and sickness is known—just so long will this good Ointment be used and esteemed. When you can cure a child, subject to all miseries of the flesh—so long as disease and sickness is known—just so long will this good Ointment be used and esteemed.
CAUTION.—No Ointment will be genuine unless the name of James McAlister & Co. is written with a red pen every where.
Now we hereby offer a reward of \$50 to be paid on conviction in any of the constituted courts of the United States, of any individual counterfeiting our name and Ointment.

THE subscribers most respectfully inform the citizens of Wilmington and vicinity, and the public generally, that they have entered into copartnership under the firm of MATTHEW & THOMAS, on Front street, near the Bank of the State, for the purpose of carrying on the CARPENTERING BUSINESS, in all its various branches.
