To the Friends of Humanity.
THE title of a monthly sheet, proposed to be issued in Wilmington, N. C., at one dollar a year, payable on receipt of the first number.
Intemperance, the great enemy to prosperity and happiness, is exerting a wide influence throughout the country. It is a growing evil, and is daily destroying the lives, to say nothing of the comforts, of thousands of the human family, notwithstanding the efforts that have been made, and are still being made, towards its suppression. One principal reason why this great evil is still permitted to exist to an alarming extent, is that the exertions of the friends of the Temperance cause, have been confined principally to cities and towns, while villages and the country at large, are almost entirely neglected. A cheap temperance newspaper could not, it is presumed, fail of success, in the way of patronage; and if extensively circulated, would doubtless prove a barrier, in no small degree, to the progress of intemperance; thus carrying out successfully, the praiseworthy intentions of the friends of Temperance, which could not be accomplished in any other way. This publication, besides proving
A foe to the Grogger,
an I the disgraceful habits of drunkenness, will, at the same time, afford a variety of other matter, of a distinct nature.
In North Carolina no paper of this description has ever made its appearance, (although proposals have recently been issued for the purpose,) owing, no doubt, to the fact that the influence necessary to promote the success of a work of this kind, has been omitted. An anxious appeal is made to the friends of the cause generally, to use their utmost endeavors to give encouragement to this publication. The first number of the *Philanthropist* will make its appearance as soon as 600 subscribers can be obtained; which can be done if every influential person would feel a sufficient interest in the cause of Temperance, to exert himself.—The *Philanthropist* will be printed on a medium sheet, in newspaper form, so as to afford a privilege to advertisers.
Persons disposed to patronize this work, are requested to forward their names to Wilmington, by mail or otherwise, by the first of August next, addressed to the
EDITOR OF THE PHILANTHROPIST.
Editors of papers throughout the State will please give the above a few insertions, with some remarks of their own by way of recommendation

M'ALISTER'S
ALL-HEALING
THE preceding figure is given to represent the INSENSIBLE PERSEVERANCE. It is the great Evacuator for the impurities of the body. It will be noticed that a thick cloudy mist issues from all points of the surface, which indicates that this perspiration flows unintermittently when we are in health, but ceases when we are sick—Life cannot be sustained, if it is thrown off from the blood and other juices of the body, and disposed by this means, of nearly all the impurities within the language of Scripture is, "in the BLOOD is the Life." If it ever becomes impure, it may be traced directly to the stoppage of the Insensible Perspiration. Thus we see, all that is necessary when the blood is stopped, or impeded, is to open the pores, and it relieves itself from all impurity INSTANTLY. Its own heat and vitality are sufficient, without one particle of medicine, except to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All practitioners, however, direct their efforts to restore the Insensible Perspiration. The Phosphoric Acid, for instance, the Phosphatist throws us in wet blankets, the Phosphatist does us with mercury, and the Phosphatist gives us with pills, pills, pills.
To give some idea of the amount of the Insensible Perspiration, we will state that the learned Dr. Leewenhook ascertained that five-eighths of all we receive into the stomach, passed off by this means. In other words, five eat and drink eight pounds per day, we evacuate five pounds of it by the Insensible Perspiration.
The language of Scripture is, "in the BLOOD is the Life." It is by stopping the pores, that over-heating mankind will become cold, and cold mankind will become hot. It is by stopping the pores, that over-heating mankind will die from diseases induced by a stoppage of the Insensible Perspiration.
It is to ask, and every candid mind, what course seems the most reasonable to pursue, to unstop the pores, after they are closed. Would you give physic to unstop the pores? Or would you apply something that would do this upon the surface, which is the proper way? And yet I know of no physician who makes any external application to effect it. Under these circumstances, I resort to physicians, and do not desire before Heaven, to HEALING OINTMENT, or the WORLD'S SALVE. It has POWER to restore perspiration on the feet, on the head, around old sores, on the face, on the neck, on any part of the body, where diseased slightly or severely.
It has power to cause all external sores, scrofulous humors, skin diseases, and all kinds of sores, to discharge their putrid matter, then heal them.
It is a Remedy that sweeps off the whole catalogue of chronic disorders, and restores the entire circle to its healthy function.
I have used it for the last fourteen years for all diseases of the chest, consumption, fever, involving the utmost danger and responsibility, and I declare before Heaven, and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal diseases.
I have had physicians, learned in the profession; I have had ministers of the Gospel, Judges on the bench, Aldermen and responsible gentlemen of the highest credit, and an MULBERRY, and I declare before Heaven, and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal diseases.
HEADACHE.
The Salve has cured persons of the Headache of 12 years standing, and who had it regularly every week, so that vomiting often followed, and I declare before Heaven, Deafness and Ear Ache are helped with like success.
OLD SORES.
That some Sores are an outlet to the impurities of the system, is because they cannot pass off through the natural channels of the Insensible Perspiration. If such Sores are healed up, the impurities must have some other outlet, or it will endanger life. This Salve will always provide for such a case, and it begins to soften and soften until the skin becomes as smooth and delicate as a child's.
RHEUMATISM.
It removes almost immediately the inflammation and swelling, when the pain of course ceases.
FEVERS.
In all cases of fever, if the difficulty lies in the pores being locked up, so that the heat and perspiration cannot pass off. If the least motion could be started, the crisis has passed, and all danger over. The All-Healing Ointment will in all cases of fever, induce the crisis, and bring the skin and bring forth the perspiration.
SCROFULA, ERYSIPELAS, SALT RHEUM, LIVER COMPLAINT, SORE THROAT, BRONCHITIS, BROKEN OR SORE BREAST, PILES, ALL CHEST DISEASES, such as ASTHMA, OPHTHALMIA, PAINS, ALL SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, and of the SPINE there is probably no medicine more good—and as for BURNS it has not its equal in the world.
PIMPLES ON THE FACE, MASQUELINE SKIN, GROSS SURFACE.
The first action is to expel all humor, it will not cease being lodged till the face is in a healthy state, and the matter is being led out, and frequently breaking out to the surface. It then heals. When there is nothing but grossness, and the repulsive particles, it begins to soften and soften until the skin becomes as smooth and delicate as a child's.
WORMS.
If parents knew how fatal most medicines were to children taken inwardly, they would be slow to resort to them. Especially mercurial lozenges, "called" medicinal lozenges, "verruca" pills, &c. The truth is, no one can tell, invariably, when worms are present. Now let me say to parents, that this Salve will always kill a child's worms. It will DRIVE every vestige of them away.
There is probably no medicine on the face of the earth at once so sure as this in the expulsion of worms.
AS A FAMILY MEDICINE.
No man can measure its value. So long as the stars roll over the Heavens, so long as man trends the earth, submit to the influence of the Earth, so long as disease and sickness is known—just so long will this good Ointment be used and esteemed. When man ceases from the earth, then let the Deity be praised and not till then.
