1.500 acres, one mile from Mebaneville Depot on
the North Carolina Railroad.
Pupils will board in the family of the Principal. Board
tuition \$100 per session of five months. School opens
1st January, 1859.

MISCELLANEOUS ADVERTISEMENTS.
PROSPECTUS OF THE CHURCH INTELLIGENCER.
The undersigned proposes to publish in the city of Raleigh,
North Carolina, a weekly newspaper designed to advance
the interests of the Episcopal Church in the South, and to
diffuse intelligence concerning its labors and its progress.
In this enterprise he has reason to hope for the approbation,
and to some extent the aid of the Bishops of Tennessee,
Louisiana, Georgia, Alabama, Mississippi, Florida, South
Carolina, North Carolina, Texas, and the Missionary District
of the South-West. In each of these dioceses he expects to
have a resident contributor to the columns of his journal,
who shall give information to its readers of any event of
interest occurring in the diocese which the writer belongs.
The benefits of such a paper, if well conducted, will be
acknowledged to be great, when it is reflected that in all
these dioceses just enumerated, constituting in themselves
a mighty and rapidly growing empire—there is not a single
newspaper expressing the sentiments and recording the con-
temporaneous history of the Episcopal Church—that what is
known by its clergy and people living in this extensive
and populous region on these subjects is gathered mainly
from newspapers published at remote points in the North,
in which the interests of these dioceses and the special di-
ties of the churches therein are comparatively obscure
and neglected subjects. In the meantime the principles,
the past history and present condition of the church are often
misrepresented in that region of country, and still more
frequently misunderstood, and there is no organ and no opportunity by which, publicly and effectually to rectify such
misrepresentations and correct such mistakes.
By means of a newspaper in these dioceses conducted
in a religious spirit and on the principles which the members
of the church might be assisted not only in the general im-
provement of their spiritual state, but especially in the per-
formance of the peculiar duties imposed on them by the
constitution of society in the Southern country—duties which
are very near the hearts of many of them.
It is furthermore intended that the columns of the
paper with as many as possible of those treasures of thought
and learning which the Periodical religious literature of our
country contains, shall be made available to the clergy and
laity of the Southern States, and that the paper shall be
an occasional view of the state of religion and learning on
the continent of Europe. But there is one subject closely
connected with the highest welfare of the South to which it
is designed that this paper shall give solicited attention.
It is the realization of the magnificent idea of the University
of the South at Sewanee and in order thereto the dissemi-
nation of intelligence concerning the same, and the aid of
it in its behalf. Designed then as the contemplated paper is
to effect objects so important and so beneficial, the under-
signed confidently hopes that the benevolent attention of all
brethren of the clergy and laity in the Southern country, is
intended to give the paper the name of the CHURCH INTEL-
LIGENCER, and to issue the first number, if possible, early
in March, 1859.
Its terms will be two dollars and a half per annum, pay-
able in advance. Advertisements will be inserted at the
usual rates, and a liberal discount made for standing advertise-
ments.
The paper will be sent free to any clergyman who will
forward the names and the number of his subscription.
HENRY F. GREENE,
Presbyter of the Diocese of N. C.
