

THE LAST CHANCE.—We are requested to state that the following offer will remain open until the 1st day of August, and if not accepted by that time, the terms will be withdrawn, and other arrangements entered into for the erection of a Railroad Hotel at this place.

A LIBERAL OFFER.
We have been informed from good authority that Chew & Stocksdale offer to donate with a good title two building lots, to any individual or company who will erect a building thereon, to cost not less than \$3,000 to accommodate travellers and city guests with boarding &c., &c. The time to "strike" is now while the iron is hot. The time to build is now before the summer solstice approaches. To those who wish to put up a paying Hotel this is a splendid offer. The brick and lumber is all here and the Hotel can be run up in double quick time. They will give choice of 30 lots. Here's an elegant chance to operate in real estate in Mechanicstown.

Last Wednesday was the longest day in the year. It was cool and pleasant.

St. John's Day.—To-day, the 24th instant, is the nativity of St. John the Baptist, one of the Patron Saints of the Masonic Fraternity. He was the forerunner and herald of the Messiah, and born about six months before him.

THE CHURCHES.—The Rev. J. Summers preached in the Lutheran Church of this place last Sunday morning and in the evening. His text in the morning was from the 14th chap. and 2d v. of St. John. He preached a very edifying discourse.

The Rev. N. E. Gilds, of the Reformed Church, on last Sabbath morning, preached at Sabillasville, and at the Stone Church in the afternoon.

Father John McCloskey celebrated mass in the Catholic Church on Sabbath morning; and in the course of his sermon pronounced a panegyric on Pius the IX, the present reigning occupant of the Papal See, who reached the 25th anniversary of his Pontificate on the 17th instant. It was a great Jubilee day in the history of the Church.

STRANGE.—It does seem strange to us, and a very little odd, indeed, that while the Balt. & O. R. R. is about erecting a Hotel at Cumberland to cost \$175,000 for the accommodation of the passengers on that thoroughfare to the West, that a Hotel costing only about \$9,000 for the accommodation of the passengers on the W. M. R. R., which will be largely augmented when the road reaches Hagerstown, cannot be built in Mechanicstown. It is strange—very.

The cherry and raspberry pickers have been very busy this week gathering this delicious fruit. Soon the worthberries will ripen.

PUBLIC SALE.—John Hippenstedt, living near the First Toll-gate on the road to Cacostin Furnace, about one mile from Mechanicstown, will sell at public sale, on Saturday, July 4, at 2 o'clock P. M., a lot of Household and Kitchen Furniture, one Cow, two Snouts, &c.

NOT SOLD.—The sale of the property of Mr. Wm. C. Landers, advertised to be sold at Trustee's Sale, on the 21st instant, was not disposed of, as there were only one or two bidders present, who were ready anxious to purchase. The property will be again offered for sale in a short time at a more favorable season of the year.

There is a slight change in the market. Some articles have an upward tendency. Flour and wheat have advanced a little. See Prices Current.

Chancellor Lodge No. 67 Knights of Pythias has been organized in this place with A. A. Moore as Worthy Chancellor. There are some 21 members attached to the order, and the numbers are increasing with each meeting. The Lodge meets every Friday night at Odd Fellows' Hall.

St. Mary's College.—The commencement exercises of St. Mary's College, this old and well established Institution of Learning, will be held on Wednesday, June 28th instant, and begin at 8 o'clock, A. M.

St. Joseph's Academy.—The exercises connected with this Institution will commence on next Thursday, the 29th instant, at 8 o'clock, but on Wednesday, the 28th instant, there will be a grand display of the Young Ladies' work during the past year, writing, etc., etc. The drawing room will be thrown open to all visitors on Tuesday evening and Wednesday all day; but on Thursday it will be closed, when the exercises in music, recitations, etc., will take place and the premiums be distributed.

Cassell, Waesche & Co. have everything complete in the building line. Read advertisement.

CHANGE OF TIME.—From now until further notice, the trains of the Western Maryland Railroad will leave and arrive at the Mechanicstown Depot as follows:
Morning Train will leave at 6:30
Mail Train arrive at 12:11
Mail Train leave at 12:25
Evening Train arrive at 7:07

Everybody hereabouts and the "rest of mankind" are going to the Commencement exercises near Emmitsburg next week.

HYMENEAL.
On the 18th instant, at the residence of the bride's grandmother, Mrs. A. M. Bantz, by the Rev. Dr. Zacharias, J. FRANK LEGGE, of Parkersburg, W. Va., to Miss THEODORE BANTZ, of Frederick city.

DEATHS.
On the 18th instant, at his home in Crogerstown, of paralysis and dropsy, Mr. GEORGE A. STAUP, son of John, in the 59th year of his age.
In the City of Frederick, on the 16th instant, after a lingering illness, JOHN H. BRUNER, aged 57 years 5 months and 23 days.
On the 14th instant, at the residence of her father, No. 96 North Poca street, Baltimore, ELEANOR V., only daughter of Ezra and the late Mary Ann Douth.

On the 14th instant, at his residence near Milltown, of heart disease, Mrs. ELIZA RUTZAHN, wife of Mr. Joshua Rutzahn, aged 57 years 5 months and 5 days.
On the 18th instant, after a short and painful illness, CHARLES LUTHER BRADSHAW, second son of Wm. H. and Anna M. Bradshaw, aged 4 years 11 months and 20 days.
