**SATURDAY, MAY 6th,**  
 Dan'l Frohman presents Mary Pickford as "CINDERELLA."

The story of Cinderella is too well known to require a lengthy description, but all the familiar beauties of the tale are enhanced in the photo-production, with many added odd touches, pathetic, romantic and humorous. The haughty sisters will be seen in all their conceit and grotesque ugliness, the cruel and patrician stepmother, who is all sweetness to her own daughters, and all unkindness to Cinderella; the handsome Prince who wins the cinder-girl's heart, and loses his own to her, in the forest, where he first meets her, staggering under a load of faggots, and who ever after dreams of her as the Princess of his soul and throne which she afterwards becomes in reality.  
 The tender and picturesque aspects of the subject are bound to make the photoplay one of the most delightful ever offered.

**WEDNESDAY, MAY 10TH,**

Daniel Froman presents Florence Reed in the famous emotional drama, "THE DANCING GIRL."

"The Dancing Girl" might have been written for the camera, so full of action and picturesqueness is every scene, the colorful exteriors of the rocky coast of "The Isle of Endellion" contrasting with the rich interiors of the elegant home of profligate Duke of Gauseberry, under whose patronage the dancing girl lives for a time. Perhaps the greatest incident of the play is the famous "staircase scene," where Drucilla, at the zenith of her fame, having come to dance before the Duke's own family, declares to her amazed and angry old Quaker father, who comes in search of her, that she wants to be "the topmost rose on the topmost bough, and live in the sunshine," and is crushed by the terrible wrath of a father's curse. Tettering for a moment, she faints, and falls the length of the grand staircase, and awakes to consciousness, knowing at last the havoc she has made of her life and the shame she is to her people. The tragedy of this is followed by the splendid scene in which occurs the meeting of peevish Drucilla with the nobleman on the lonely coast of Endellion where both have come to seek death, and where they decide to rebuild their shattered lives and to share a newer, purer life.

**Will Hold Union Service.**

**Meeting in St. John's Lutheran Church, Sunday, May 7th.**

On Sunday morning next at 10.30 o'clock, a Union Service will be held in St. John's Lutheran church, at which time Dr. W. W. Davis, general secretary of the Lord's Day Alliance of Maryland, and Dr. Howard A. Kelly, of Baltimore, will address the congregation on the proper observance of the Sabbath.

These noted speakers have been touring every county in Maryland, their aim being to interest people in the observance of Sunday, a Holy Day, and also see that laws are not enacted by the Maryland Legislature which will destroy the sanctity of the day.  
 "The General Assembly of Maryland of 1916 had seven bills introduced proposing to modify our Sunday law.  
 "1. The Griebel and Distler Bills legalizing the general delivery of ice in Baltimore City on the Lord's Day. The legislature protected the hard worked ice men in their right to Sunday as a rest day by defeating both bills.  
 "2. The Herpich Bill, legalizing Sunday selling of certain luxuries by four classes of dealers, was introduced as a state-wide measure. Every political unit in the state asked to be exempted except Talbot and Allegany counties. By Monday, March it was quite evident the Talbot delegation had heard from "the folks at home," and they asked to have Talbot exempted. Herpich's Bill then ceased to be state-wide and became local, applying only to Allegany with Delegate Smith against it.  
 "Delegate Duke, of Baltimore, elected to the Legislature from the First Legislative District, but living in the Third, introduced three bills to modify our Sunday law, but all three were defeated. They were as follows:  
 "A bill to license Sunday Moving Pictures. The Ways and Means Committee, after a hearing, ordered an unfavorable report on Tuesday, March 28, but it was never reported to the House of Delegates.  
 "A bill to license Sunday business for those who keep as their Sabbath some other day than the Lord's Day. The City Delegation, through its chairman, Mr. Lee, after a hearing, reported this bill unfavorably. The adoption of this report by the House defeated the bill.  
 "Mr. Duke's third bill, legalizing Sunday Brass Bands with military organizations died in the Senate Committee on Militia."

These gentlemen will speak in Walkersville Saturday evening of this week. Early Sunday morning they will be in Woodsboro, and in Thurmort at 10.30, Sunday afternoon and evening they will visit churches in Emmitsburg and vicinity. Everybody is urged to attend these services.

**M. E. Church Gains 2,561.**  
 At the meeting of the Methodist Episcopal preachers Monday morning at Eutaw street church, Baltimore, 2,561 new members were reported as having joined the church since the opening of the Billy Sunday campaign. At the Methodist Protestant Preachers Meeting at 316 N. Charles street about 1,000 were reported with prospects of 500 more. Baptists and Presbyterians are believed to have nearly an equal record with the latter, with some churches of other denominations profiting largely.

The Rev. E. D. Stone seems to have captured the record for Hampden Methodist Episcopal church with 225 actual new members and more in prospect; Walbrook with 196, Madison Square with 178; East Baltimore Station with 120, and Fuller Memorial Baptist with 105 are others in the lead; Abbott Memorial Presbyterian and Union Square Methodist Episcopal church are pressing them close.

**To Celebrate Flag Day.**

Flag Day will be celebrated on Saturday, May 10th, by the State Camp of Maryland P. O. S. of A., by placing a marble tablet and steel flag pole at the schoolhouse on Terra Rubra, (Keyville) Carroll county. The tablet will be of marble 30x42 inches, and the steel pole will be 36 feet tall.

**Catching Many Fish.**

The break in the C. & O. canal near Big Pool some weeks ago was so serious that almost all the water in the canal known as Big Pool has run into the Potomac river. Fish in great quantities have been taken from the Pool. Carp weighing 40 pounds and bass as long as a man's arm have been taken. Eels and turtles have also been caught.

**FORD'S GRAND OPERA HOUSE.**

Week of May 8th, The Aborn Grand Opera Company. Monday, Tuesday and Wednesday, Wednesday matinee, Bizet's captivating "CARMEN."  
 Thursday, Friday and Saturday, Saturday matinee, Offenbach's exquisite "THE TALES OF HOFFMAN."

For the second week of Grand Opera at Ford's at popular prices, Messrs. Aborn announce Bizet's romantic "Carmen" with a cast selected from the leading members of their incomparable Grand Opera Company.  
 There will be a chorus of fifty with an augmented orchestra under the direction of a new Spanish conductor direct from the Royal Opera House in Madrid, in the person of Ignacio del Castille.  
 The latter half of the week will be given to Offenbach's best opera comique, "The Tales of Hoffman."  
 Hoffman with its many humorous and comedy incidents, its fanciful and even wondrous story all being perfectly matched in the varied musical score, entitle it to the place it has occupied in reportories.  
 Prices—Evenings and Saturday matinee, 25c, 50c, 75c and \$1.00. Wednesday matinee, 25c, 50c, 75c.

**A Symbol of Health.**  
 The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.

**Primary Election Quiet.**

**Out of town Voters Stay at Home.**

At the Primary Election held Monday throughout the State, the vote cast was very small. This in a measure was because the farmers are very busy at this season and would not leave their work. **Garage Robbed.**

The garage of Alvin Morgenthall, Greencastle, was entered Monday night and the following articles stolen:  
 Two 30x3 Goodyear tires.  
 Two 30x3 chain-tread tires.  
 One 30x3 Mecklin tire.  
 Three 30x3 inner tubes.  
 One 5-gal. gasoline measuring tank.  
 Entrance was gained by breaking the lock on one of the doors. Morgenthall notified Chief of Police, Staley, of Waynesboro, who succeeded in obtaining a clue. An old Ford car seen at Waynesboro and coming from Greencastle about 2.30 a. m. Tuesday is thought to have been used by the robbers. It bore a Maryland license; Chief Staley has the number. A number of private garages have been robbed in Waynesboro recently.
