BALL TEAM ORGANIZED.

"Bill" Stoner accepted the management of the base ball club for another season at a meeting held Friday night in the Community Club Room.

The other officers, L. S. Birely, President, and S. R. Damuth, secretary-treasurer, were reelected. It was conditionally agreed to enter the Frederick County League, and it was also agreed to send representatives to the League meeting which will be held in Frederick.

So Thurmont is assured of having a ball club during the coming season, whether it be in the league or not. Financially, the club is in excellent condition, there being a balance of nearly \$200 in the treasury from last year.

Mr. and Mrs. P. N. Hammaker of Thurmont, gave a dance at their home on Friday evening in honor of Misses Evelyn and Lucille Routzahn of Middletown. Music was furnished by the Thurmont Orchestra. Refreshments were served during the dance.

The guests included: Mr. and Mrs. G. Hunter Bowers, Mr. and Mrs. Claude Clary, Misses Alleen Thomas, Pearl Lease, Elizabeth Staley, Elizabeth Apple, of Frederick, Evelyn and Lucille Routzahn, of Middletown, Messrs Wilbur Hammaker, of Liberty, Lee Kelbaugh, Fred Bulman of Thurmont, R. Ames Hendrickson, Edward D. Shriver, Jr., Noel Haller of Frederick, Mr. and Mrs. P. N. Hammaker.

The Pneumonia Month.

March is a typical pneumonia month and usually gives a high rate of mortality for the disease. After a long and hard winter, the system loses much of its resistance and people grow careless. When every cold, no matter how slight, is given prompt and intelligent attention, there is much less danger of pneumonia. It should be borne in mind that pneumonia is a germ disease and breeds in the throat. Chamberlain's Cough Remedy is an expectorant and cleans out the germ laden mucus and not only cures a cold but prevents its resulting in pneumonia. It is pleasant to take. Children take it willingly.

MORRIS L. ROUZER APPOINTED
Representative Zihlman on Monday recommended to the Postoffice Department that Morris L. Rouzer be appointed postmaster at Thurmont, to succeed Jos. C. Gernand, whose term has expired. Mr. Rouzer's name was sent to the Senate on Tuesday, by President Harding, for confirmation. He was endorsed by the Republican Central Committee for the Thurmont District, and also by former Senator J. P. T. Mathias of this town.

REBEKAH MEETING

Mrs. Susan Jones and Mrs. Margaret Roberts, Secretary and Past President, respectively, of Rebekah Assembly of Maryland, of Baltimore, will be present at the meeting of Rebekah Lodge tomorrow (Friday) evening, at 7:30 o'clock. All members are urged to be present.

To endorse and help the Memorial Park project is like casting bread on the waters—it will return to you by and by in the joy you will have in the thought that you helped to honor your soldier boys and at the same time helped to create a "beauty spot" for your town.

Sick

Mrs. Barbara Baxter has been confined to her bed with grippe.

Mrs. Russell Baxter and daughter Mary have been confined to the house with severe colds.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F.
