

White House.

President Roosevelt has accepted an invitation to attend the wedding of Miss Ruth Hanna, the daughter of Senator Hanna, to Merrill McCormick, which will be solemnized at Cleveland, Ohio, on June 10.

Among the Diplomats.

Count Macchi di Cellere, first secretary of the Italian embassy, will leave Italy on June 8, and will probably arrive here about the middle of the month. Count Cellere will act as charge d'affaires when the ambassador and Signora Mayor des Planches leave Washington for their home in Italy, where they will remain until late in the autumn. The new secretary will be accompanied by his young wife, who is said to be a great beauty, and their baby daughter.

The British ambassador and Lady Herbert are spending a short time at Hot Springs, Va., where Sir Michael is taking a much needed rest and greatly enjoying the excellent fishing, a sport of which he is very fond. Before sailing for England the middle of June, the ambassador and his wife will make several short visits including a brief stay at Newport, where they will go to take leave of the embassy staff, which will be established for the summer in the Porter cottage, Greenough Place.

Dinners.

The Italian ambassador and Signora Mayor des Planches will give a large dinner, followed by a reception, on May 25, in honor of Count Della Gherardesca, and his bride. Before leaving Washington the Count and Countess Gherardesca will entertain the ambassador and Signora Mayor des Planches, and the embassy staff, at dinner at the New Willard.

A delightfully unique but quiet dinner and entertainment was that given in Morristown, N. J., at the Golf Club House, on last Friday evening, by Mr. and Mrs. Robert H. McCurdy, for Miss Helen Bell, of Washington, who is for a few days the guest of Mr. and Mrs. Louis A. Thebaud.

The dinner was a young people's affair, no married couples being at the table. The entertainment took place afterward, and the attraction was Khaladap, the Oriental mind reader, who amazed everybody. He did not know any of the people present, and yet he was able to tell any young woman her Christian name after merely looking at her for a moment. Sometimes the young woman had to help him out by touching his forehead with her finger, but that was

only when her name happened to be very unusual.

Gen. and Mrs. George L. Gillespie entertained the officers of the new general staff last evening at dinner. Among those present were General Young, General Bliss, General Schwan, General Cain, General Carter, General Crozier, Colonel MacKenzie, and the junior officers of the staff.

Receptions.

Assistant Surgeon General Vaughan, of the Marine Hospital Service, and Dr. Vaughan gave a reception last Wednesday in honor of the fellows of the American Surgical Association. The decorations were unusually beautiful. Lee receiving the largest number of votes. All the minor officers, recording secretary, corresponding secretary, treasurer, and auditors, as well as ten delegates to the Equal Rights Association, were elected unanimously.

At the close of the business session, Ellen Spencer Mussey, LL. M., dean of the Washington College of Law, presented a paper on "The Higher Education of Women." Mrs. Mussey made an eloquent plea for a more advanced standard of education, and cited instances in which, to women, a knowledge of law is imperative, in order that they may successfully carry on business or protect fortunes left in their care.

Above all, she said, is the well-trained mind, the judicial mind, of value to the mother in the management of her household and in the training and education of her children. Mr. and Mrs. Thomas F. Walsh have rented a cottage at Manchester-by-the-Sea for the summer, although they expect to spend some time at their home in Colorado.

ART AND SCIENCE.

Columbia Heights Art Club.

The Columbia Heights Art Club met on Thursday at the home of Mrs. A. W. Selp. Mrs. M. D. Lincoln (Bessie Beech) presided. Mrs. Evelyn Clark Morgan was elected vice president, Mrs. Fannie B. Ward was made an associate member, and Mrs. Garner and Mrs. Gibbs, whose names had been for some time on the waiting list, were elected as active members. As unfinished business consumed considerable time, the "art notes" were omitted.

The topic for the day was "Modern French Painting." This was ably treated by Miss Mary L. Hadley, whose work at the "Art League" a few years ago won for her the scholarship prize. The number of reproductions of the works of the great French masters used by Miss Hadley to illustrate her subject proved so interesting and instructive that responses to roll call were dispensed with.

Miss Clemens rendered a piano solo by Plierrete, "Air De Ballet," with much skill. Mrs. Slaughter recited "Rienzi's Address to the Romans" in a fine dramatic manner, and as an encore "A Supercilious Nabob." Among the number of guests present were Mrs. Slaughter, Mrs. Birney, Mrs. Pyles, Mrs. Bittenger, Mrs. Conroy, Mrs. Brown, and Mrs. Baldwin. Ices and sweets were served, and the club adjourned to meet next Thursday, at the home of Mrs. M. C. Fisher, at Belair, Va.

The many friends of Mrs. Mary Schafhirt will be pained to learn that she is ill at the Johns Hopkins University Hospital in Baltimore. Mrs. Schafhirt has been in poor health for a year, suffering with paralysis of the optic nerve. She lost the use of her left eye during the last three months, despite the best efforts of physicians here.

It was finally decided to place Mrs. Schafhirt under the care of one of the most distinguished specialists in the country, and she went to Baltimore last Sunday.

While there has, of course, been no decided improvement in her condition, the specialist is very hopeful that the case will yield to treatment. She is receiving every attention that modern medical science and trained nursing can give.
