Two Carloads of "CADILLAC" AUTOMOBILES

Will Arrive This Week.

Two Carloads. All Sold But Four.

The unparalleled popularity of the "CADILLAC" Automobile is due to the fact that it actually does the work of the \$2,000 machine, carries four people comfortably, mounts the steepest hills, is easy to manage, and yet costs but \$850, with Tonneau, as above. The "Cadillac" Autos are sold before we can get them—some have been waiting several months to get them.

There will be four unsold in the last lot—now is your chance for IMMEDIATE DELIVERY.

Midsummer Reduction Sales

After the Fourth of July prices seek a new level. Thoughts are turned toward the readjustment of stocks and a general clearing of goods which bear close relation to summer. Then, again, July is the month of greatest retailing opportunities—as manufacturers and importers are ready to close out surplus stocks and remaining lots at a pittance of regular prices. We have been on the alert to take advantage of every such chance. If we failed to do so, we would be unfaithful to the trust placed in us.

A Monday of exceptional money-saving is before you.

Old Sol vs. Frazee.

RESISTS THE HOT WEATHER

Laundering as we do it in the Good Old Summer Time.

Old Sol is doing his best to melt down your linen, and we are doing our best to make it resist the heat. Our collars stand up well. They resist the humidity better than most laundry work.

We want a chance to keep your Negligee Shirts clean and fresh this summer. Our laundering of Negligee Shirts has made us many friends.

Another of our hobbies is Shirt Waist Laundering. Most every woman in the District knows how well we do up Shirt Waists, what care we take, and how safe it is to trust them in our hands. If YOU haven't sent us your Shirt Waists we want a chance to show you our style of work.

With Our Lowered Prices You Can Wear More Linen.

Just Phone Main 707 or drop postal.
