

NEWS AND GOSSIP IN THE WORLD OF SPORTS

LOU DILLON SCORES AN EASY VICTORY

Queen of Trotters Defeats Major Delmar.

WINS IN STRAIGHT HEATS

Billings' Mare Beats Smathers' Gelding by Twelve Lengths—Heavy Betting on the Race.

MEMPHIS, Oct. 21.—Cheers of the greatest gathering which ever witnessed a trotting race in Memphis were raised for Lou Dillon at the Memphis Driving Park yesterday. Defeating E. J. Smathers' gelding Major Delmar with a record of 2:07.4, the fastest two miles ever made in competition to wagon and brought home the \$5,000 gold cup, which Mr. Smathers won last year with Lord Derby.

The only real contest of the race came in the first heat, when for a quarter Delmar measured strides with Dillon. Then with a mighty burst of speed, the queen surged to the front, and with clock-like motions went under the wire, three lengths in front.

Time by quarters: 0:30, 1:00, 1:32, 2:04. The first half, in one minute, is fastest ever trotted in competition.

Dillon by Twelve Lengths.

Smathers' eagerness in the second heat no doubt spoiled the race. Edging to the front with Major Delmar, he got a shade the better of the start, but Lou Dillon, coming from the rear, shortly passed him. Then Smathers called on Delmar for a supreme effort, but the surging roared the aged campaigner up in the air. Two bad breaks before the first quarter was reached ruined his chances and Dillon won handsily by twelve lengths. Time, 0:32.4, 1:02, 1:33, 2:04.

Men of millions rubbed elbows and the money wagged on the cup race was away up in the thousands. Smathers and his friends from the West took all the 30 to 50 offered and forced the Dillon backers to demand better odds. After the race, Mr. Smathers talked the matter over coolly, predicting that when he and his horse got better acquainted they would make a better showing. He may make an effort to lower his two-minute mark at this meeting, though this matter has not been settled.

Lou Dillon will go against her record this week and Trainer Saunders is confident she will make it 1:53.

HERMIS HANDILY WINS BRIGHTON GOLD CUP

E. R. Thomas' \$60,000 Horse, Under Restraint, Beats Major Daingerfield by Eight Lengths.

Smoothly and easily, with reins taut and his head tossing from side to side in his endeavors to run faster, Hermis, E. R. Thomas' \$60,000 colt, won the Brighton Gold Cup in a romp yesterday. Never, from start to finish, was the result in doubt. From first to last he toyed with his rivals and won in a manner befitting the price his owner paid for him.

The time of the two miles and a quarter was not fast—3:22.5—but that was more to the inability of Hermis' opponents to carry him along the last six furlongs and make him race faster. In the early stages of the contest the pace was terrific. It was this early speed that made Major Daingerfield, Eganter and Allan reel like drunken men. It did not seem to affect Hermis at all, and with even stride and fighting hard for his head he ran the long journey at a pace that few horses ever equaled, winning from Major Daingerfield by eight lengths, with igniter five lengths back of the big buck. Allan was nearly a furlong behind the winner.

PITCHER FRANK SMITH OBJECTS TO DRAFT

PITTSBURG, Pa., Oct. 21.—Frank Smith, who pitched for Birmingham in the Southern League, and whom Manager Loftus, of Washington, was after, yesterday announced that he would not submit to a draft by the Chicago American League Club; that he had an offer from the Boston Nationals, and that he liked Boston better and would go there.

SIGNIFICANT CHANGES MADE IN YALE LINE

NEW HAVEN, Conn., Oct. 21.—The first important shake-up of the year came at Yale yesterday as a result of the conference of coaches. Morton, who has been playing left guard all the season, and who has been unsatisfactory, was shifted to center. Bloomer, who has been playing right guard, was given Morton's place at left guard, and right guard was filled by a new man, Miller, for two years a member of a winning Yale crew.

OFFICIALS FOR AUTO RACE.

At the meeting of the Washington Automobile Dealers' Association on Tuesday the last preparatory step for the races was taken in nominating the track officials, such as the referee, judges, timers, starters, umpires, and clerk of the course. While the list will not be made public for a day or two, it is known that the men named are all identified with sports in general, and all are well known to the Washington public.

AMATEUR FOOTBALL.

The Plaza Athletic Club would like to arrange games with any team in the city averaging 130 pounds. The Plazas have engaged a former fullback of Wisconsin, and Mr. Stanley, of Columbian University, as coaches. Address all challenges to Dr. Percy Gladmore, 306 Twenty-third Street northwest.

McGOVERN WHIPS BRIGGS.

BOSTON, Oct. 21.—In one of the greatest fights ever seen in this city Terry McGovern won the decision from Jimmy Briggs last night at the Criterion C. after fifteen rounds.

COLLEGIANS TRY FOR GOLF HONORS

Princeton and Harvard Win—Tigers and Crimson Will Meet in the Finals Today.

Favorites won in the first day's play of the intercollegiate golf championship tournament over the links of the Garden City Club, New York, yesterday. At the outset for team honors Yale had an easy time with University of Pennsylvania, defeating the Quakers 16 to 1. Later on Harvard beat Yale 9 1/2 to 2, according to the intercollegiate point system, while Princeton won as she pleased at Columbia's expense, 29 to 6. Today Princeton and Harvard will meet in the finals at thirty-six holes, and betting is about even, the Crimson, if anything, being a slight favorite.

Chandler Egan and Reinhard will play No. 1 on their respective teams, and this match looks like the toss of a coin. Walter Egan will meet Cooklin, while Hollins plays Baker. McBurney meets James and Chick tries conclusions with Olyphant. Murdock and Poole will be the last pair.

NOTED CHARACTER, JACK HEATH, DEAD

Conducted Houses of Chance in and About Washington for Quarter of a Century.

Jack Heath, one of the most noted characters of the National Capital, is dead. The end came yesterday at 1 p. m. Since Mr. Heath, who was seventy-four years old, broke his leg three years ago by falling from a street car, his health has been growing worse, and for some time past he had been unable to attend to his business. He turned his establishment on the Virginia shore of the Potomac, opposite the Three Sisters, over to his sons. Mr. Heath is survived by a widow, five boys and two daughters. The funeral will take place from the Heath residence on Friday. Requiem mass will be said at St. Dominic's Church.

Heath was born in Alexandria. At the outbreak of the civil war he joined the Confederate army, and at its close came to Washington, where he set up a gambling establishment in E Street, between Third and Fourth Streets. It flourished from 1875 until 1883, and was patronized by many prominent statesmen. A crusade against gambling was then started in Washington, and Heath's place was closed up, but he soon again opened another in what is now the Postal-Telegraph building. From there he went to Jackson City, where he was burned to the ground in 1901.

PLATE PRINTERS' LEAGUE OPENS ITS SEASON

The Plate Printers' League opened its season last night with a set of games between the St. Louis and Chicago quintets. The St. Louis five won two of the three games. It lost the first, but won the second and third after a hard fight. Grapids, of the losers, carried off the individual honors of the evening, with high single of 191. The scores:

Chicago	1st	2d	3d
McNally	165	113	122
Hippis	149	129	136
Batch	148	147	125
Orspada	133	191	171
Hess	154	151	151
Totals	706	722	712

AGRICULTURAL QUINT DOWNS WAR DEPARTMENT

In the Departmental League last night the new Agricultural team trimmed the War Department five in each game of the set rolled on the Palace alleys. The Warriors bowled in poor form, not one of their scores being over 100. Brown and Fields, both of the Agricultural, were the only men to break into the 200 class. Their scores were 213 and 219, respectively. The totals:

War	1st	2d	3d
Williams	123	160	145
Shopton	112	127	116
Cogan	117	151	145
Van Hoesen	182	156	128
Allen	129	142	151
Totals	748	746	712

SAENGERBUND BOWLERS SET SEASON'S RECORD

Captain Eckstein, of the Saengerbund, had his men on the alleys Monday night, and they set the season's record for high total in the last game of the set by knocking over 1,015 pins, and their work in the first and second games was also excellent the scores being 835 and 974. The following were the scores over 200: Scheurman, 285; Elker, 210; Miller, 210. The record for the three games follows:

Scheurman	1st	2d	3d
Scheurman	152	215	199
Elker	151	214	191
Burdine	181	169	235
Kraus	185	196	189
Miller	186	189	210
Totals	885	974	1,015

NEVEROUTS REORGANIZE.

The Neverout football team has reorganized for the season and would like to hear from all teams averaging 100 pounds. Their line-up is as follows: James, right end; A. Walter, left end; Cary and Offord, guards; Handy and Bates, tackles; Feaster, center; Cross, Sartine, Fory, and E. Walter, backs. Address all challenges to Rowland O. James, 212 Eleventh Street southeast.

TECHNICAL VS. WESTERN.

The Technical and Western High School football teams will meet on the gridiron at University Park this afternoon, at 3:30 o'clock. In the second game of the inter-school series.

EMERSON INSTITUTE DEFEATS BUSINESS

Embryo Merchants, However, Play Fast Game and Show Great Improvement.

A number of loyal supporters of the Business High School trudged down to University Park yesterday afternoon to see the embryonic bankers and brokers measure prowess with the sturdy sons of Emerson Institute. Only one half was played. At the conclusion of that the score stood 6 to 6 in favor of Emerson.

The Business team this year is a strong one, and having started the league going with a clean-cut, decisive victory over Eastern to the air of 10-0, Coach Kennedy is of the opinion that his proteges can make it interesting, not to say uncomfortable, for the other teams in inter-high school championship. The back field is strong and the positions are all filled by experienced lads. What Coach Kennedy is now trying to instill into the boys is confidence and stamina, and when they realize what depends upon those two qualities it is safe to say they will do far better work.

Kennedy was formerly one of the High School football stars. All of the Business lads are showing up better at each practice, and Coach Kennedy's efforts may yet result in the future merchants winning the championship.

INTERIOR TEAM TRIMS COMMERCE AND LABOR

The Interior team bowled in good form last night in its match against the Commerce and Labor five and handily won all three games of the set, capturing each by over 100 pins. Garrett's 211 single was the highest, while Williams carried off high single honors for the losing quint, with 204. The scores:

Interior	1st	2d	3d
Livington	199	171	145
Lemmon	179	183	180
Hough	198	191	182
Garrett	211	173	167
Totals	587	527	573

ORTON WILL TRY FOR NEW RECORD

Famous Runner to Attempt to Lower the Figures for Four Miles Next Saturday.

George W. Orton, a graduate of the University of Pennsylvania, three winner of the cross-country championship of America, will endeavor to lower the four-mile American record on October 24, at Penn's interclass games.

The present record of 20:15.4 is held by W. D. Day. Orton is the present holder of the intercollegiate mile record, and by many is considered the fastest man in America today in any event, from the mile to longer distances. When Penn went to the world's championships at Paris Orton defeated the fastest men in Europe in hollow fashion, and Dr. Shell, who has been training him, thinks that he is better than Grant, who was one of Penn's best distance runners, and who recently broke the American two-mile record, have been in New Hampshire training to lower the present marks before retiring. At the present time Orton is in splendid condition for his effort. He will be paced by the entire cross-country team of the University of Pennsylvania, and Grant has expressed willingness to come over to Philadelphia from New York and help his old teammate in the last days of preparation, and to make part of the running for Orton during the trial.

FRAUD INDICTMENTS IN ST. LOUIS ELECTION

ST. LOUIS, Oct. 21.—Police Captain Samuel J. Boyd; Thomas E. Barrett, former marshal of the St. Louis court of appeals, and a member of the Democratic State committee; John Dolan, chairman of the Democratic city central committee; Adolph Pein and Jacob Weissman, members of the Hebrew branch of the Jefferson Club, were indicted by the Federal grand jury yesterday for complicity in naturalization frauds alleged to have been committed prior to the recent election. Six indictments, containing about thirty counts, were returned against Boyd, five indictments against Barrett, and two against both Barrett and Dolan.

OAKLEA FOOTBALL TEAM.

The Oaklea Football Team has been organized for the season, and would like to arrange games with any eleven in the District averaging from 120 to 125 pounds. Following are the candidates for the Oaklea team: Paladim, Lowell, Rehl, Eaden, Harlan, Hamilton, Carroll, Crisp, Pike, Patterson, Dana, Webb, Howard, Hardrup. Address all challenges to M. W. Patterson, manager, 1291 F Street northeast.

THE SAXONIA SUNK.

KIEL, Oct. 21.—The German steamers Saxonia and Sparta collided near here today. The Saxonia sank and the Sparta was badly damaged.

Monarch SHIRTS ARE THE BEST AT THE PRICE.

CLUETT, PEABODY & CO. MAKERS

ARMY-NAVY FOOTBALL TICKETS TO BE SOLD

Pennsylvania Will Charge \$2 for Each Ticket Allowed Her—Only Problem of Solution.

There will be no free admission to the Army-Navy game this year by invitation of the University of Pennsylvania Athletic Association. This was decided at a meeting of the Army, Navy, and Pennsylvania committees in Philadelphia yesterday afternoon. The three committees having the annual game in charge drew up and signed an agreement whereby it is optional with West Point, Annapolis, or Pennsylvania to sell its quota of tickets and donate the proceeds to charity. The Navy was represented by Captain Halsey, the Army by Captain Pierce, and Pennsylvania by Dr. White.

Of the 6,000 tickets which will belong to Pennsylvania under the new scheme of distribution not one will be complimentary. Every ticket that has usually come to Pennsylvania for gratuitous distribution will be sold for \$2. The board of directors of the Athletic Association, members of the college faculty, members of all the athletic teams, in fact every one who in the past has been receiving complimentary tickets to this game by invitation of the University of Pennsylvania Athletic Association, will be obliged to pay for them this year if they desire to witness the contest.

COLUMBIA GOLFERS DEFEAT CHEVY CHASE

Captain Harban's Team Downs Its Opponent in Match for the Star Cup for the Second Time.

On the Columbia links yesterday afternoon the Columbia Golf Club easily defeated the Chevy Chase Golf Club in the match for the Star Cup. Under the terms of agreement the cup is to become the property of the team winning it three consecutive times. The Columbias have successfully captured it, and their chances of repeating their victory next year look bright.

The eight best players in each club were selected by Captains Harban and McCammon, and the Columbias far outclassed their opponents, winning five of the eight matches. The total score was 15 to 3. The Harban brothers scored the greatest number of points for the victors, each winning by four up. Following is the score:

Columbia	Up	0
J. C. Davidson	0	0
Dr. R. L. Harban	4	0
W. E. Conklyn	0	0
E. S. Brooke	1	0
L. W. Weaver	0	0
Dr. W. S. Harban	4	0
A. S. Mastingly	2	0
Alex. Britton	2	0
Totals	15	3

ZANESVILLE WOMAN MOTHER OF QUADRUPLETS

ZANESVILLE, Ohio, Oct. 21.—Quadruplets were born to a negro woman of this city yesterday. They are all girls of normal size and health. The mother has three other children. The father is a quarryman. Mrs. Tate is twenty-eight years old and her husband thirty-one. All day and tonight the Tate home has been surrounded by throngs begging for admission or a glimpse of the four babes. Dr. McCormick, the attending physician, is confident that all will thrive.

COURT IN PATROL WAGON.

CHICAGO, Oct. 21.—Justice Caverly yesterday climbed into a patrol wagon and administered the oath to detectives armed with a warrant charging Lucy Miles with larceny. The woman lay in a cot in the vehicle, having been brought from the hospital. She was held in \$1,800 bond.

NEW CURVE INVENTED BY PACIFIC TWIRLERS

Shoot Mastered Whereby Speedy Ball Slackens When Near the Plate and Drops.

CHICAGO, Oct. 21.—Local baseball players and incoming professionals have one topic of conversation now and that is the new ball the California pitchers are bringing back with them. Among this lot is Skel Roach, who has it down to a science. It is said that every pitcher, big and little, is working on it, and before long there will be fifty, at least, who will have mastered the mysterious "drop." It is called the "split ball," from the fact that the pitcher moistens his pitching forefinger just before delivering the ball. This act in some way takes from the ball all the twist which ordinarily gives the ball its curve near the plate. The result is that it comes from the pitcher's hand with all the speed motion, comes up fast and fast and then drops dully, all speed gone from it, and the twist washed out. It falls like a lump of lead; in fact, its qualifications are so phenomenal that the average ball player calls the story a "pipe."

Roach used it Sunday against Bob Welch's Spaldings and Skel says it worked like a charm. Roach throws it with all the speed off the end of his hand as if he were throwing the usual speed or curved ball.

Californians tell of pitchers whose arms are gone coming back into the game with this ball. They mix it up with a few bad ones so wide of the plate that the average batter can't reach them. Then comes the new drop ball like a falling slanting chunk of lead and the batter is sewed up neatly.

Out in California, they say, the wise manager whose pitcher had not yet learned the drop tried to put red pepper in the seams of the playing ball, figuring this would stop it. It did while the red pepper lasted.

LAWYER AS LEADER OF BLACKMAILERS' GANG

Suspicion Against Him in the Northern Pacific Case—Cravelle a Mere Tool.

HELENA, Mont., Oct. 21.—Isauro Cravelle, under arrest in connection with the Northern Pacific dynamite outrages, has been positively identified, and there is no doubt in the minds of the railway officials that he is a member of the gang which is endeavoring to blackmail the company out of \$50,000. There is a story current that a lawyer practicing before the courts of this State is the real power in the matter and that Cravelle is the mere tool. Cravelle, however, declines to make any statement beyond that he will be able to prove his innocence when placed on trial. The theory the detectives are said to be working on is that this lawyer, who has had more or less trouble with the company, has taken this means of revenge.

HEIR TO \$500,000.

DAVENPORT, Iowa, Oct. 21.—The famous Parker will case was decided yesterday by Judge Wolf, who holds that Francis Parker was acknowledged in deede to be the son of Frederick Parker, and hence is heir to one-half of the million-dollar estate of James Monroe Parker.

SIoux CITY, Iowa, Oct. 21.—Mrs. Ida B. Wise, of Missouri Valley, corresponding secretary of the Iowa W. C. T. U., in her annual report yesterday declared that drinking among women in the State is on the increase. Mrs. Marion H. Dunham, Burlington, president, in her annual address, urged strenuous effort to obtain equal suffrage and the abolition of child labor.

THREE NEGROES KILLED IN POSSE'S CHARGE

Several Also Wounded in Encounter in St. Charles Parish, North of New Orleans.

NEW ORLEANS, La., Oct. 21.—Three negroes were killed and seven wounded seriously in an encounter with a sheriff's posse at Pean Grove plantation, in St. Charles parish, about thirty miles above New Orleans today. The negroes were railroad hands working on the Yazoo and Mississippi Valley Railroad, which is raising its tracks. They were eighteen in number and were under the command of a white man named Pat McGee.

Constable Charles Sergy attempted to serve a legal notice on one of the negroes Saturday, but was driven from the camp by a negro. He summoned five other white men and the entire party well armed and on horseback, accompanied him to the camp. As the posse approached McGee and the negroes fired on them. The shooting was kept up for some time, the negroes finally scattering and taking to the woods. Three negroes were found dead in the fields and seven wounded, who were cared for in the neighboring settlement, Elkinsville. None of the whites were wounded.

AMATEUR ASTRONOMER WATCHES SUN'S SPOTS

W. L. Watts, of Cambridge, Gets Good Photographs—Many Make Observations.

BOSTON, Oct. 21.—During the last four days of last week, whenever the absence of clouds permitted, astronomers were busily engaged in making observations of the spots on the surface of the sun. Some good results were obtained, among the notable ones being a set of photographs made by W. L. Watts, of Cambridge, an amateur in the science.

Mr. Watts made photographs on Wednesday, Thursday, Friday and Saturday which show the spots clearly. The larger spot, which was upon the lower hemisphere of the sun, was in reality a greater system of spots extending over a large area. This spot was first observed on Wednesday. On Thursday it had become more defined and on Friday had separated into two distinct areas. On Saturday, when the spot should have been on the sun's edge, and when most important observations would have been possible, the clouds shut it from sight.

The smaller spot was upon the upper hemisphere of the sun. On Wednesday it appeared as a long ellipse. The next day it was less elliptical in form, and on Friday the spot had approached a circular shape, which it assumed on Saturday. Both spots were quite near the sun's equator.

"COWBOY EVANGELIST" INJURED AT HORSE SHOW

KANSAS CITY, Mo., Oct. 21.—James Murray, the Toronto horse tamer and breaker, also known as the "Cowboy Evangelist," received possibly fatal injuries last night at the horse show. His horse failed to clear a fence in the exhibition of hunters and Mr. Murray was thrown. It is not yet known whether his skull was fractured.

"DRINKING AMONG WOMEN OF IOWA ON INCREASE"

SIoux CITY, Iowa, Oct. 21.—Mrs. Ida B. Wise, of Missouri Valley, corresponding secretary of the Iowa W. C. T. U., in her annual report yesterday declared that drinking among women in the State is on the increase. Mrs. Marion H. Dunham, Burlington, president, in her annual address, urged strenuous effort to obtain equal suffrage and the abolition of child labor.

ARIZONA WOMAN AN ELECTRICAL ENGINEER

Success in This Field Has Been Achieved by Mrs. Eva E. Tutt, of Prescott.

PRESCOTT, Ariz., Oct. 21.—Mrs. Eva E. Tutt, of Prescott, Ariz., is the general manager of the Arizona Power Company, which is engaged in a scheme to supply electrical power to several big mines in northern Arizona. Three million dollars are invested in the project, and it is Mrs. Tutt's brain and ability that are bringing it to a successful issue from a theory to a half-completed reality.

First steps were taken about eighteen months ago to establish an electric power plant of 6,000-horsepower on Fossil Creek for the generation and transmission of electricity to a power distance of fifty-seven miles. The plant and the lines will be owned and operated by the Arizona Power Company, which has contracted with the Arizona Construction Company for the completion of the work at a cost of \$1,500,000, the plant to be ready for operation by January 1. All this is a result of Mrs. Tutt's energy.

"How did you ever happen to become an electrical engineer?" is the question invariably put to her.

"I could not help it. It was a natural bent," she answered. "My father was an engineer, and I was his favorite 'boy,' he used to call me, until, by a second marriage, he had a real son. He was a steamboat man on the Mississippi and used to take me with him to tell me all about the machinery. I liked dolls well enough and their clothes, but I liked best to play with the cog wheels and pulleys or to watch the ship's governor on an engine whirl round and round. I learned machinery just as I learned to talk, without knowing that I did. Instead of fairy tales I read the engineering reviews and scientific papers that my father took, and when I could not understand things I made my father explain them.

"After leaving my home in Wisconsin I went to Montana, and then I came to Los Angeles, where I learned that there was an opening for an electric light plant at Long Beach. I put what money I had in the venture. I looked about for some one to manage the company, but could not find anyone who seemed better able to do it than I was, so I not only took the presidency of the company, but superintended the plant."

CHAUFFEUR ESCAPES FROM VILLAGE LOCK-UP

BELLSVILLE, N. J., Oct. 21.—The belief that friends of Edward Baker, chauffeur for Kirke La Shelle, a theatrical manager, stormed the village lock-up in this place Monday night and released Baker, who was a prisoner there, has aroused the authorities of this county. Baker was convicted of stealing from a yacht owned by Mrs. Walter Cook, and Monday Justice Vink found him guilty. He was sentenced to ninety days in the Riverhead jail. Baker was taken to the village lock-up for the night. This morning, however, when the constable went to take his prisoner to the county jail he found the doors open and Baker gone.
