

JEWES CELEBRATE PASSOVER FEAST

Commemorate Release of Tribes From Egypt.

SERVICES FOR CHILDREN

Ceremony Known as Seder Hagadah Given by the Washington Hebrew Congregation.

The advent of the Passover was celebrated by the Washington Hebrew congregation last night with a ceremony known as the Seder Hagadah. The service was in the form of a feast of thanksgiving, commemorative of the release of the children of Israel from bondage in Egypt, and was the first public service of its kind ever held in Washington.

Nearly 200 children were seated at the prettily decorated tables when Rabbi Louis Stern opened the service. The ceremony was carried out as it is every year in the homes of Jewish families throughout the world for 2,500 years. The responsive reading service was conducted by Dr. Stern, and the meaning of the symbolic foods, was explained to the children by the Rev. Abram Simon, assistant pastor.

Symbols of the Faith.

Each person taking part in the ceremony was given a spray of bitter herbs, an egg, a piece of unleavened bread, and a glass of wine, each representing a doctrine of the Jewish faith.

The bitter herbs were symbolical of the bitter lot of their forefathers in the land of their adversaries. The unleavened bread is a reminder of the fact that the Jews in Egypt were driven from the country with such haste by their tormentors that they had no time to leaven the bread for the journey. The egg was explained to be representative of the new life, and the fact that the wine was symbolic of a festival of joy.

Relatives View Feast.

The feast was viewed by the older members of the congregation, consisting mainly of the relatives of the children taking part in the service. The ceremony was arranged by Dr. Stern and Dr. Simon, who were assisted by Isaac L. Blout, president of the congregation, and the board of the religious school, Max Fischer, chairman; Jacob Eisenmann, David Kahn, Harry King, and Jacob Kornblith, members. The women were composed of Mrs. Max Fischer, chairman; Mrs. Louis Stern, Mrs. Abram Simon, Mrs. L. L. Blout, Mrs. Myer Cohen, Mrs. William Wolf, Mrs. A. M. Fischel, Mrs. Jacob Eisenmann, Mrs. L. N. Myer, Mrs. Ben Solomon, Mrs. David Kahn, and Mrs. Moses Cohen.

New Painting Now on Exhibition in Bradbury Piano Store.

A new portrait of the late President McKinley is on exhibition in the Bradbury piano store, 125 Pennsylvania Avenue. The portrait is done in oils and is a life-size representation of Mr. McKinley. The artist, William T. Matthews, was at work on the picture many weeks, the President having given him a series of sittings in Canton, Columbus, and at the White House in Washington.

Mr. McKinley is represented seated in his office chair, and the lifelike appearance of the portrait has met with expressions of favor from Secretary Hay, other members of the Cabinet, and many personal friends of the late President.

HYATTSVILLE NOTES.

HYATTSVILLE, Md., April 1.—Holy Thursday was celebrated yesterday at St. Jerome's church by a mass at 9 o'clock, followed by a procession of the Sunday school children. Tuesday evening the Lenten sermon was by the Rev. Charles J. Trinkhaus, assistant pastor of St. Mary's Church, Washington. At the Presbyterian Church there have been special services every evening during the week. The sermon last night was by the Rev. Charles J. Smith, pastor of First Memorial Church, Georgetown. At Piney Memorial Church the usual weekly Lenten services are continued through Holy Week.

Justice Arthur Carr, Mrs. Carr, and Dr. G. A. Richardson returned yesterday after a visit to Atlantic City.

Easter Flowers Bloom In Greatest Profusion

Washington Florists Offer Spring Beauties and Hothouse Products to Make Bright the Anniversary of Resurrection.

Easter flowers?

Oh, yes; an abundance of them, and at moderate prices, too. Choice products of the gardener's skill are to be had for almost any sum you wish to pay. From American Beauty roses and orchids, at \$15 a dozen, the range takes a downward course to hyacinths, crocuses and other fragrant blooms at 25 cents.

The local flower shops have already begun to take on their Easter attire, and are filled with a variety of blossoms that will soon lead gayety to hundreds of Washington homes. There is every reason to believe the people will buy as freely this year as on previous occasions, and the florists have laid in a supply to suit the tastes and pocketbooks of everybody.

Lilies and Violets.

Lilies, violets, and roses, as in bygone years will be most popular in the public fancy. Orchids, lilies, and azaleas are sure to have a large following, while the other flowers will be bought according to individual taste.

Washington florists have had great success in the cultivation of their Easter lilies this year, and the Capital, at least, is destined to be gay with the stately white flower. Two different species of the plant have been raised, the Lilium longiflorum and the Lilium Hartwegii. The roots of the longiflorum are imported from Japan, and planted in hothouses or the early part of the year. The other species is a product of Bermuda, and the roots are also planted in hothouses. They cost from \$3 to \$5 a plant.

Kovelties in Flowers.

In the way of novelties, florists are offering the Japanese flowering apple; the flowering cherry, and the English hawthorn. The latter is a flowering bush which grows from three to four feet in height. It is of great beauty. The apple and cherry blossoms are of extreme delicacy, and are regarded as the most beautiful of the fragile flowers. At this time of the season potted plants are always in greater favor than cut flowers. The prices of both are about the same as in previous years, and the demand, if anything, is heavier.

EASTERN CHURCH VOTES AGAINST RESIGNATION

The congregation of the Eastern Presbyterian Church last night refused to accept the resignation of its pastor, the Rev. Thomas Chalmers Easton, who, a few weeks ago, formally signified his intention of relinquishing the pastorate. A special meeting was called, and a vote taken on Dr. Easton's resignation, which resulted in 153 to 45 in favor of not accepting the pastor's withdrawal.

TOOK MAN'S WIFE, CHILD, AND GOODS

Camping Party Held Up at Revolver's Point.

FOLLOWED THE ROBBERS

Obtaining Aid of Police, Arkansan Recovered His Possessions From Kidnaping Emigrants.

ALEXANDRIA, La., April 1.—P. Smith and Leroy Taylor are under arrest here on the charge of having stolen another man's wife and child, his live stock, wagons, and household goods.

The offense is said to have been committed near Winona, in Winn Parish, where Henry Smith and his family were camped. The latter was removing from Union county, Arkansas, and P. Smith and Taylor were emigrants from the same section. It is said that the two men came upon Henry Smith's camp and demanded that he should leave his family and possessions.

The husband was forced to submit at the point of revolvers and stood by while the men drove off with his wife, his baby, two horses, two mules, a cow and calf, two wagons and an assortment of household goods. The husband followed in the wake of the party, and, locating them for the night, proceeded to this place and obtained the aid of officers in making the arrest.

Smith claims that he was also relieved of \$100, Mrs. Smith and the child left yesterday afternoon for their home in Arkansas.

ROCKVILLE, Md., April 1.—Several of the members of the town council, with other leading citizens and property owners of this town, have sent to the senator and members of the house of delegates at Annapolis, from this county, a letter recommending the following in relation to the bills now before that delegation:

First, That the house bill relating to fares be amended so that the road car fare from Rockville to Washington, termination to the District line, until the same is constructed into or through the town, be allowed to collect four fares.

Second, That the senate bill to repeal the present referendum law be allowed to pass upon the passage of the above-mentioned law.

A majority of the present council have agreed not to act under such new law, but will leave it to the council to be elected in May next.

Leading citizens of Bethesda district, this county, have issued a circular letter to citizens of that district calling a meeting at Parish Hall, corner of Rockville Pike and Bradley Lane, Bethesda, for Tuesday April 3 next at 8 p. m., for the purpose of organizing what is to be known as the Bethesda Citizens' Association. TAFT DECLINES REQUEST TO EXTEND THE PIERS

Secretary Taft declined yesterday to issue a permit for the proposed extension of the piers in North River used by the trans-Atlantic steamship lines.

In declining to permit this extension Secretary Taft sustains the position taken by his predecessor, Mr. Root, and acts in accordance with the recommendations of army engineers, who maintain an extension of the piers would interfere seriously with navigation.

CAR IN RIVER.

While backing down Union Street yesterday a freight car ran off the slip at the Baltimore and Ohio ferry, and into the river. A wrecking crew replaced the car on the rails later in the day.

OF COURSE NOT.

Last night thieves entered the yard of William Robinson, in Duke Street, near Fayette, with the evident intention of robbing his hen roost. They were heard by Mr. Robinson, however, who summoned the police. Police-men Nicholson and Arlington made a search of the premises, but could find no one.

FISHERMEN DISCOURAGED.

The Alexandria fishermen are much discouraged at the cold and rainy weather of the past few days. They say that they are afraid by the time the weather gets warm the prices for fish will be so low and the fish so numerous that there will be no profit in the business.

ENGLAND'S BUDGET SHOWS BIG LOSS

Revenue Millions Below the Estimate.

DUTIES WILL BE RAISED

Taxpayers Are Also Prepared for Increase in Income Tax, Now 22 Cents on Pound.

LONDON, April 1.—The British fiscal year closed yesterday in anything but pleasing shape from the taxpayers' viewpoint. The official returns show that the estimate of revenue made in the last budget by ex-chancellor of the Exchequer Ritchie was not reached by £22,750,000.

The estimate of £144,270,000 proves to be £141,546,000, which is more than £2,724,000 below the previous year. The slump is made worse by an additional £14,000,000 expenditure in the form of supplementary grants, chiefly for the army and navy.

The continued depression in trade and other circumstances give the prospect of a considerable deficit also in the budget for 1934-5. It is calculated that the budget, prepared by Austen Chamberlain, the chancellor of the exchequer, which is due in about a fortnight, will have to provide for raising at least £7,000,000, and perhaps, £10,000,000, of fresh revenue.

Hence it will be impossible for Mr. Ritchie's overgenerous remission of £17,000,000 of taxation in April, 1932, to be maintained. The taxpayers are prepared for an increase in the income tax, which is already equivalent to 22 cents on the pound.

It is believed that the duties on sugar and tobacco will be raised. There is some expectation that the sinking fund will be suspended partly.

The enormous growth of national expenditure in recent years makes it evident that if a reduction cannot be effected in the near future the basis of indirect taxation must be widened.

ARE YOUR KIDNEYS WEAK?

Thousands of Men and Women Have Kidney Trouble and Never Suspect It.

To Prove What the Great Kidney Remedy, Swamp-Root, Will Do for YOU, Every Reader of The Times May Have a Sample Bottle Sent Absolutely Free By Mail.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys begin to get better they will aid all the other organs to health. A trial will convince anyone.

I cheerfully recommend and endorse the Great Kidney Remedy, Dr. Kilmer's Swamp-Root, for kidney trouble and bad liver. I have used it and derived great benefit from it. I believe it has cured me entirely of kidney and liver trouble, from which I suffered terribly.

Most gratefully yours, A. L. REYNOLDS, Chief of Police, Columbia, Ga.

Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering and fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless, and irritable. Makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, and other diseases of the joints, and muscle, make your head ache and back ache, cause indigestion, stomach and liver trouble, you get a sickly yellow complexion, make you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away.

The cure for these troubles is Dr. Kilmer's Swamp-Root, the world-famous kidney remedy. It makes Swamp-Root you afford natural help to Nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that is known to medical science.

How to Find Out.

If there is any doubt in your mind as to your condition, take from your urine on rising about five ounces of urine in a glass or bottle, and let it stand twenty-four hours. If on examination it is milky or cloudy, if there is a brick-red sediment, or if small particles, make void in it, your kidneys are in need of immediate attention.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their private practice, and is taken by doctors in thousands of testimonials, because they recognize in it the greatest and most successful remedy for kidney, liver, and bladder troubles.

EDITORIAL NOTE.—So successful is Swamp-Root in promptly curing even the most distressing cases of kidney, liver, or bladder troubles, that to prove its wonderful merits you may have a sample bottle and a book of valuable information, both sent absolutely free by mail. The book contains many of the thousands of testimonials of testimonial letters received from men and women cured. The value and success of Swamp-Root is so well known that our readers are advised to send for a sample bottle. In sending your address to Dr. Kilmer, the Washington Daily Times, the proprietors of this paper guarantee the genuineness of this offer.
