

BOWLING RACING ATHLETICS BOXING FOOTBALL

CENTRAL AND TECH WILL CLASH TODAY

Most Important Game of High School Series.

STRENGTH PUT IN LINE

Tech Will Rely But Little on Backs and Is Slight Favorite in Betting.

Central and Technical meet on the gridiron at American League Park this afternoon at 2:30 o'clock.

The football championship of the high schools will likely hinge upon the result. Technical is a slight favorite in the betting.

It is the purpose of Technical to use the line men often than the backs. All of the strength has been placed forward.

Central Uses Backs.

Central's back field is considered stronger than Technical's, and slightly faster. Cunningham, at fullback, easily the star of the backs will be used often.

M'GINNITY MAY QUIT BASEBALL FOR GOOD

NEW YORK, Oct. 23.—Joe McGinnity, the New York National League Club's pitcher and formerly of Baltimore, may not play next season.

He will probably go into business in South McAlester, N. C., where he lives and has an interest in an iron foundry.

A difference of opinion with President French on the subject of his playing with the Pacific Coast League this winter and picking up \$2,500 is the chief cause of McGinnity's desire to quit the New Yorks, and may be the game itself.

Graves, captain of the army team, is out of the game for the remainder of the season as the result of a cracked rib, received in the Yale game.

TECHNICAL HIGH SCHOOL SQUAD

PLAYS BIG GAME WITH EASTERN TODAY.

Standing—Harring, Gloetznor, Baden, Gintzer, Hunt, Hart, Browning, Fenderson, Coach Hecox. Kneeling—Mess, Browne, McKenney, DuGanne, Backus, W. Pipes, Steinmetz, Parris, H. Pipes. Sitting—Rosemond, Elsworth, Barbour, Kehler, Smith, Parsons, Edwards.

WILL PLAY MARYLAND INSTEAD OF AGGIES

Injury to Farmer Players Necessitated Canceling of Game—Eight on Hospital List.

George Washington will not play Maryland Agricultural College tomorrow, as was scheduled, but will instead have an opponent in the eleven gridiron warriors from the University of Maryland.

BASKETBALL CONTEST AT Y. M. C. A. TONIGHT

Tonight at 8:45 o'clock Carroll Institute basketball team will play the Y. M. C. A. The Carrolls were champions last year. They took the honor by defeating the Caroran Cadets by 42 to 25.

BOWLING NOTES.

The Postoffice team, in the Departmental League, bowled excellently last night, but could not reach the good marks long up by the War Department five in the first and third games of the set.

The consistent bowling of Jacobson enabled the Citizens' quint to win two games from the American Security team in the Bank Clerks' League last night.

The Commodore and the Navy meet on the Palace alleys tonight, and some high scores are likely to be made.

JOHN L. SULLIVAN SOLD NEWSPAPERS

ST. LOUIS, Oct. 23.—For two hours John L. Sullivan, ex-champion pugilist of the world, sold papers on the street yesterday. In that time he took in more than \$100, every cent of which goes to swell the fund raised for the benefit of the widows of the three detectives killed in a battle with train robbers.

Personal Comment on Men and Things in the Field of Sports

The "split" ball has a rival. Skel Reach is the discoverer of the "nothing," but a peculiar twist of the fingers allows the ball up before it reaches the plate and fools the batsman. Reach has used the "nothing" to success, he says.

Bob Russell and Will Lewis meet for six rounds in Philadelphia tonight.

Poor old Peter Maher. He was handed his again last night. Fred Cooley connected with Peter's jaw in the first round of what was scheduled to be a six-round go and the son of County Carey went down and out. The fight lasted only two minutes. In that time Maher was knocked down twice.

Joe Walcott may never fight again. It is said, owing to an injury to his right hand, because of this fact Honey Melroy's friends are proclaiming him welterweight champion of the world. Young Peter Jackson has a better claim to the title.

Ed Geers, the driver of light harness horses, who was injured at Billing's Park, Memphis, is reported to be resting well.

Two hundred Villanova students have obtained tickets in advance for the Georgetown-Holy Cross game, which takes place in Philadelphia tomorrow. Indications point to a large crowd.

After a hard workout at San Francisco in preparation for his bout with Jimmy Brito, Joe Gans tipped the beam at 136 1/2 pounds. Joe will have a hard time getting down to 133 on Monday night.

Jimmy Briggs and Martin Canole have been matched for a fifteen-round bout at New Bedford, Mass., on election day, November 3.

In order to wind up the affairs of the estate of the late Henry W. Floron,

RHEUMATISM JOINTS AND MUSCLES SWOLLEN AND STIFF

A disease so painful and far-reaching in its effects upon the human system as Rheumatism must have a deep ar' well-laid foundation. It originates and develops in the blood, and like other diseases of the blood, is frequently inherited.

I had a severe attack of Inflammatory Rheumatism. I was laid up in bed for six months, and the doctors I had did me no good. They changed medicine every week, and nothing they prescribed seemed to help me. Finally I left off their medicine and began the use of S. S. S. My knee and elbow joints were so swollen and painful that I could not close them when opened. I was getting discouraged when I began S. S. S., but as I saw it was helping me, continued, and to-day am a sound, well man.
