

CUPID'S AGENT BARRE MAI LS

She Sold Love Lozenges and Sportine Powders.

NOTHING BUT SUGAR PILLS

So the Postoffice Department Decides to Issue a Fraud Order Against Mrs. Milton.

Postmaster General Wynne has issued a fraud order against Mrs. L. Milton, of B-2 Burroughs place, Boston, Mass., the discoverer of the wonderful love lozenges, which were the secret of making anybody love you.

Mrs. Milton was a great believer in advertising, and she inserted the following item in many weekly and monthly household papers:

How to make anyone love you, irresistible. Quick. Never fails. Either sex. Trial package 10 cents.

Many Needed Them. Now this was just what many men and women were looking for. Unable to win the affections of some member of the opposite sex, they looked upon this as a discovery of the profoundest importance, and accordingly forwarded a dime and received a "trial package."

In this package were about a dozen small candles, worth about one mill, and the poor wretches, seized upon them with great eagerness, only to find that swallowing the entire number of pills at once no spell is worked.

Urged to Buy More.

Accompanying this "trial package" Mrs. Milton sent the following letter:

"You are no doubt aware that this small package does not contain sufficient to effect the desired result, they being sent solely to show you the fine product we are producing."

The love lozenges are productive of wonderful results, which surprises and delights the users of them. We can safely say there is nothing in the world to equal them. Every mail brings us letters from people who have been made happy through their use, and generally extending to us their heartfelt thanks for making their lives happy.

Get in Line.

"Don't you feel that you should have these lozenges when they will do so much for you? Join the ranks of hundreds of others, get a full-size package of our lozenges, and you will feel the wonderful effects of their use."

"So many lives are made unhappy because they fail to get the partner in this life that they desire. Join the ranks of those who have been made happy because one of the other grows cold and indifferent, and all the love and affection seems to fade away, while the other longs to hear those tender words and receive the kind treatment of days gone by. If you would be loved, get a box of our love lozenges. When you write state whether you want love lozenges or sportine powders. Trial box, 10c."

Granulated Sugar.

Sportine powders consists of a package of fine granulated sugar, as harmless as the love lozenges.

There are numerous fraudulent enterprises of this character, and the Assistant Attorney General for the Postoffice Department has been directed to weed them out. Several cases have come up within the last month or so.

LINCOLN CAMP HOLDS ITS ANNUAL BANQUET

Commemorates the Birth of Martyred President—An Old Diary Which Saved Soldier's Life.

The sixteenth annual banquet given last night by Lincoln Camp No. 2, Sons of Veterans, U. S. A., at Freund's, was a most enjoyable affair.

It was given in celebration and commemoration of the anniversary of the birth of President Lincoln and was attended by many persons prominent in civil and military circles in Washington.

Major E. R. Campbell acted as toastmaster and the sentiments proposed were responded to as follows: "Lincoln, a Private Citizen," Capt. Henry Castle, late Auditor of the Postoffice Department; "Lincoln, a Lawyer," Edgar Allan, national counselor, Sons of Veterans; "Lincoln, a Christian," Rev. Dr. Charles F. Bonning, of Grace Episcopal Church; "Lincoln, an Orator," Hon. W. E. Andrews, auditor of the Treasury Department; "Lincoln, the Commander-in-Chief of the Army and Navy," Col. W. B. Mabry, and "Lincoln, Our President," Col. Benjamin F. Bingham, of the Treasury Department, past commander of the Department of the Potomac, G. A. R.

An interesting feature of the evening was the exhibition by Colonel Bingham of a leather diary made by him during the civil war. He explained that at one time it was the means of his life being spared. Colonel Bingham said he always carried the diary in the breast pocket of his coat, and once he said it served as a shield and deflected a bullet which would otherwise have pierced his heart. The cover of the diary still shows the indentation of the bullet.

The banquet committee was composed of J. T. Bond, chairman; B. N. Northcott, and J. H. Howell. The officers of Lincoln Camp are: Commander, D. H. Evans; senior vice commander, R. E. Young; junior vice commander, E. J. Noe; secretary, E. K. De Puy, and treasurer, E. S. Taylor. In addition to the members and guests many of their wives were present at the banquet.

SPEAKER CANNON ABSENT WHEN HOUSE CONVENED

Yesterday the House had no chaplain. Today when it met at 11 a. m. it had no Speaker.

Clerk McDowell called the assemblage of some forty gentlemen to order, and called for nominations for acting Speaker. Bayne of New York nominated Dull of Pennsylvania, who took the chair amid applause. Speaker Cannon made his belated appearance just as the acting chaplain, Rabbi Elmon, of the Eighth Street Temple, pronounced "Amen." The burst of applause following Speaker Cannon's appearance came with such promptness that it seemed to be intended for the chaplain, who looked about in some surprise.

HIGH KICKING AND FINES.

Passengers on the 4:30 train from Washington yesterday afternoon witnessed a high-kicking exhibition free of charge. When the train left Washington four men and three women boarded it and took passage for this city. When near Four-Mile-Run the party began to act in a disorderly manner, and

finally one of the women, giving her name as Lillian Sour, started kicking. Conductor Kerrick appeared on the scene and ordered the party to stop. Despite his efforts the disorder continued until the train reached this city, where the offenders were taken to the station house by Policemen Roberts and Allen. Justice Caton was summoned, and held a special session of the police court. He fined Charles Bradley \$10, Frank Murtell \$5, Lillian Sour \$10, Lillian Johnson \$5, and Virginia Bain \$5. Two men, giving their names as Joseph Nail and John F. Sullivan, were dismissed.

ONE OF THE HOSPITALS OF MONTREAL IN WHICH PE-RU-NA IS USED

SISTERS OF PROVIDENCE, MOTHER HOUSE, MONTREAL. HUNDREDS OF CHARITY HOSPITALS HAVE TRIED PE-RU-NA DURING THE LAST YEAR AND FIND IT WONDERFULLY EFFICIENT FOR ALL CATARRHAL DISEASES.

SISTERS OF PROVIDENCE, Mother House, Montreal, Canada, write: "We are happy to say that a number of our sisters of our community have taken Peruna and have derived great benefit from its use."

The winter of Canada are long and severe. Catarrh of the head and throat prevails for at least seven months of the year.

As soon as Peruna was introduced into Canada its use spread like wildfire, for it exactly met the climatic diseases which abounded.

Catarrh, when it once fastens itself upon the system, is not to be dislodged by the use of local remedies. A systemic remedy is needed to eradicate the disease. Peruna exactly meets this necessity.

In the whole history of medicine no remedy was ever devised that has been so universally recognized as a specific for catarrh.

It not only breaks up promptly coughs and colds, but it can be relied upon to permanently cure catarrh in its worst stages and forms. A reward of \$10,000 has been deposited in the Market Exchange Bank, Columbus, Ohio, as a guarantee that the above testimonials are genuine; that we hold in our possession the signed testimonials of these institutions. Every one of our testimonials are genuine and in the exact words of the testifier.

PHYSICIANS EVERYWHERE

Know the Value of Pyramid Pile Cure.

"Gratitude alone prompts me to testify to the efficacy of Pyramid Pile Cure. Last March I bought a dollar package at the drug store, which cured me of bleeding piles, and I was a sufferer from them for eight years; but I had not been troubled with them since until last September, when I gave birth to a baby girl and after that I had a very severe case of protruding piles, which a trained nurse said was the worst case she ever saw and my doctor told me to get Pyramid Pile Cure again which I did and was completely cured in three days. I have not had piles of any kind since and it is all owing to this wonderful remedy. My nurse took a box, which I was glad to be able to give her, for I know she will be able to help lots of suffering people whom I could never see or know. I recommend 'Pyramids' wherever I know of any one suffering as I did. It gives me great pleasure to be able to say I am entirely cured, when my doctor says is true. I say God Bless Pyramid Pile Cure." From a former great sufferer, Mrs. F. Annett, 1206 Unity St., Frankford, Philadelphia, Pa. This remedy, which is sold by druggists generally, in fifty cent and dollar packages, is in a suppository form, is applied directly to the parts affected and performs its work quietly and painlessly. Its value is evidenced by the testimony given above and we urge all sufferers to buy a package now and give it a trial tonight. Accept no substitutes and remember that there is no remedy "just as good." A little book on the Cause and Cure of Piles is published by the Pyramid Drug Co., Marshall, Mich., and will be sent free to any address.
