

Cannon Cloth Wash Skirts--3 Styles 95c

Rebuilding Time Draws Near

There's genuine reason for greater bargains in that line--it means that still further price reductions must be made immediately to make room for the builders. This is not a sale paramountly to create business--it's a sale with the one great purpose of CREATING ROOM. It's a forced movement--for we're free to confess that were it possible we could not offer these merchandise--bought for this spring and summer season--at such ridiculously low figures. In many instances they are at cost and less--but we must close out this stock or have it ruined by dust and dirt. You're invited to share in the greatest bargain feast in Washington's mercantile annals.
