In the ball room of the Abby, Seventeenth and L streets northwest, last Saturday afternoon, was held a beautiful children's party, given by Mrs. Henry F. Ashton, who entertained about thirty children in honor of the eighth birthday of her little daughter, Hazel Farquhar Ashton. The children enjoyed games and dancing. Each child was dressed in crepe paper as a flower, representing the month of his birth, producing an unusually effective scene. The ball room was decorated in yellow and white crepe paper, and daffodils and narcissus.

The table decorations were clusters of yellow daisies, with a large birthday cake lighted with white candles as a centerpiece. The children as flowers seated themselves on the floor and formed a perfect garden. ## "Friendship" Annual Fete Arrangements

Arrangements for the annual fete at "Friendship," John R. McLean's country home on the Tenleytown road, are being rapidly pushed, owing to the brief time before the dates set for the entertainment, May 19 and 20.

The committee in charge, under the chairmanship of Mr. Archibald Hopkin, president of the Home For Incurables, is working hard to have everything in readiness for the accommodation of the forty charities this year represented in the combination of philanthropies, an increase of seventeen over the list of the fete last May.

Under the circumstances it has been deemed advisable to refuse admission to all autos, and all arrivals in such vehicles will be forced to submit to the restriction, dismount at the entrance and find accommodation for their machines in Richmond Park, a spacious reservation opposite, which has been placed at the disposal of the committee for the two afternoons of the fete. Occupants of carriages will be permitted to enter as formerly, at the rear of the mansion, each vehicle being charged 50 cents, regardless of the number of occupants, the same entrance fee being demanded of assistants and visitors alike. In this way insuring no free ingress.

The grounds will be open early in the morning of the first day for the accommodation of a soft drink booth upon the grounds were completed.

At a recent meeting of the board of the Dog Shelter Society held at the residence of Mrs. Wallace Neff, 1337 K street northwest, arrangements for the introduction of a soft drink booth upon the grounds were completed.

Miss Carrie Tisdell has returned from Central America, where she accompanied her father last winter, and is with her mother at the Rockhampton. Mr. Tisdell expects to join his wife and daughter the latter part of June for an extended stay, having entirely recovered from the serious illness of last year. Madame de Volland, formerly Miss Helen Tisdell, who is with her husband, the Russian minister to Mexico, was graphically of the recent earthquake, having fortunately escaped all harm.

Admiral Neville, in command of the second cruiser squadron at Jamestown, and his officers will be the guests of honor at dinner this evening of the Ambassador from England and Mrs. Bryce will entertain at a large reception afterward.

## Miss Wellman Goes to Paris With Sister

Miss Ruth Wellman, eldest daughter of Mr. and Mrs. Walter Wellman, will sail May 11 for Paris, accompanied by her younger sister, Miss Rita Wellman. They will join their father there and Miss Rita Wellman will pursue her studies in art. She is very gifted and destined to do something well worth while.

If Mr. Wellman should remain North next winter they will stay in Paris until the following fall. Miss Ruth Wellman spent a season in Paris several years ago. Mrs. Wellman and her other daughters will go to Canton, Ohio, her former home, to spend the summer.

The Leonora Whist Club gave a surprise party Monday evening to Mrs. Louis Kann, before her departure for the South, where she will be the guest of her sister, Mrs. Simon. The evening was spent in vocal and instrumental music, recitations and dancing, after which the guests entered the dining room, where a repast was served, with tasteful decorations of pink and green. Those present were Mr. and Mrs. Jacob Eisenman, Mr. and Mrs. L. Kann, Mr. and Mrs. J. F. Kann, Mr. and Mrs. A. Jackson, Mr. and Mrs. L. Goben, and Mrs. S. Rothchild, Mr. and Mrs. Benjamin Held, and Mr. and Mrs. E. Sommer.

Miss Florence J. Heaton, daughter of the late Dr. Townsend Heaton, of Hamilton, Va., and Stuart Bradford Marshall, of Pittsburgh, were married last evening at 8 o'clock in St. Thomas' Church.

The church was prettily decorated with palms and dog-wood blossoms, and the vases of the altar were filled with white roses.

Miss Heaton entered the church with her uncle, Dr. Joseph Van Deventer, of Ishpeming, Mich., who gave her in marriage. Her wedding dress was an empire gown of white panne crepe with yoke and sleeves of tulle and point lace. The front of the dress was a hand-embroidered panel extending the entire length of the gown, and covered with a wreath of orange blossoms, and she carried a shower of lilies of the valley.

Mrs. George Lawrence Claypool, of Pittsburgh, was matron of honor. Her gown was of white valenciennes lace over white silk, trimmed with effective touches of pale blue. Her bouquet was of pink sweet peas.

Guy Beall Gilmore, of Uniontown, Pa., and Dr. John Singer, of Greensburg, Pa., were the ushers, and the best man was Robert F. W. Wendell.

The Rev. Dr. C. Ernest Smith, rector of the church, assisted by the Rev. J. D. LaMothe, performed the ceremony, which was followed by a reception at Rauscher's for the bridal party, relatives, and intimate friends.

Mr. and Mrs. Marshall left after the reception for their bridal trip. Mrs. Marshall is wearing a modish traveling suit of golden brown rajah silk, with a brown straw hat trimmed with brown velvet and cherries. They will make their future home at Dunbar, near Pittsburgh.

Mrs. Lee will spend several thousand dollars on interior improvements of the house, which is the property of James Hoban.

The fair and garden fete, which is held every year for the benefit of the charities, in which the National Cathedral School is interested, will be held on the Cathedral close Saturday, May 3, from 12 to 7. The fair will be held inside the school building in case of bad weather.

# Pure Food Laws

Have helped reliable dealers and injured the dishonest ones. Stricter dental laws, guaranteeing to the public honest services and the grade of material for which the dentist is paid, would help the reliable dentist in the same way, and benefit the public a thousand fold. Let us have dental inspectors, and make it a crime to misrepresent dental work. Your mouth (through which everything enters the stomach) is important, and it is usually your sorrow when you intrust its care in unreliable and unskilled hands.

I only ask that you investigate my work and prices. If you want the best, I have it, and if you are not convinced you are under no obligations.

Examinations and consultations are free. Also extractions with bridge or plate work; but I have no flowery inducements to offer you, and I make no impossible claims.
