13TH ANNIVERSARY SALE

It has been thirteen years of unceasing, spirited progress. The first enterprise of M. Goldenberg in the building 928 Seventh Street, which started so auspiciously in the latter part of September, 1895, has grown and expanded by steady bounds, until today it stands as a monument to the live, progressive storekeeping methods that made it possible.

The steadfast principles of fair dealing, the constant striving after betterment, and the giving of better than usual value for the money, are the basis and inspiration for the unexampled success which has come to us within the comparatively short compass of thirteen years.

From the very beginning of our career we set a pace that other stores have striven to follow—and we have maintained that pace by constant effort to create out-of-the-ordinary buying opportunities for our customers. We are never content to offer "just-as-good" values—they must be better!

We gave promises which we faithfully kept. We gave as good service as we knew how. Each year has been a stepping stone to greater achievement. Each year the store has developed—in service, in breadth of stocks, in new and helpful features. Your support has been unflinching—and for this generous assistance and encouragement we beg to give assurance of our most ardent appreciation.

To commemorate this 13th Birthday, and to signalize it as the most important event in our history, we have arranged a series of extraordinary, unparalleled SOUVENIR OFFERINGS, the most notable of which are detailed in THIS ANNOUNCEMENT.

Read every word—each paragraph tells of a matchless bargain, of the utmost saving interest for every Washington shopper.
