

MAY ASK PATTEN TO STOP TRADING

Directors of Chicago Board of Trade Fear Popular Disapproval.

(Continued from First Page.)

"I will have to make my cent somewhere, or quit," he said. "I will have to either reduce the size of the loaf or increase the price if the high price of flour continues."

"I will try to maintain my loaf at the same size," said Anton Fisher, 412 Four-and-a-half street southwest.

If the price of wheat does not come down, I might have to change it later.

This was the prevailing sentiment among the small bakers. S. A. Reeves, of the S. A. Reeves Bakery and Confectionery Company, is optimistic regarding the outlook.

Is Optimistic.

"The present price of wheat will not affect either the price of loaves in my judgment," he said today. "It is only a market manipulation, and the price of wheat will not stay long at the present high figure."

"People are accustomed to paying five cents a loaf for bread and will not pay more. The increase in price will, of course, affect the small baker, as the large baker, as the former buys his flour in smaller quantities and must necessarily pay the advance in the price of flour."

The large dealer, who buys by the carload, has probably a sufficient supply on hand to ride him over the period of high prices.

Manager Beren, of Beren's Bakery, at 424 E. Street, expressed practically the same opinions.

Joseph's Wheat Corner.

"The only successful wheat corner I ever heard of was the one pulled off by Joseph, who had a coat of many colors," remarked Secretary of Agriculture Wilson at the White House this morning before he went into the Cabinet meeting.

In these words Mr. Wilson showed that he has no admiration for the methods and achievements of Wheat King Patten, who at present is carrying around the visible wheat supply of the world in his pocket and who is keeping up his great "corner" by continually buying all the wheat offered for sale.

There has been a marked discrepancy between Patten's estimate of the visible wheat supply and the estimates put out by the Department of Agriculture. Secretary Wilson believes his figures are correct and will finally swamp Patten.

"To successfully corner the wheat market," said the Secretary, "you have got to keep buying and buying and buying. Finally, the time comes when you can't buy any longer, and then the crash follows."

"Time will show whether Patten or I got out the right estimates of the wheat supply."

New York Irregular.

NEW YORK, April 16.—The general tone of the stock market continues reactionary at the opening, and in the early trading, but strength in spots caused irregular changes during the day.

Most of the gains were in the lower priced issues both in the railroad and industrial groups with the leading active stocks under some pressure and tending downward.

The disturbing influence of the wheat situation was the most important market factor today and a good part of the selling at the opening was attributed to uneasiness over the outlook in the manipulation of the May option today.

The market closed with a moderate improvement developed.

D. A. R. RECEPTION IS DOUBLE POSER

Mrs. Scott and Mrs. McLean Decline Mrs. Sherman's Invitation.

(Continued from First Page.)

The railroad committee of the society held a meeting at its headquarters this morning and perfected details for the coming of the arriving delegates. Beginning tomorrow, according to Mrs. Amos G. Draper, there will be a sub-committee of the railroad committee stationed at the Union Station to meet all arrivals and assist in directing them to places of accommodations.

Mrs. Kinney Encouraged.

Mrs. Sarah T. Kinney, of Hartford, chairman of the "committee for the good of the order" formed last year when the insurgents first began their movement against the McLean faction, reached Washington this morning. Mr. Kinney said she had heard nothing save the most favorable reports concerning Mrs. Story's candidacy and chances for ultimate election.

Mrs. Kinney has been seriously ill, and which probably on an account of this some one else will be named to take charge of Mrs. Story's fight on the floor of the convention. Miss Mary Desha, of Washington, may be selected as chief "insurgent whip," so to speak.

Mrs. Scott's Statement.

Mrs. Matthew T. Scott is working this afternoon upon a formal statement regarding her candidacy which she will make public tomorrow. The statement, it is understood, was outlined at a conference between Mrs. McLean, Mrs. Scott, and Mrs. Amos G. Draper last night.

It is believed that Mrs. Scott will make pointed denial in this platform of the charge by some of the insurgents that she is too old properly to administer her office of president general.

"I believe that what I have to say will be clear enough to make it interesting," said Mrs. Scott this afternoon.

Realizing that the time for campaigning is growing short, the conservatives, headed by Mrs. Story, may also come forward with some statement regarding their policies between now and Monday.

Will Organize Chapter.

Mrs. McLean, president general, spent some time at the offices of the D. A. R. this afternoon perfecting plans for the opening of the congress which she predicts will be one of the most brilliant in the society's history.

Later in the day she will go to Rockville, where she will take part in the organization of a chapter for Montgomery county, Md., of which Mrs. Crossall is to be regent.

Mrs. McLean said this chapter would be of special interest to her, in that her father, who chief justice, presided in this county.

Mrs. McLean and Mrs. H. L. Hoddins were the guests of honor at a reception given at Chevy Chase yesterday afternoon by Mrs. Sarah Wilson Barker. More than 200 daughters of both factions, gathered to honor Mrs. McLean and Mrs. Hoddins.

FOUR PRESENTED BY GRAND JURY

Alexandria Negroes Indicted On Charge of Killing Chicago Artist.

(Continued from First Page.)

In the corporation court at Alexandria today a special grand jury returned indictments against Eugene Dorsey, Richard Pine, Alvin Johnson, and Henry Smith, the negroes charged with the murder of Walter F. Schultz, the Chicago artist, who was found with his throat cut in a field near Alexandria on Sunday morning, March 7.

The only witnesses examined by the jury were Henry Smith, the man who turned State's evidence and implicated the three other men; Dr. S. B. Moore, Chief of Police Goods, and Patrolman W. T. Sampson. No date has been set for the trial of the men. The negroes were not brought to this city from the jail at Fairfax as had been expected, and will not be brought to Alexandria until they are to be tried.

White House Callers More Than One Hundred Members of Board of Trade Accept Invitations.

More than 100 members of the Board of Trade and Chamber of Commerce have accepted the invitation to attend the citizens' dinner to be given President Taft May 8.

From the prompt response to the invitations, which were sent out by the committee on arrangements, only a few days ago, it is thought that more than 200 persons will attend the dinner. The invitations state that the dinner will cost not under \$20 a plate and probably more.

FEWER EMPLOYERS OF CHILD LABOR

Two hundred and sixty-seven business houses in the District employ children under sixteen years old, according to the monthly report to Commissioner Macfarland of C. C. Estes and R. A. Sanders, child labor inspectors.

Six establishments discontinued the employment of child labor during the month, and there were eight prosecutions for violations of the child labor law.

JAPANESE ACCUSED OF TRUST BRIBERY

Sugar Monopoly Said to Have Corrupted Island Statesmen.

(Continued from First Page.)

TOKYO, April 16.—A nationwide sensation has been caused by the arrest of ten members of the Seiyukai faction of the Japanese diet on charges of receiving bribes from the Dai Nippon Sugar Company, all of whose directors are under arrest charged with embezzlement, falsification of the company's accounts, and bribery.

It is stated that the affairs of the company were so intimately concerned with the progress of the Seiyukai party that hundreds of business men and politicians will be involved before the entire affair is cleared up.

The sugar company has been operating extensively, and its foreign trade has been enormous, due, it is alleged, to favoritism at the hands of the officials. A general investigation has been ordered.

SENATOR GAZZAM MAY GET WELL

ASHEVILLE, N. C., April 16.—It is now believed that former State Senator Gazzam, of Pennsylvania, who was injured at the Kenilworth Inn fire, will recover.

The physicians today say that Mr. Gazzam has a fighting chance, and was in excellent condition when hurt. Mrs. Gazzam is now at the bedside of her husband, having arrived from Philadelphia yesterday afternoon.

OUR BIG OFFER

Catarrh CURED OR GET YOUR MONEY BACK

What if a specialist in catarrhal affections, a real physician of character and integrity, should offer to cure you of catarrh, or nothing to pay?

You would jump at the chance. Of course, you would. You would be foolish if you didn't.

And that's what the makers of Hyomei (pronounced High-o-mei), the Austrian Inhalation Cure, that has actually cured more cases of catarrh than all the catarrh specialists of America combined, say to you that Hyomei will cure your catarrh, or you can have your money back, what are you going to do?

Are you going to be prejudiced and narrow minded just because the offer is not made by a physician?

Are you going to continue to suffer with snuffles, crusts in the nose, watery, mucous, in the throat, and all the annoying and distressing conditions that accompany catarrh, when Henry Evans will guarantee Hyomei to cure you or money back?

Do you know what Hyomei is? Let us tell you: It is the concentrated extract taken from the pine and eucalyptus trees of Inland Australia, where catarrh, asthma, whooping cough, hay fever or consumption were never known to exist.

Pour a few drops of Hyomei into the hard needed cost 50 cents.

And besides catarrh, remember that Hyomei is guaranteed to cure asthma, throat and hay fever, or money back. Henry Evans guarantees it. Hyomei is sold by leading druggists everywhere.
