

# CHURCH TO APPEAL TO LUTHERAN SYNOD

### Independent Congregation Wants to Be Recognized by Denomination's Officers.

In order that their church may have standing among the Lutheran congregations of the East, the committee from the Independent Lutheran Church will attend the Maryland synod, which will meet in Baltimore on October 20, and ask to be admitted. The committee was appointed last night at a meeting of the congregation of the new church, at which a constitution was adopted and permanent officers selected.

L. D. Alden will act as the commissioner of the church to present the matter to the synod. He will be assisted by Abner Leech, L. Hoover, Harry Burdell, and the Rev. Dr. Slaybaugh. It will be shown that the church has a membership of about 100, that its finances are in good shape, that a permanent pastor is soon to be selected, and a meeting place obtained. With this showing it is not anticipated that the synod can refuse affiliation to the new church, no matter how much opposition is advanced by the Luther Place Memorial Church, of which the Independent Church is an offshoot.

The action on the part of the Independent Church means that the attempt at reconciliation with the mother congregation has been abandoned.

## Tailored Suits \$18.00

Right at the time when the majority of women are thinking seriously of purchasing a new suit comes this startling offer. We purchased the entire sample lines of two of New York's foremost suit makers, and secured from another a cancellation order. Materials include diagonal and plain serges, fancy worsteds, satin striped worsteds, knickerbocker cloths, unfinished worsteds, Bedford cord and mannish worsteds in one, two, and three piece effects. Coats are lined with plain satin, satin duchesse or fancy taffeta, and are cut long in the prevailing style. Skirts are in many styles, some entirely pleated, others with flounce pleats.

The one-piece suits are in coat effect, and the three-piece suits consist of coat and one-piece dress. Some are entirely plain tailored, others are trimmed with silk or braids. Good range of shades such as black, navy, walnut, brown, grey mixtures, wisteria, garnet, and others. It is the best lot of Tailored Suits ever shipped to Washington to sell for \$20.00—\$18.00. ## COATS for GIRLS

100 sample garments, worth \$12.00

## Choice, \$4.95

Just 100, and our greatest regret is that we could not secure more of them. They are undoubtedly the prettiest, most chic little coats, and the best values ever offered at this time of the year.

They are made of the best quality of ribbed, chevrot, moire, and Kenney cloths. Some are braided, trimmed, others combination effects in pleated, and strictly tailored styles. Some are lined throughout in wool checked material, others with gray flannel, or red, and some in satin venetian lining. The colors are all the desirable ones of the season such as myrtle, smoke, navy, cadet, red, and a few blacks. Every garment is strictly man tailored, and these are the original samples, each made and finished in the best possible manner, and not more than two or three of any one style. In sizes from 8 to 14 years. Second floor—Adjacent to waists.
