

G. U. MORRIS POST
READY TO DISBAND

Grand Army Veterans in
Georgetown Will Consider
Proposition Tonight.

WASHINGTON TIMES BUREAU,
GEORGETOWN, D. C., MARCH 14.

At the meeting of George U. Morris Post, No. 15, Grand Army of the Republic, which will be held this evening at Red Man's Hall, Wisconsin avenue and N street, it will be determined whether or not the organization will be continued. The following resolution, offered by the quartermaster, Rudolph Ullmer, will be acted upon:

"Whereas, the membership of George U. Morris Post has been so reduced that it is difficult to get a quorum for the transaction of business or for the proper and necessary work of a post; therefore, be it resolved, that the officers be and are hereby directed to surrender the charter of the post, to turn over to the Department of the Potomac the property of the post, as required by the laws of the Grand Army of the Republic, and to grant honorable withdrawal cards to all comrades entitled thereto, and to take such further action as may be proper for the disbandment of the post."

George U. Morris Post now has a membership of about twenty-five, and meets but once a month. It was organized ten years ago, and named after Commander Morris, whose widow lived in Prospect avenue, and who presented the post shortly after its organization, with a handsome stand of colors. Of late years the membership has been considerably depleted by death, and on account of their age, many members are not able to attend the meetings. In the past the post always had charge of the Memorial Day exercises at Holy Rood and Oak Hill Cemeteries.

Thomas Pulllove, an artist, who is associated with F. D. Millet, the painter, explorer, and writer, whose studio is in old Forrest Hall, is organizing the loss of \$4, which disappeared in a peculiar way. He boards at the West Washington Hotel, and the latter part of last week, gave orders that his room be thoroughly cleaned. His orders were carried out, and a basketful of waste paper removed. Two days later he missed \$4, and remembered that he had put it in an envelope, and that he had thrown the envelope in the waste paper. A search revealed the fact that the porter of the hotel had used the paper to start the fire with the very morning the owner remembered the loss of the money.

The regular semi-monthly meeting of the Georgetown Citizens' Association will be held this evening at the Potomac Park Hall, Wisconsin avenue and M street. The meeting promises to be an interesting one. It is said that an attempt will be made to pass a resolution favoring prohibition in the District of which Rev. Zed H. Copp, pastor of Bethany Chapel, and an attaché of the juvenile court, is the sponsor. The probabilities are that the meeting will be largely attended.

Sergeant McQuade, Policeman G. W. Edwards, and Bicycle Policeman R. M. Canady, of the Seventh police precinct, are on the street in Howard street. Short is acting sergeant. Private E. P. Murphy has been transferred to No. 1 precinct, and Private H. H. Johnson is on duty this morning in Georgetown. Private Howard Morgan, who has been on the sick list for six weeks, returned to duty yesterday. Private L. H. Johnson is off on leave.

Samuel Darby, son of Rezin W. Darby, the contractor, is recovering from a dislocated shoulder. About ten days ago, while chasing some small boys who were stealing at the District of Columbia Paper Mills, on K street, where he is employed, he fell, which resulted in the injury.

A. R. Bricely, of the Georgetown post-office, formerly of 1229 Thirty-third street, has removed to his new home in Fort Myer Heights, which he recently purchased and refitted.

S. M. Bradley delivered an interesting address last evening before the Christian Endeavor Society of Mt. Tabor M. E. Church.

Mr. and Mrs. Adolphe Baer, of 3128 N street, announce the engagement of their daughter, Miss Caroline Baer, to Morris Wolf, of Tampa, Fla.

Miss Ida Burklim, of Gainesville, Fla., is visiting Mrs. L. H. David, of 2834 Twenty-seventh street, Woodley Park.

MISS DOROTHY LAWSON
IS LEARNING HOUSEWORK

MISS DOROTHY LAWSON.

Daughter of Financier Returns From Europe and Takes
Up Study of Domestic Problems in Preparation
for Approaching Marriage.

BOSTON, March 14.—Dorothy Lawson, daughter of Thomas Lawson, who has just returned from a European tour, had taken up the study of housekeeping to prepare herself for marriage.

She emphatically denied today that while abroad she met any titled personage who has at all upset the plan for her announced marriage to Harry McCall, son of Representative Samuel McCall. She said:

"I'm going to be married next October, and as the last date given out was really not set, but mentioned, I do not feel that I have scorned the time-honored feminine superstition that a wedding postponed spoils many a budding romance.

"I merely went abroad to study and

had no intention of marrying a duke or lord. I would not think of getting married now, for my sister, Marion, whose wedding took place last June, is making a tour of the world with her

husband, James Fuller Lord, and I could not think of having my wedding take place without her being present.

"This is one of the reasons why I will not have my wedding now. Then, both my fiancé and I are quite young. There is plenty of time.

"Meanwhile, I am acting as housekeeper for my father, at which occupation I am receiving a fund of information that will be most useful in future years.

"We all had very enjoyable times together. While I was in Rome my sister Marion was with me for a week, and of course we together enjoyed every moment of the seven days. My sister and I have grown up together as the best of comrades. We have both enjoyed nearly all our pleasures here at home together, and we both have taken part in the shows of the Vincent Club girls.

"Last year we took part in three of the dances at the annual performances of the Young People's building on March 25 and 26. Two hundred teachers and superintendents will be in attendance.

At Lee Camp Hall, this evening, Representative Frank M. Nye, of Minnesota, will deliver a lecture before the Garden Club.

OFFICIALS INSIST
ON SPEED LIMIT

Alexandria Motorcyclists
Must Keep Within Four
Miles an Hour.

WASHINGTON TIMES BUREAU,
ALEXANDRIA, VA., MARCH 14.

That Alexandrians having motorcycles would better sell them unless they are content to ride them at a speed "not to exceed that of a man walking at a rapid gait," was the decision of motorcyclists here when they heard the decision of Police Justice Eaton rendered this morning in the case of William Hinken, John Wadley and Frank Parker, who had been arrested on the charge of exceeding the speed laws with their motorcycles.

Justice Eaton dismissed the men, this being their first time they had been before him, but warned them that they must keep within the State law which provides that on streets on which there are horses, speed shall not exceed four miles an hour, which he stated was the gait a man could walk rapidly, and on streets on which there are no horses the speed must not exceed fifteen miles an hour. As there is never a time when there are no horses on King street, the speed there must be at the four-mile gait.

The city council now has under consideration an ordinance making it against the law to ride a motorcycle at a greater speed than eight miles an hour.

Attorney L. H. Machen and F. P. Russell will leave Alexandria for Richmond the middle of this week to lay before Governor Mann their reasons for asking executive clemency for their clients. Mr. Machen and Mr. Russell go on opposite missions, though, as Machen represents Johnson, and he will try to prove that Henry Smith's story, in which he incriminated Johnson, Pines and Dorsey, is not true, while Russell, who represents Smith, will urge the governor to grant clemency to his client on the ground that he is a member of the Commonwealth by his first confession and during the trials of Johnson, Pines and Dorsey. The action of Governor Mann is looked forward with interest by all Alexandrians.

The case of Lawrence and Bernard Petty, who are held at police headquarters on suspicion of being connected with the robbery of a freight car on the Southern Railway, which was to have come up in the Police Court this morning was postponed until tomorrow morning.

Owing to the absence of Judge Louis C. Egan in New York, the opening of the March term of the Corporation Court was postponed until tomorrow.

The mask social, which was to have been held at 222 North Patrick street next Tuesday, will be held at Odd Fellows' Hall. The social will be given for the benefit of the Sunday school class, No. 5, of the Methodist Protestant Church.

THOUSANDS ENJOY
SLEDDING GYMKHANA

Winter Residents of Switzer-
land Compete In
Novel Events.

DAVOS, Switzerland, March 14.—More than a thousand American and English winter residents of Switzerland are in Davos attending the skating carnival, which has become a continuing event of the winter.

The last week has been filled with an unusual number of social events, in which skating or sledding have figured prominently. Mrs. Frederick Swift, of New York; Mrs. Sidney Cooper, Mrs. Horace Booth, Mrs. Denholm, and Mrs. Blakeley have been the leaders in the various festival entertainments. One of the most amusing of the features of the week was a toboggan and bobsled gymkhana, which had a number of distinctly novel characteristics. Every kind of obstacle was used for the purpose of furnishing continual interest in the races.

The "Dreadnaught," playfully called the most powerful "ship" in the Swiss "mountain navy," exceeded its record by negotiating the bobsled course in 5:27—less than half the time the bobsled covered the course last year. The carnival races, which began on the Schlapp run, brought out an unusually large number of competitors and also a number of unique designs in decorated sleds.

The sleigh racing has been especially fast, the track record being lowered twice during the week. The course is two miles long and full of turns. The time of 4 minutes, established as a record last year, was lowered to 2 minutes 57.5 seconds in the Sigma Cup race.

OYSTER SUPPER PLANNED.
A third anniversary oyster supper and dance will be given by the ladies' section of the Columbia Turnverein at the club house, 528 M street northwest, this evening. The supper will begin at 8 o'clock.

TO GIVE EUCHE PARTY.
Arrangements have been completed for the monthly euche party of the Washington Temple, Uneal Society of the Spanish War, and it will be held next Friday evening. At a meeting last evening the newly elected officers were inducted into office.

A Cure for Smoky Lamps
To have lamp burning their brightest, the bowls should be kept full of oil and the burner free from oil and charred wick. The burners can easily be cleaned by boiling occasionally for half an hour in a strong solution of Gold Dust washing powder; wipe on a cloth and they will be as good as new. Clean the chimney by washing in warm water to which has been added a teaspoonful of Gold Dust washing powder and wipe dry on a soft towel; polish with old newspaper.

"Opening" Souvenir
One Tenth Deducted
Choose your suit, have it tried on, arrange for any needed alterations, without charge, and deduct one tenth from the mark you see on the price ticket.

Tomorrow's "Opening" will be particularly interesting because many Suits and Dresses intended for Philadelphia have been diverted here. It will be interesting to make comparisons of styles as viewed by the leading critics of the two cities. Not less interesting will be the prices marked on these garments—in some instances fully one-third less than the actual values. Note that this is not our generosity—it's the penalty those peace-loving Quakers are paying for becoming a big quarrelsome. But also please note that tomorrow's 10 per cent discount is a generous "Opening" Souvenir—because every Suit and every Dress is already marked at a price less than prevailing.
