Free Sample Helps Weak Women

So many of the ills of women are due to constipation that you must beware cannot be given them to keep the bowels well open. They have a modesty and timidity about them that is positively dangerous to their health. It is a function that is as necessary as air and food and should not be avoided. But it is important to know the remedy best suited to woman's needs. Cathartic pills and tablets are too powerful and salts and purgative waters are both powerful and nauseating. What is wanted is something milder and better tasting, but which at the same time is promptly effective. Dr. Caldwell's Syrup Pepsin fills these requirements and is being taken by thousands of intelligent American women. They not only use it themselves, but having found it effective in their own case, they keep it in the house for other members of the family, for we are all called upon at some time or other to use such a remedy. It is a safe and reliable laxative tonic and can be conveniently obtained of any druggist at fifty cents and one dollar a bottle. Before buying a bottle of your druggist the doctor invites you to make a test of it at his expense, and when you are satisfied it is what you want you can buy it in the regular way, just as thousands are doing. So, if you will send four names and address to Dr. Caldwell he will send you a sample bottle free of charge. Thousands of people owe the present good health of their families to applying for a free sample bottle, for in this way they learned of an effective and inexpensive cure for constipation, indigestion, liver trouble, sick headache, sour stomach and troubles of that kind that come from a disordered stomach, liver or bowels. The family of Harry T. Becker, 238 W. Monroe street, Chicago, are among the legions who highly praise this grand laxative and are glad to publicly say so. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in detail. Before buying a bottle of your druggist he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 62, Caldwell building, Monticello, Ill.
