Magnificent Fur Coats In the Fur Sale of Record Low Prices

Our recent big purchase of high-grade Furs and Fur Coats has been productive of the most remarkable selling in our history—and rightly so; for the values easily eclipse any ever offered in Washington for many years. The furs and fur coats are of the finest quality obtainable, and came to us at a tremendous sacrifice because the manufacturer was forced to accept a sharp loss on account of unfavorable weather conditions.

These four lots of Fur Coats tell the story eloquently.

If desired we will lay aside any Fur Coat you select until later, upon payment of small deposit.
