POMPEIAN OLIVE OIL

THERE is olive oil and olive oil, but there is only one POMPEIAN Olive Oil.

POMPEIAN is the "first press" of the finest obtainable olives imported direct from the Manufacturer's own olive groves in Lucca, Italy.

POMPEIAN Olive Oil is unadulterated in any way whatsoever—just the pure essence of the best flavored olives grown.

It is guaranteed by the Pure Food Law—and the quantity is guaranteed as well as the quality.

The Economy of POMPEIAN Olive Oil is as Apparent as the Quality

If you don't have olive oil in the home, the dishes served on your table are not as tempting as they should be—could

be. If you are using olive oil, but not POMPEIAN, you are not enjoying the best olive oil that you could be enjoying—should be enjoying.

POMPEIAN Olive Oil is best for salads, dressings and all general use. Physicians endorse its use for

health's sake. Epicureans insist on it because it is most palatable.
