"Mother's Friend" Wash Suits FOR BOYS

Worth \$1.50 to \$4 98c We place on sale tomorrow the entire line of samples, and seconds of the renowned "Mother's Friend" Wash Suits—an event that presents the most extraordinary money-saving opportunities known by Washington parents. We get the season's entire accumulation of factory odd lots and seconds every season—and the sale of these high-class wash garments has become an established institution of our boys' clothing department. Great as have been former offerings, you will count the present values the greatest ever offered. "Mother's Friend" Wash Suits are the most famous in the United States. "Mother's Friend" label means perfection in style, fit, and workmanship. No other wash suits in this country are made with such care and attention to details, and certainly no other brand enjoys such popularity. So jealous of their reputation are the makers that the slightest fault, no matter how trivial, is sufficient for them to put the garment aside as a "second." It is this hypercritical care that has made the "Mother's Friend" brand so famous. "Seconds" of "Mother's Friend" Wash Suits are better than most maker's "firsts." Materials consist of high-grade Chambray, Madras, Pique, Bedford Cord, Galatea, Rep, Maltesse, etc. Styles embrace sailor blouse, Russian belted, military collar, eton collar, and Russian collar models. In white and leading colors. Sizes 2 1/2 to 10 years in the lot. Values worth \$1.50 up to \$4.00, at ninety-eight cents.

SALE OF WASH SKIRTS

They are just the skirts every woman wants for comfort during the hot weather—practical garments made in the most careful manner, perfect in fit and workmanship. Materials consist of white Linene, Linen Crash, and English Repp, made in the newest plain flare effects, panel front and back styles, side buttoned effects, habit or inverted backs; and foot plaited styles. In natural tan color, Copenhagen blue, cream and a large variety of fashionable white skirts. Choice of values worth \$1.50, \$1.75, and \$2.00 for 88c.
